Item 1.01 Entry Into a Material Definitive Agreement.

On January 17, 2024, Direct Selling Acquisition Corp., a Delaware corporation (the “Company”), entered into a Business Combination Agreement (the “Business Combination Agreement”), by and among Aeroflow Urban Air Mobility Private Limited, a private limited company incorporated under the laws of India and a direct wholly owned subsidiary of PubCo (“IndiaCo”), Hunch Technologies Limited, a private limited company incorporated in Ireland with registered number 607449 (“PubCo”), FlyBlade (India) Private Limited, a private limited company incorporated under the laws of India (“Hunch Mobility”), and HTL Merger Sub LLC, a Delaware limited liability company and a direct wholly owned subsidiary of PubCo (“Merger Sub”).

The transactions contemplated by the Business Combination Agreement, including the Merger (as defined below), and the transactions contemplated by the related transaction documents contemplated by the Business Combination Agreement (collectively, the “Transactions”), will constitute a “Business Combination” as contemplated by the Company’s Amended and Restated Certificate of Incorporation filed with the Delaware Secretary of State on August 23, 2021 (as amended on March 27, 2023). The Merger and the Transactions were unanimously approved by the board of directors of the Company on January 17, 2024. Capitalized terms used but not defined in this Current Report on Form 8-K have the meanings given to them in the Business Combination Agreement.

The Business Combination Agreement*Reorganization Transactions*

Prior to the execution of the Business Combination Agreement, PubCo, IndiaCo and Hunch Mobility consummated a series of reorganization transactions pursuant to which, among other things, Hunch Mobility transferred all of its assets and liabilities (other than certain excluded assets and liabilities) to IndiaCo on a slump sale basis as a going concern.

In connection with the Merger, prior to the closing of the Transactions (the “Closing”), PubCo will complete a reorganization (such transactions, the “Pre-Closing Reorganization”), pursuant to which, among other things, (i) after receipt of applicable governmental and regulatory consents, Hunch Mobility shall transfer all of the equity securities of Transhermes Aero IFSC Private Limited, a wholly owned subsidiary of Hunch Mobility incorporated in Gujarat International Finance Tec-City under the (Indian) International Financial Services Centres Authority Act, 2019 to IndiaCo, (ii) Hunch Mobility shall promptly undertake any and all steps necessary to complete its voluntary liquidation/winding-up process in accordance with applicable law and (iii) PubCo shall consummate a reverse share split, pursuant to which all equity securities of PubCo will, following the consummation of the Pre-Closing Reorganization and immediately prior to the Merger, be consolidated and result in the aggregate number of Class A ordinary shares in the share capital of PubCo (the “PubCo Class A Ordinary Shares”) and Class B ordinary shares in the share capital of PubCo (the “PubCo Class B Ordinary Shares”) issued and outstanding on a fully-diluted, as converted and as exercised basis (excluding equity securities issued or issuable pursuant to the Convertible Note (as defined below)) being equal to the Pre-Closing Reorganization Consideration, which, in the aggregate, is anticipated to be equal to approximately \$150 million.

The Merger

Following the Pre-Closing Reorganization and pursuant to the Business Combination Agreement, at the Closing, Merger Sub will merge with and into the Company (the “Merger”), pursuant to which the separate corporate existence of Merger Sub will cease, with the Company being the surviving corporation and becoming a wholly owned subsidiary of PubCo.

In connection with the Merger, each (i) share of Class A common stock of the Company, par value \$0.0001 per share (each, a “DSAQ Class A Share”), (ii) share of Class B common stock of the Company, par value \$0.0001 per share (each, a “DSAQ Class B Share”), and (iii) convertible preferred share of the Company that will be issued pursuant to the Investor Subscription Agreement (as defined below) (each, a “DSAQ Preferred Share” and together with the DSAQ Class A Shares and DSAQ Class B Shares, the “DSAQ Shares”), issued and outstanding immediately prior to the effective time of the Merger (the “Effective Time”), other than those held in treasury, will be automatically cancelled and extinguished and converted into the right to receive: (A) with respect to each DSAQ Class A Share and DSAQ Class B Share, one (1) PubCo Class A Ordinary Share, one (1) CVR I, one (1) CVR II and one (1) CVR III, which are described in further detail below, and (B) with respect to each DSAQ Preferred Share, one (1) PubCo Preferred Share. All DSAQ Shares held in treasury will be canceled and extinguished without consideration.

Each unit of the Company issued in the IPO that is outstanding immediately prior to the Effective Time will be automatically separated and the holder thereof will be deemed to hold one (1) DSAQ Class A Share and one-half (1/2) of a public warrant of the Company, which underlying securities will be converted as described above.

At the Effective Time, unless otherwise amended by the DSAQ Warrant Amendment, without any further action, each warrant of the Company that is outstanding immediately prior to the Effective Time shall remain outstanding but shall be assumed by PubCo and automatically adjusted to become (A) with respect to each public warrant of the Company, one (1) public warrant of PubCo and (B) with respect to each private placement warrant of the Company, one (1) private placement warrant of PubCo, each of which shall be subject to substantially the same terms and conditions applicable prior to such conversion; except that each such warrant shall be exercisable (or will become exercisable in accordance with its terms) for (i) one (1) PubCo Class A Ordinary Share, (ii) one (1) CVR I, (iii) one (1) CVR II and (iv) one (1) CVR III, in lieu of DSAQ Class A Shares (subject to the PubCo warrant agreement). If the DSAQ Warrant Amendment is approved, then immediately prior to the Effective Time, each warrant of the Company will automatically convert into one-fifth (1/5) of one DSAQ Class A Share (with no fractional shares being issued if less than five (5) warrants are held).

Registration Statement/Proxy Statement

In connection with the Transactions, the Company and PubCo will prepare and file a registration statement on Form F-4 (the “Registration Statement/Proxy Statement”) with the SEC, which will include a prospectus of PubCo and a proxy statement/prospectus for the Company’s stockholder meeting to solicit the vote of the Company’s stockholders to, among other things, adopt the Business Combination Agreement and approve the Transactions.

In addition, as promptly as practicable following the time at which the Registration Statement/Proxy Statement is declared effective under the Securities Act, the Company will solicit the vote or consent of registered holders of warrants of the Company to adopt and approve an amendment to the Company’s warrant agreement to provide that, effective immediately prior to the Effective Time, each warrant of the Company will automatically convert into one-fifth (1/5) of one DSAQ Class A Share (with no fractional shares being issued if less than five (5) warrants are held).

Representations, Warranties and Covenants

The parties to the Business Combination Agreement have made representations, warranties and covenants that are customary for transactions of this nature. The representations and warranties of the respective parties to the Business Combination Agreement will not survive the Closing. The covenants of the respective parties to the Business Combination Agreement will also not survive the Closing, except for those covenants that by their terms expressly apply in whole or in part after the Closing.

In connection with the foregoing, the Company, through its board of directors, shall recommend to the Company's stockholders and warrant holders the adoption and approval of the Business Combination Agreement and the transactions contemplated thereby (including the Merger), and the approval and adoption of the DSAQ Warrant Amendment, respectively. Notwithstanding the foregoing, if, at any time prior to obtaining the requisite approval of the Company's stockholders with respect to the Business Combination, the Company's board of directors determines in good faith, after consultation with its outside legal counsel, that a Blade Group Material Adverse Effect has occurred on or after the date of the Business Combination Agreement and, as a result, the failure to change its recommendation would be inconsistent with the board of directors' fiduciary duties under applicable law, the Company's board of directors may effect a change of recommendation, subject to certain conditions.

Exclusivity

Each of the Company, PubCo, IndiaCo, Hunch Mobility and Merger Sub has agreed that from the date of the Business Combination Agreement to the earlier of the closing of the Merger and the termination of the Business Combination Agreement, no party will: (i) solicit, initiate, encourage (including by means of furnishing or disclosing information), knowingly facilitate (including by commencing due diligence), discuss or negotiate, directly or indirectly, any inquiry, proposal or offer (written or oral) with respect to an alternative transaction, (ii) furnish or disclose any non-public information to any person in connection with, or that could reasonably be expected to lead to, an alternative transaction, (iii) enter into any contract or other arrangement or understanding regarding an alternative transaction, (iv) make any filings with the SEC in connection with a public offering of any equity securities or other securities of the Blade Group (or any affiliate or successor of the Blade Group) or (v) otherwise cooperate in any way with, or assist or participate in, or knowingly facilitate or encourage any effort or attempt by any person (other than the Principal Shareholders and the Blade Group) to do or seek to do any of the foregoing or seek to circumvent such covenant or further any alternative transaction.

Termination

The Business Combination Agreement may be terminated at any time prior to the Closing by mutual written consent of the Company and PubCo and in certain other circumstances, including if the Closing has not occurred on or prior to March 28, 2024 (subject to automatic extension to June 28, 2024 in the event that the Company obtains an extension of the deadline by which the Company must complete a business combination in accordance with its governing documents) and the primary cause of the failure for the Closing to have occurred on or prior to such date is not due to a breach of the Business Combination Agreement by the party seeking to terminate.

The foregoing description of the Business Combination Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Business Combination Agreement, a copy of which is included as Exhibit 2.1 to this Current Report on Form 8-K, and incorporated herein by reference. The Business Combination Agreement contains representations, warranties and covenants that the respective parties made to each other as of the date of such agreement or other specific dates. The assertions embodied in those representations, warranties and covenants were made for purposes of the contract among the respective parties to the Business Combination Agreement and are subject to important qualifications and limitations agreed to by the contracting parties in connection with negotiating the Business Combination Agreement. The Business Combination Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about the Company or any other party to the Business Combination Agreement. In particular, the representations, warranties, covenants and agreements contained in the Business Combination Agreement, which were made only for purposes of the Business Combination Agreement and as of specific dates, were solely for the benefit of the respective parties to the Business Combination Agreement, may be subject to limitations agreed upon by the parties thereto (including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the respective parties to the Business Combination Agreement instead of establishing these matters as facts) and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to the Company's investors and security holders. Company investors and security holders are not third-party beneficiaries under the Business Combination Agreement and should not rely on the representations,

warranties or covenants of any party to the Business Combination Agreement. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Business Combination Agreement, which subsequent information may or may not be fully reflected in the Company's public disclosures.

Note Purchase Agreement and Convertible Notes

Concurrently with the execution and delivery of the Business Combination Agreement, PubCo entered into a convertible note purchase agreement (the "Note Purchase Agreement") with an investor with majority economic, non-voting interest in the Sponsor ("Investor" or the "Holder"), and IndiaCo, pursuant to which PubCo will issue to the Holder three senior unsecured convertible notes with an aggregate principal amount of \$3,000,000 (each a "Convertible Note", and together the "Convertible Notes"). Within twenty-four (24) hours of the execution of the Business Combination Agreement, or at such other time and place upon which the parties shall agree in writing (the "Initial Closing Date"), PubCo shall execute and deliver a Convertible Note with an aggregate principal amount of \$1,000,000 to the Holder, which is automatically convertible into 100,000 PubCo Preferred Shares upon the Effective Time (the "Initial Convertible Note"). Following the Initial Closing Date, PubCo shall execute and deliver, and the Holder shall fund, two additional Convertible Notes in two monthly installments at subsequent closings (each an "Installment Closing"). The two Installment Closings shall be held: (i) on the day one (1) month following the Initial Closing Date and (ii) on the day two (2) months following the Initial Closing Date, at such time and place as shall be approved by PubCo and the Holder, with an additional aggregate principal amount of \$2,000,000 on the same terms and conditions as those contained in the Initial Convertible Note. The PubCo Preferred Shares issuable upon conversion of the Convertible Notes, pursuant to their terms, shall be convertible into PubCo Class A Ordinary Shares. Interest shall accrue on the unpaid principal balance of each Convertible Note, together with any interest accrued but unpaid thereon (the "Outstanding Amount"), at an annual rate equal to 10% per annum, until the Outstanding Amount is paid or the closing of the Business Combination. Each Convertible Note's first interest payment date will be the first three-month anniversary of the date of each respective Convertible Note. Pursuant to the Note Purchase Agreement, the proceeds from the issuance of the Convertible Notes will be used: (i) up to \$750,000 solely for working capital purposes for the operation of IndiaCo's business, (ii) the remaining aggregate proceeds of the Convertible Notes other than the proceeds used in accordance with clause (i) solely for the acquisition of aircraft and (iii) in each case of clauses (i) and (ii) in compliance with all applicable laws.

The Outstanding Amount of each Convertible Note shall be automatically due and payable in full on the date that is the earlier of (1) three (3) business days following the termination of the Business Combination Agreement and (2) 363 days from the date of issuance of each respective Convertible Note (as applicable, the "Maturity Date"). If PubCo fails to pay any amount due pursuant to each Convertible Note within five business days of each respective Maturity Date, interest shall accrue at the rate of 17% per annum on the Outstanding Amount until the entire Outstanding Amount is paid in full.

The foregoing descriptions of the Note Purchase Agreement and Convertible Notes do not purport to be complete and are qualified in their entirety by reference to the full text of the Note Purchase Agreement and form of Convertible Note. The closing of the Investor Subscription Agreement will be conditioned on (i) the consummation of the transactions contemplated by the Hunch Subscription Agreement and (ii) the consummation of additional investments in an aggregate investment amount of \$12,000,000 ("Minimum Additional Investment"), for DSAQ Preferred Shares, DSAQ Class A Shares, PubCo Preferred Shares or PubCo Ordinary Shares, issued to investors (the "Additional Investors"), on terms and conditions that are not materially more advantageous to any such Additional Investors than Investor hereunder, unless such terms and conditions are consented to by Investor. For avoidance of doubt, the Minimum Additional Investment shall not include any investments pursuant to the Investor Subscription Agreement, the acquisition of the Retained Shares (as defined the Investor Subscription Agreement) or the Hunch Subscription Agreement.

The Investor Subscription Agreement contains customary conditions to closing, including, among other things, the consummation of the Business Combination. The Investor Subscription Agreement also provides that the Company will grant Investor certain customary registration rights.

Concurrently with the execution and delivery of the Business Combination Agreement, the Sponsor, the Company, PubCo and, for certain limited purposes, certain of the Company’s directors, executive officers and affiliates (such individuals, the “Insiders”) have entered into a Sponsor Support Agreement (the “Sponsor Support Agreement”).

Pursuant to the Sponsor Support Agreement, the Sponsor has, among other things, agreed to (i) support and vote in favor of the requisite transaction proposals; (ii) waive all adjustments to the conversion ratio set forth in Company’s amended and restated certificate of incorporation with respect to its DSAQ Class B Shares, (iii) be bound by certain transfer restrictions with respect to their DSAQ Class B Shares and the warrants of the Company, as applicable, prior to Closing and (iv) the forfeiture, transfer or conversion into DSAQ Class A Shares, as applicable of warrants of the Company under the terms and conditions set forth therein. Specifically, the Sponsor has agreed to make available up to 9,950,000 private placement warrants of the Company (or, if the DSAQ Warrant Amendment is approved, the PubCo Class A Ordinary Shares corresponding thereto) to existing stockholders of the Company in exchange for such stockholders agreeing not to redeem their DSAQ Class A Shares in connection with the Company’s stockholder meeting. If less than all such private placement warrants (or, if the DSAQ Warrant Amendment is approved, the PubCo Class A Ordinary Shares corresponding thereto) are so transferred, then the Sponsor shall (i) retain 50% of such private placement warrants not so transferred and (ii) forfeit 50% of such private placement warrants not so transferred. If the DSAQ Warrant Amendment is not approved, any such retained private placement warrants may, at the Sponsor’s election, be surrendered to the Company prior to the Closing in exchange for one (1) DSAQ Class A Share for every five (5) private placement warrants so surrendered. If the DSAQ Warrant Amendment is approved, each such private placement warrant retained will automatically convert into one-fifth (1/5) of one DSAQ Class A Share (with no fractional shares being issued if less than five (5) warrants are held).

The foregoing description of the Sponsor Support Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Sponsor Support Agreement, a copy of which is included as Exhibit 10.5 to this Current Report on Form 8-K and incorporated herein by reference.

Contingent Value Rights Agreement

Concurrently with the consummation of the Business Combination Agreement, PubCo will enter into a Contingent Value Rights Agreement (the “CVR Agreement”) with a rights agent (“Rights Agent”) pursuant to which the holders of DSAQ Class A Shares and DSAQ Class B Shares outstanding as of immediately prior to the Effective Time will receive one (1) CVR I, one (1) CVR II and one (1) CVR III (each, a “CVR”) for each one whole DSAQ Share held by such stockholder on such date. Each CVR I represents the right of the holder thereof to receive its pro rata share of 2,000,000 newly issued PubCo

Class A Ordinary Shares, and each CVR I shall be exercised automatically upon PubCo's delivery of the CVR Payment Notice (as defined in the CVR Agreement) to the Rights Agent, notifying the Rights Agent that, during the 12 month period ending on the final day of the month in which the second anniversary of the Closing occurs, the consolidated revenues of PubCo and its subsidiaries was less than \$50 million. Each CVR II represents the right of the holder thereof to receive its pro rata share of 2,000,000 newly issued PubCo Class A Ordinary Shares, and each CVR II shall be exercised automatically upon PubCo's delivery of the CVR Payment Notice to the Rights Agent, notifying the Rights Agent that, during the 12 month period ending on the final day of the month in which the third anniversary of the Closing occurs, the consolidated revenues of PubCo and its subsidiaries was less than \$142 million. Each CVR III represents the right of the holder thereof to receive its pro rata share of 2,000,000 newly issued PubCo Class A Ordinary Shares, and each CVR III shall be exercised automatically upon PubCo's delivery of the CVR Payment Notice, notifying the Rights Agent that, during the 12 month period ending on the final day of the month in which the fourth anniversary of the Closing occurs, the consolidated revenues of PubCo and its subsidiaries was less than \$263 million.

The contingent payments under the CVR Agreement, if they become payable, will become payable to the Rights Agent for subsequent distribution to the holders of the CVRs. There can be no assurance that any payment of any PubCo Ordinary Shares will be made or that any holders of CVRs will receive any amounts with respect thereto.

The right to the contingent payments contemplated by the CVR Agreement is a contractual right only. The CVRs will not be evidenced by a certificate or other instrument. The CVRs will not be transferable. The CVRs will not have any voting or dividend rights and will not represent any equity or ownership interest in PubCo or any of its affiliates. No interest will accrue on any amounts payable in respect of the CVRs.

The foregoing description of the CVR Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the CVR Agreement, a copy of which is included as Exhibit E to the Business Combination Agreement in Exhibit 2.1 to this Current Report on Form 8-K, each of which are incorporated herein by reference.

(a) As of the date of this Agreement, other than this Agreement, the Transaction Documents and any Contracts related to DSAQ Transaction Expenses, there are no Contracts to which DSAQ is a party or by which any of its properties or assets may be bound, subject or affected, which creates or imposes a Liability greater than \$250,000 (each, a "DSAQ Material Contract").

(b) With respect to each DSAQ Material Contract: (i) such DSAQ Material Contract was entered into at arms' length and in the ordinary course of business, (ii) the DSAQ Material Contract is legal, valid, binding and enforceable in all material respects against DSAQ and, to the knowledge of DSAQ, the other parties thereto, and is in full force and effect; (iii) DSAQ is not in breach or default in any material respect, and no event has occurred that with the passage of time or giving of notice or both would constitute such a breach or default in any material respect by DSAQ, or permit termination or acceleration by the other party, under such DSAQ Material Contract; and (iv) to the Knowledge of DSAQ, no other party to any DSAQ Material Contract is in breach or default in any material respect, and no event has occurred that with the passage of time or giving of notice or both would constitute such a breach or default by such other party, or permit termination or acceleration by DSAQ under any DSAQ Material Contract.

Section 4.12 Business Activities.

(a) Since its incorporation, DSAQ has not conducted any business activities other than activities related to DSAQ's initial public offering, existence as a public company, or directed toward the accomplishment of a business combination.

(c) DSAQ does not own or lease any real property or material personal property.

Section 4.13 Employee Benefit Plans. DSAQ has not ever had any employees. DSAQ does not maintain, sponsor or contribute to, any Benefit Plan or employee benefit plan (as defined in Section 3(3) of ERISA, whether or not subject to ERISA) or any other plan, policy, program, arrangement or agreement that provides compensation and/or benefits to any current or former employee, officer, director or individual independent contractor thereof ("DSAQ Benefit Plans"), nor does DSAQ have any obligation or commitment to create or adopt any such DSAQ Benefit Plan.

Section 4.14 Taxes.

(a) All material Tax Returns required by Law to be filed by DSAQ have been timely filed (after giving effect to any valid extensions of time in which to make such filings), and all such Tax Returns are true, correct and complete in all material respects.

(e) DSAQ is not a party to, or bound by, any Tax allocation, Tax sharing, Tax indemnification or similar agreement that will remain in effect after the Closing Date (other than customary provisions in agreements the primary purpose of which does not relate to Taxes).

(f) DSAQ is not engaged in any material audit, administrative Proceeding or judicial Proceeding with respect to a material amount of Taxes. DSAQ has not received any written notice from a Governmental Authority of a dispute or claim with respect to a material amount of Taxes, other than disputes or claims that have since been resolved.

(i) DSAQ has not taken any action (or permitted any action to be taken) or failed to take any action, nor is DSAQ aware of any fact, plan or circumstance, which action, failure to act, fact, plan or circumstance would reasonably be expected to prevent the Merger, together with the Note Conversion and the Pre-Closing Reorganization, from qualifying for the U.S. Intended Tax Treatment, in each case other than as contemplated by this Agreement or any other Transaction Document.

(j) DSAQ will not be required to pay any Tax after the Closing Date as a result of (i) the delay of payment of employment Taxes under any COVID-19 Measure or any similar notice or order or law or (ii) the advance refunding or receipt of credits under any COVID-19 Measure.

Section 4.15 Absence of Changes. Since December 31, 2022 and through the date of this Agreement, (a) there has not been any event or occurrence that has had, or would reasonably be expected to have, individually or in the aggregate, a DSAQ Material Adverse Effect and (b) except as expressly contemplated by this Agreement, any other Transaction Document or in connection with the Transactions, DSAQ has conducted its business in the ordinary course in all material respects, other than due to any actions taken due to any COVID-19 Measure.

(c) Notwithstanding anything in this Agreement to the contrary, nothing set forth in this Agreement shall give DSAQ, directly or indirectly, the right to control or direct the operations of any member of the Blade Group during the Interim Period.

Section 5.02 Trust Account Waiver. Each of PubCo, IndiaCo, Blade India and Merger Sub acknowledges that DSAQ is a blank check company with the power and privileges to effect a business combination, and that such Party has read the IPO Prospectus, DSAQ SEC Reports, DSAQ's Governing Documents and the Trust Agreement and understands that DSAQ has established the Trust Account described therein for the benefit of DSAQ's public shareholders and that disbursements from the Trust Account are available only in the limited circumstances set forth in the Trust Agreement. Each of PubCo, IndiaCo, Blade India and Merger Sub further acknowledges that, if the Transactions, or, in the event this Agreement is terminated pursuant to its terms, another business combination is not consummated by the last date for DSAQ to consummate its business combination pursuant to DSAQ's Governing Documents (as amended by an Extension, if applicable), DSAQ shall be obligated to return to its stockholders the amounts being held in the Trust Account. Accordingly, each of PubCo, IndiaCo, Blade India and Merger Sub (on behalf of itself and its Affiliates), notwithstanding anything to the contrary in this Agreement, hereby waives any past, present or future claim of any kind against, and any right to access, the Trust Account or to collect from the Trust Account any monies that may be owed to them by DSAQ or any of its Affiliates for any reason whatsoever, and shall not seek recourse against the Trust Account at any time for any reason whatsoever, including for any Willful Breach of this Agreement; provided, that nothing herein shall serve to limit or prohibit PubCo's, IndiaCo's, Blade India's or Merger Sub's right to pursue a claim against DSAQ or any of its Affiliates for legal relief against assets held outside of the Trust Account (including from and after the consummation of a business combination other than as contemplated by this Agreement) or pursuant to Section 10.14 for specific performance or other injunctive relief (so long as such claim would not affect DSAQ's ability to fulfill its redemption obligations). This Section 5.02 shall survive the termination of this Agreement for any reason.

Section 5.03 DSAQ D&O Indemnification and Insurance.

(a) Each Party agrees that (i) all rights to indemnification or exculpation now existing in favor of the directors, officers, members, managers and employees of DSAQ, as provided in DSAQ's Governing Documents or otherwise in effect as of the Closing Date, in either case, solely with respect to any matters occurring on or prior to the Closing, shall survive the Transactions and shall continue in full force and effect from and after the Closing for a period of six (6) years and (ii) PubCo shall, and shall cause the Surviving SPAC to, perform and discharge all obligations to provide such indemnity and exculpation during such six-year period in each case to the maximum extent permitted by applicable Law. To the maximum extent permitted by applicable Law, during such six-year period, PubCo shall, and shall cause the Surviving SPAC to, advance expenses in connection with such indemnification as provided in DSAQ's Governing Documents. The indemnification and liability limitation or exculpation provisions of DSAQ's Governing Documents shall not, during such six-year period, be amended, repealed or otherwise modified after the Closing in any manner that would adversely affect the rights thereunder of individuals who, as of the Closing or at any time prior to the Closing, were directors or officers of DSAQ (the "DSAQ D&O Persons") to be so indemnified, have their liability limited or be exculpated with respect to any matters occurring on or prior to Closing and relating to the fact that such DSAQ D&O Person was a director or officer of DSAQ prior to the Closing, unless such amendment, repeal or other modification is required by applicable Law.

(b) PubCo shall not have any obligation under this Section 5.03 to any DSAQ D&O Person when and if a court of competent jurisdiction shall ultimately determine (and such determination shall have become final and non-appealable) that the indemnification of such DSAQ D&O Person in the manner contemplated hereby is prohibited by applicable Law.

(c) If PubCo or any of its respective successors or assigns (i) shall merge or consolidate with or merge into any other corporation or entity and shall not be the surviving or continuing corporation or entity of such consolidation or merger or (ii) shall Transfer all or substantially all of their respective properties and assets as an entity in one or a series of related transactions to any Person, then in each such case, proper provisions shall be made so that the successors or assigns of PubCo shall assume all of the obligations set forth in this Section 5.03.

(d) The DSAQ D&O Persons entitled to the indemnification, liability limitation, exculpation and insurance set forth in this Section 5.03 are intended to be third-party beneficiaries of this Section 5.03. This Section 5.03 shall survive the consummation of the Transactions and shall be binding on all successors and assigns of the Blade Group.

Section 5.04 Blade Group D&O Indemnification and Insurance.

(a) Each Party agrees that (i) all rights to indemnification or exculpation now existing in favor of the directors, officers, members, managers and employees of any member of the Blade Group, as provided in such any member of the Blade Group's Governing Documents or otherwise in effect as of the date of the Closing, in either case, solely with respect to any matters occurring on or prior to the Closing, shall survive the Transactions and shall continue in full force and effect from and after the Closing for a period of six (6) years and (ii) PubCo shall cause each other member of the Blade Group to perform and discharge all obligations to provide such indemnity and exculpation during such six-year period in each case to the maximum extent permitted by applicable Law. To the maximum extent permitted by applicable Law, during such six-year period, PubCo shall cause each member of the Blade Group to advance expenses in connection with such indemnification as provided in such member of the Blade Group's Governing Documents. The indemnification and liability limitation or exculpation provisions of the Blade Group's Governing Documents shall not, during such six-year period, be amended, repealed or otherwise modified after the Closing in any manner that would adversely affect the rights thereunder of individuals who, as of the Closing or at any time prior to the Closing, were directors or officers of any member of the Blade Group (the "Blade Group D&O Persons") to be so indemnified, have their liability limited or be exculpated with respect to any matters occurring on or prior to Closing and relating to the fact that such Blade Group D&O Person was a director or officer of any member of the Blade Group prior to the Closing, unless such amendment, repeal or other modification is required by applicable Law.

(b) PubCo shall not have any obligation under this Section 5.04 to any Blade Group D&O Person when and if a court of competent jurisdiction shall ultimately determine (and such determination shall have become final and non-appealable) that the indemnification of such Blade Group D&O Person in the manner contemplated hereby is prohibited by applicable Law.

(c) PubCo shall purchase, at or prior to the Closing, and maintain, or cause to be maintained, in effect for a period of six (6) years after the Closing Date, without any lapse in coverage, a “tail” policy providing directors’ and officers’ liability insurance coverage for the benefit of those Persons who are covered by any comparable insurance policies of DSAQ as of the date of this Agreement with respect to matters occurring on or prior to the Closing (the “DSAQ D&O Tail Policy”). Such “tail” policy shall provide coverage on terms (with respect to coverage and amount) that are substantially the same as (and no less favorable in the aggregate to the insured than) the coverage provided under DSAQ’s directors’ and officers’ liability insurance policies as of the date of this Agreement; provided, that PubCo shall not be obligated to pay a premium for such “tail” policy in excess of 300% of the most recent annual premium paid by DSAQ prior to the date of this Agreement and, in such event, PubCo shall purchase the maximum coverage available for 300% of the most recent annual premium paid by DSAQ prior to the date of this Agreement.

(d) If PubCo or any of its respective successors or assigns (i) shall merge or consolidate with or merge into any other corporation or entity and shall not be the surviving or continuing corporation or entity of such consolidation or merger or (ii) shall Transfer all or substantially all of their respective properties and assets as an entity in one or a series of related transactions to any Person, then in each such case, proper provisions shall be made so that the successors or assigns of PubCo shall assume all of the obligations set forth in this Section 5.04.

(e) The Blade Group D&O Persons entitled to the indemnification, liability limitation, exculpation and insurance set forth in this Section 5.04 are intended to be third-party beneficiaries of this Section 5.04. This Section 5.04 shall survive the consummation of the Transactions and shall be binding on all successors and assigns of the Blade Group.

Section 5.05 Financial Information

(a) by mutual written consent of PubCo and DSAQ;

(b) by written notice to PubCo from DSAQ, if any of the representations or warranties set forth in Article III shall not be true and correct or if any member of the Blade Group have failed to perform any covenant or agreement on the part of any member of the Blade Group set forth in this Agreement (including an obligation to consummate the Closing) such that the condition to Closing set forth in either Section 8.03(a) or Section 8.03(b) would not be satisfied at the Closing and the breach or breaches causing such representations or warranties not to be true and correct, or the failures to perform any covenant or agreement, as applicable, is (or are) not cured or cannot be cured prior to the earlier of (i) thirty (30) days after written notice thereof is delivered to PubCo by DSAQ and (ii) the Termination Date; provided, however, that DSAQ is not then in material breach of this Agreement;

(c) by written notice to DSAQ from PubCo, if any of the representations or warranties set forth in Article IV shall not be true and correct or if DSAQ has failed to perform any covenant or agreement on the part of DSAQ set forth in this Agreement (including an obligation to consummate the Closing) such that the condition to Closing set forth in either Section 8.02(a) or Section 8.02(b) would not be satisfied at the Closing and the breach or breaches causing such representations or warranties not to be true and correct, or the failures to perform any covenant or agreement, as applicable, is (or are) not cured or cannot be cured prior to the earlier of (i) thirty (30) days after written notice thereof is delivered to DSAQ and (ii) the Termination Date; provided, however, that no member of the Blade Group is then in material breach of this Agreement;

(d) by either DSAQ or PubCo, if the Transactions shall not have been consummated on or prior to March 28, 2024 (the "Termination Date"); provided, that the right to terminate this Agreement pursuant to this Section 9.01(d) shall not be available to (i) DSAQ if DSAQ's breach of any of its covenants or obligations under this Agreement shall have been the primary cause of the failure to consummate the Transactions on or before the Termination Date or (ii) PubCo if the breach by any member of the Blade Group of any of their respective covenants or obligations under this Agreement shall have been the primary cause of the failure to consummate the Transactions on or before the Termination Date; provided, further, that if an Extension is obtained pursuant to Section 7.09, the Termination Date shall be automatically extended to the earlier of (I) June 28, 2024, and (II) the last date for DSAQ to consummate its business combination pursuant to such Extension;

(e) by either DSAQ or PubCo, if any Governmental Authority shall have issued a Governmental Order or taken any other action enjoining, restraining or otherwise prohibiting the Transactions and such Governmental Order or other action shall have become final and nonappealable; provided, that the right to terminate this Agreement pursuant to this Section 9.01(e) shall not be available to (i) DSAQ if DSAQ's breach of any of its covenants or obligations under Section 7.02 shall have been the primary cause of the entry of such Governmental Order or (ii) PubCo if the breach by any member of the Blade Group of any of their respective covenants or obligations under Section 7.02 shall have been the primary cause of the entry of such Governmental Order; or

(f) by either DSAQ or PubCo, if the Special Meeting has been held (including any adjournment or postponement thereof) and has concluded, and the Pre-Closing DSAQ Holders have duly voted and the Required DSAQ Stockholder Approval was not obtained.

Section 9.02 Effect of Termination. Except as otherwise set forth in this Section 9.02 or Section 10.14, in the event of the termination of this Agreement pursuant to Section 9.01, this entire Agreement shall forthwith become void (and there shall be no Liability or obligation on the part of the Parties) with the exception of (a) Section 5.02 (No Claim Against the Trust Account), Section 7.07 (Confidentiality; Access to Information; Publicity), this Section 9.02 (Effect of Termination), Article X (Miscellaneous) and Section 1.01 (Definitions) (to the extent related to the foregoing), each of which shall survive such termination and remain valid and binding obligations of the Parties and (b) the Confidentiality Agreement, which shall survive such termination and remain valid and binding obligations of the parties thereto in accordance with its terms. Notwithstanding the foregoing or anything to the contrary herein, the termination of this Agreement pursuant to Section 9.01 shall not affect any Liability on the part of any Party for a Willful Breach of any covenant or agreement set forth in this Agreement prior to such termination or Actual Fraud with respect to the representations and warranties in Article III and Article IV.

ARTICLE X
MISCELLANEOUS

Section 10.01 Waiver. No (a) extension of time for the performance of any of the obligations or other acts of a Party set forth herein may be granted or (b) provision of this Agreement may be waived, as applicable, unless such extension or waiver, as applicable, is in writing and signed by or on behalf of the Party or Parties granting such extension or waiver (which granting party shall be (i) DSAQ in the case of an extension or waiver granted to any other Party or (ii) PubCo in the case of an extension or waiver granted to DSAQ). Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition of this Agreement. The failure of DSAQ, on the one hand, or PubCo, on the other hand, to assert any of its rights hereunder shall not constitute a waiver of such rights.

Section 10.02 Notices. All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given (and shall be deemed to have been duly given) by delivery in person, by email (having obtained electronic delivery confirmation thereof (i.e., an electronic record of the sender that the email was sent to the intended recipient thereof without an "error" or similar message that such email was not received by such intended recipient)), or by registered or certified mail (postage prepaid, return receipt requested) (upon receipt thereof) to the other Parties as follows:

Without limiting the foregoing, any Party may give any notice or other communication hereunder using any other means (including personal delivery, expedited courier, messenger service, ordinary mail or electronic mail), but no such notice or other communication shall be deemed to have been duly given unless and until it actually is received by the Party for whom it is intended.

Section 10.03 Assignment. No Party shall assign this Agreement or any part hereof without (a) in the case of any Party other than DSAQ, the prior written consent of DSAQ and (b) in the case of DSAQ, the prior written consent of PubCo, and any such assignment without such prior written consent shall be void. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and permitted assigns.

Section 10.04 Rights of Third Parties. This Agreement shall be binding upon and inure solely to the benefit of each Party and its successors and permitted assigns and, except as provided in Section 5.03 and Section 5.04, the last two sentences of this Section 10.04, Section 10.15 and Section 10.16, nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement. Sponsor shall be an express third-party beneficiary of Section 7.01, Section 7.07(d) and Section 10.05. Legal counsel identified in Section 10.18 shall be express third-party beneficiaries of Section 10.18.

Section 10.05 Expenses. Except as otherwise set forth in this Agreement, all fees and expenses incurred in connection with this Agreement, the other Transaction Documents, the Transactions and the Hunch Reorganization, including the fees and disbursements of counsel, financial advisors and accountants, shall be paid by the Party incurring such fees or expenses; provided, for the avoidance of doubt, that (a) if this Agreement is terminated in accordance with its terms, PubCo or the Principal Shareholders, as applicable, shall pay, or cause to be paid, all unpaid Blade Group Transaction Expenses and DSAQ shall pay, or cause to be paid, all unpaid DSAQ Transaction Expenses and (b) if the Closing occurs, then PubCo shall pay, or cause to be paid, all unpaid DSAQ Transaction Expenses and all unpaid Blade Group Transaction Expenses.

Section 10.06 Governing Law. This Agreement, and all claims or causes of action (whether in contract, tort or statute) that may be based upon, arise out of or relate to this Agreement, the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of, or relating to, any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement) or the Transactions, shall be governed by, and enforced in accordance with, the internal Laws of the State of Delaware, including its statutes of limitations, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the law of any jurisdiction other than the State of Delaware.

Section 10.07 Captions; Counterparts. The captions in this Agreement are for convenience only and shall not be considered a part of or affect the construction or interpretation of any provision of this Agreement. This Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Section 10.08 Exhibits and Schedules. All Exhibits and Schedules or documents expressly incorporated into this Agreement, are hereby incorporated into this Agreement and are hereby made a part hereof as if set out in full in this Agreement. The Schedules shall be arranged in Sections and subsections corresponding to the numbered and lettered Sections and subsections set forth in this Agreement. Any item disclosed in the Schedules corresponding to any Section or subsection of Article III (in the case of the Blade Group Disclosure Schedules) or Article IV (in the case of the DSAQ Disclosure Schedules) shall be deemed to have been disclosed with respect to every other Section and subsection of Article III (in the case of the Blade Group Disclosure Schedules) or Article IV (in the case of the DSAQ Disclosure Schedules), as applicable, where the relevance of such disclosure to such other Section or subsection is reasonably apparent on the face of the disclosure. The information and disclosures set forth in the Schedules that correspond to the section or subsections of Article III or Article IV may not be limited to matters required to be disclosed in the Schedules, and any such additional information or disclosure is for informational purposes only and does not necessarily include other matters of a similar nature.

Section 10.09 Entire Agreement. This Agreement (together with the Schedules and Exhibits to this Agreement), the other Transaction Documents and that certain Confidentiality Agreement, executed as of February 13, 2023, by and between DSAQ and Blade India (as amended, modified or supplemented from time to time, the "Confidentiality Agreement"), constitute the entire agreement among the Parties relating to the Transactions and supersede any other agreements, whether written or oral, that may have been made or entered into by or among any of the Parties or any of their respective Affiliates relating to the Transactions. No representations, warranties, covenants, understandings, agreements, oral or otherwise, relating to the Transactions exist between the Parties except as expressly set forth or referenced in this Agreement and the Confidentiality Agreement.

Section 10.10 Amendments. This Agreement may be amended or modified only by a written agreement executed and delivered by DSAQ, on the one hand, and PubCo and IndiaCo, on the other hand. This Agreement may not be modified or amended except as provided in the immediately preceding sentence and any purported amendment by any Party or Parties effected in a manner which does not comply with this Section 10.10 shall be void *ab initio*.

Section 10.11 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under applicable Law, but if any term or other provision of this Agreement is held to be invalid, illegal or unenforceable under applicable Law, all other provisions of this Agreement shall remain in full force and effect so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any Party. Upon such determination that any term or other provision of this Agreement is invalid, illegal or unenforceable under applicable Law, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in an acceptable manner in order that the Transactions are consummated as originally contemplated to the greatest extent possible.

Section 10.12 Jurisdiction. Any Proceeding based upon, arising out of, or relating to, this Agreement or the Transactions must be brought in the Court of Chancery of the State of Delaware (or, to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware), or, if it has or can acquire jurisdiction, in the United States District Court for the District of Delaware, and each of the Parties irrevocably (a) submits to the exclusive jurisdiction of each such court in any such Proceeding, (b) waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum in such courts, (c) agrees that all claims in respect of the Proceeding shall be heard and determined only in any such court and (d) agrees not to bring any Proceeding based upon, arising out of or relating to, this Agreement or the Transactions in any other court. Nothing herein contained shall be deemed to affect the right of any party to serve process in any manner permitted by Law or to commence Proceedings or otherwise proceed against any other party in any other jurisdiction, in each case, to enforce judgments obtained in any Proceeding brought pursuant to this Section 10.12.

Section 10.13 Waiver of Jury Trial. EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, PROCEEDING OR CAUSE OF ACTION BASED UPON, ARISING OUT OF, OR RELATING TO, THIS AGREEMENT OR THE TRANSACTIONS, IN EACH CASE, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY, OR OTHERWISE. EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, PROCEEDING OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT THE PARTIES MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH

OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 10.13.

Section 10.14 Enforcement. The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the Parties do not perform their obligations under the provisions of this Agreement (including failing to take such actions as are required of them hereunder to consummate the Transactions) or any other Transaction Document in accordance with its specified terms or otherwise breach such provisions. The Parties acknowledge and agree that (a) the Parties shall be entitled to an injunction, specific performance, or other equitable relief, to prevent breaches of this Agreement or any other Transaction Document and to enforce specifically the terms and provisions hereof and thereof, without proof of damages, prior to the valid termination of this Agreement in accordance with Section 9.01, this being in addition to any other remedy to which they are entitled under this Agreement or any other Transaction Document and (b) the right of specific enforcement is an integral part of the Transactions and without that right, none of the Parties would have entered into this Agreement. Each Party agrees that it shall not oppose the granting of specific performance and other equitable relief on the basis that the other Parties have an adequate remedy at Law or that an award of specific performance is not an appropriate remedy for any reason at Law or equity. The Parties acknowledge and agree that any Party seeking an injunction to prevent breaches of this Agreement or any other Transaction Document and to enforce specifically the terms and provisions of this Agreement or any other Transaction Document in accordance with this Section 10.14 shall not be required to provide any bond or other security in connection with any such injunction.

Section 10.15 Non-Recourse. Subject in all respects to the last sentence of this Section 10.15, this Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or relating to, this Agreement or the Transactions may only be brought against, the entities that are expressly named as Parties and then only with respect to the specific obligations set forth herein with respect to such Party. Except to the extent a Party (and then only to the extent of the specific obligations undertaken by such Party in this Agreement), (a) no past, present or future director, officer, employee, incorporator, member, partner, shareholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any Party and (b) no past, present or future director, officer, employee, incorporator, member, partner, shareholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any of the foregoing shall have any Liability (whether in contract, tort, equity or otherwise) for any of the representations, warranties, covenants, agreements or other obligations or liabilities of any Party under this Agreement or for any claim based upon, arising out of, or relating to, this Agreement or the Transactions. Notwithstanding the foregoing, nothing in this Section 10.15 shall limit, amend or waive any rights or obligations of any party to any other Transaction Document with respect to the other parties thereto.

Section 10.16 Nonsurvival of Representations, Warranties and Covenants. None of the representations, warranties, covenants, obligations or other agreements in this Agreement or in any certificate, statement or instrument delivered pursuant to this Agreement, including any rights arising out of any breach of such representations, warranties, covenants, obligations, agreements or other provisions, shall survive the Closing, and all of the representations, warranties, covenants, obligations or other agreements in this Agreement or in any certificate, statement or instrument delivered pursuant to this Agreement, including any rights arising out of any breach of such representations, warranties, covenants, obligations, agreements or other provisions, shall terminate and expire upon the occurrence of the Closing (and there shall be no Liability after the Closing in respect thereof), in each case, except for (a) those covenants and agreements contained herein that by their terms expressly apply in whole or in part at or after the Closing, and then only with respect to any breaches occurring at or after the Closing and (b) this Article X, which, in each case, shall survive the Closing.

Section 10.17 Acknowledgements.

(a) Each of the Parties acknowledges and agrees (on its own behalf and on behalf of its respective Affiliates and its and their respective Representatives) that (i) it has conducted its own independent investigation of the financial condition, results of operations, assets, liabilities, properties and projected operations of the other Parties (and their respective Subsidiaries) and has been afforded satisfactory access to the books and records, facilities and personnel of the other Parties (and their respective Subsidiaries) for purposes of conducting such investigation, (ii) the representations and warranties of PubCo, IndiaCo, Blade India and Merger Sub in Article III constitute the sole and exclusive representations and warranties of the Principal Shareholders, PubCo, IndiaCo, Blade India and Merger Sub in connection with the Transactions, (iii) the representations and warranties of DSAQ in Article IV constitute the sole and exclusive representations and warranties of DSAQ in connection with the Transactions, (iv) except for the representations and warranties of the Principal Shareholders, PubCo, IndiaCo, Blade India and Merger Sub in Article III and the representations and warranties of DSAQ in Article IV, none of the Parties or any other Person makes, or has made, any other express or implied representation or warranty with respect to any Party (or any Party's Subsidiaries), including any implied warranty or representation as to condition, merchantability, suitability or fitness for a particular purpose or trade as to any of the assets of such Party or its Subsidiaries or the Transactions and all other representations and warranties of any kind or nature expressed or implied (including (A) regarding the completeness or accuracy of, or any omission to state or to disclose, any information, including in the estimates, projections or forecasts or any other information, document or material provided to or made available to any Party or their respective Affiliates or Representatives in certain "data rooms," management presentations or in any other form in expectation of the Transactions, including meetings, calls or correspondence with management of any Party (or any Party's Subsidiaries) and (B) relating to the future or historical business, condition (financial or otherwise), results of operations, prospects, assets or liabilities of any Party (or its Subsidiaries), or the quality, quantity or condition of any Party's or its Subsidiaries' assets) are specifically disclaimed by all Parties and their respective Subsidiaries and all other Persons (including the Representatives and Affiliates of any Party or its Subsidiaries) and (v) each Party and its respective Affiliates are not relying on any representations and warranties in connection with the Transactions except the representations and warranties of PubCo, IndiaCo, Blade India and Merger Sub in Article III and the representations and warranties of DSAQ in Article IV. Except as otherwise expressly set forth in this Agreement, DSAQ understands and agrees that any assets, properties and business of the Blade Group are furnished "as is," "where is" and subject to and except for the representations and warranties of PubCo, IndiaCo, Blade India and Merger Sub in Article III or as provided in any certificate delivered in accordance with Section 8.03(e) with all faults and without any other representation or warranty of any nature whatsoever. Nothing in this Section 10.17(a) shall relieve any Party of liability in the case of Actual Fraud committed by such Party.

(b) The Blade Group acknowledge that any restatement, revision or other modification of the DSAQ SEC Reports or Additional DSAQ SEC Reports in connection with the review of any agreements, orders, comments or other guidance from the staff of the SEC, whether made prior to or following the date of this Agreement, regarding the accounting policies of DSAQ included in any DSAQ SEC Report or Additional DSAQ SEC Report shall be deemed not material for purposes of this Agreement.

(c) Effective upon Closing, each of the Parties waives, on its own behalf and on behalf of its respective Affiliates and Representatives, to the fullest extent permitted under applicable Law, any and all rights, Proceedings and causes of action it may have against any other Party or their respective Subsidiaries and any of their respective current or former Affiliates or Representatives relating to the operation of any Party or its Subsidiaries or their respective businesses prior to the Closing or relating to the subject matter of this Agreement, the Schedules or the Exhibits to this Agreement, whether arising under or based upon any federal, state, local or foreign Law or otherwise. Each Party acknowledges and agrees that it shall not assert, institute or maintain any Proceeding of any kind whatsoever, including a counterclaim, cross-claim, or defense, regardless of the legal or equitable theory under which such liability or obligation may be sought to be imposed, that makes any claim contrary to the agreements and covenants set forth in this [Section 10.17](#). Notwithstanding anything herein to the contrary, nothing in this [Section 10.17\(c\)](#) shall preclude any Party from seeking any remedy for Actual Fraud by a Party solely and exclusively with respect to the making of any representation or warranty by it in [Article III](#) or [Article IV](#) (as applicable). Each Party shall have the right to enforce this [Section 10.17](#) on behalf of any Person that would be benefitted or protected by this [Section 10.17](#) if they were a party hereto. The foregoing agreements, acknowledgements, disclaimers and waivers are irrevocable. For the avoidance of doubt, nothing in this [Section 10.17](#) shall limit, modify, restrict or operate as a waiver with respect to, any rights any Party may have under any written agreement entered into in connection with the transactions that are contemplated by this Agreement, including any other Transaction Document.

Section 10.18 Conflicts and Privilege.

(a) The Parties acknowledge and agree, on behalf of their respective successors and assigns (including, after the Closing, the Surviving SPAC), that, in the event a dispute with respect to this Agreement, the Transactions or the Hunch Reorganization arises after the Closing between or among (i) Sponsor, the former shareholders or holders of other equity interests of DSAQ or stockholders or holders of other equity interests of Sponsor and/or any of the foregoing persons respective directors, members, partners, officers, employees or Affiliates (other than the Principal Shareholder or the Blade Group) (collectively, the “[DSAQ Group](#)”), on the one hand, and (ii) PubCo and/or any member of the Principal Shareholder Group, on the other hand, any legal counsel, including Kirkland & Ellis LLP (“[Kirkland](#)”), that represented DSAQ and/or Sponsor prior to the Closing may represent Sponsor and/or any member of the DSAQ Group in such dispute even though the interests of such Persons may be directly adverse to PubCo or the Surviving SPAC, and even though such counsel may have represented PubCo and/or the Surviving SPAC in a matter substantially related to such dispute, or may be handling ongoing matters for

PubCo or the Surviving SPAC and/or the Sponsor. The Parties, on behalf of their respective successors and assigns (including, after the Closing, the Surviving SPAC), further agree that, as to all legally privileged communications prior to the Closing (made in connection with the negotiation, preparation, execution, delivery and performance under, or any dispute or Proceeding based upon, arising out of, or relating to, this Agreement, any other Transaction Document, the Transactions or the Hunch Reorganization) between or among Sponsor and/or any other member of the DSAQ Group, on the one hand, and Kirkland, on the other hand (the "Kirkland Privileged Communications"), the attorney/client privilege and the expectation of client confidence shall survive the Transactions and belong to the DSAQ Group after the Closing, and shall not pass to or be claimed or controlled by PubCo. Notwithstanding the foregoing, any privileged communications or information shared by PubCo prior to the Closing with DSAQ or Sponsor under a common interest agreement shall remain the privileged communications or information of PubCo. PubCo, together with any of its Affiliates, Subsidiaries, successors or assigns, agree that no Person may use or rely on any of the Kirkland Privileged Communications, whether located in the records or email server of PubCo, the Surviving SPAC or their respective Subsidiaries, in any Proceeding against or involving any of the Parties after the Closing, and PubCo agree not to assert that any privilege has been waived as to the Kirkland Privileged Communications, by virtue of the Transactions.

(b) The Parties acknowledge and agree, on behalf of their respective successors and assigns (including, after the Closing, the Surviving SPAC), that, in the event a dispute with respect to this Agreement, the Transactions or the Hunch Reorganization arises after the Closing between or among (i) the Principal Shareholders, the former shareholders or holders of other equity interests of the Principal Shareholders and/or any of the foregoing persons respective directors, members, partners, officers, employees or Affiliates (other than the Blade Group) (collectively, the "Principal Shareholder Group"), on the one hand, and (ii) the Blade Group and/or any member of the DSAQ Group, on the other hand, any legal counsel, including Ellenoff Grossman & Schole LLP ("Ellenoff") that represented the Blade Group or the Principal Shareholders prior to the Closing may represent any member of the Principal Shareholder Group in such dispute even though the interests of such Persons may be directly adverse to the Blade Group, and even though such counsel may have represented PubCo in a matter substantially related to such dispute, or may be handling ongoing matters for PubCo. The Parties, on behalf of their respective successors and assigns (including, after the Closing, the Surviving SPAC), further agree that, as to all legally privileged communications prior to the Closing (made in connection with the negotiation, preparation, execution, delivery and performance under, or any dispute or Proceeding based upon, arising out of, or relating to, this Agreement, any other Transaction Document, the Transactions or the Hunch Reorganization) between or among the Principal Shareholder and/or the Blade Group and/or any other member of the Principal Shareholder Group, on the one hand, and Ellenoff, on the other hand (the "Ellenoff Privileged Communications"), the attorney/client privilege and the expectation of client confidence shall survive the Transactions and belong to the Principal Shareholder Group after the Closing, and shall not pass to or be claimed or controlled by PubCo. Notwithstanding the foregoing, any privileged communications or information shared by DSAQ prior to the Closing with PubCo under a common interest agreement shall remain the privileged communications or information of DSAQ. PubCo, together with any of its Affiliates, Subsidiaries, successors or assigns, agree that no Person may use or rely on any of the Ellenoff Privileged Communications, whether located in the records or email server of PubCo, the Surviving SPAC or their respective Subsidiaries, in any Proceeding against or involving any of the Parties after the Closing, and PubCo agrees not to assert that any privilege has been waived as to the Ellenoff Privileged Communications, by virtue of the Transactions.

- (a) priority in any payment of any dividend or other distribution on any other class of shares in the capital of the Company;

- (b) participate in the payment of any dividend paid to the holders of A Ordinary Shares (whether paid in cash or otherwise) as they would have been entitled to if all the Convertible Preferred Shares registered in their name had been converted into A Ordinary Shares at the Conversion Rate then applicable; and
- (c) a cumulative preferred dividend at the rate of 10% (ten per cent) per annum (the **“Preferred Dividend”**) payable quarterly based on USD10.00 per Convertible Preferred Share and calculated on a daily basis from the date of issuance of the Convertible Preferred Share. At the option of the Board, the Preferred Dividend may be paid in respect of each quarter (i) where there are distributable reserves, in cash (in USD) and/or (ii) subject to the rules and regulations of any Exchange on which the A Ordinary Shares in the capital of the Company or other securities of the Company are listed or under the United States securities laws and regulations, as may be applicable, and applicable law, the Board may direct payment of the Preferred Dividend wholly or partly by the allotment of a number of Convertible Preferred Shares credited as fully-paid (a **“PIK Dividend”**). Payments of Preferred Dividends shall be made to holders on the register at any date selected by the Board up to [•] days prior to the payment of the Preferred Dividend.

26.2 Subject to Article 26.1., the holders of Convertible Preferred Shares shall not be entitled to any further right of participation in the profits of the Company.

-
- 26.5 The holders of the Convertible Preferred Shares shall have the right to vote with the holders of A Ordinary Shares at any general meeting of the Company, as if they were members of a single class.
- 26.6 The holders of Convertible Preferred Shares shall be entitled to vote as a separate class to any other class of shares if a resolution is to be proposed abrogating, varying or modifying any of the rights or privileges of the holders of the Convertible Preference Shares, or for liquidation, dissolution or winding up of the Company, whether voluntary or involuntary, in which case they shall only be entitled to vote on such resolution as a separate class.

Liquidation Rights

- 26.7 On a return of capital on a liquidation, dissolution or winding up of the Company, whether voluntary or involuntary (other than on conversion, redemption or purchase of shares) of the Company prior to the third anniversary of Closing (as defined in the BCA), the holders of the Convertible Preferred Shares shall be entitled in priority to any payment to the holders of any other class of shares to the greater of:
- (a) a sum equal to the aggregate of (i) USD10.00 per Convertible Preferred Share; and (ii) all unpaid arrears and accruals (if any) of the Preferred Dividend in respect of the Convertible Preferred Shares held by them respectively whether or not such Preferred Dividends have been declared or become due and payable to be calculated down to and including the date of the third anniversary of Closing (as defined in the BCA); and
 - (b) the amounts payable in respect of such number of A Ordinary Shares to which the holders of the Convertible Preferred Shares would have been entitled to on a conversion of such Convertible Preferred Shares into A Ordinary Shares at the Conversion Rate immediately prior to such liquidation, dissolution or winding up of the Company.
- 26.8 On a return of capital on a liquidation, dissolution or winding up of the Company, whether voluntary or involuntary (other than on conversion, redemption or purchase of shares) of the Company after the third anniversary of Closing (as defined in the BCA), the holders of the Convertible Preferred Shares shall be entitled in priority to any payment to the holders of any other class of shares to such amounts payable in respect of such number of A Ordinary Shares to which the holders of the Convertible Preferred Shares would have been entitled to on a conversion of such Convertible Preferred Shares into A Ordinary Shares at the Conversion Rate immediately prior to such liquidation, dissolution or winding up of the Company.

Conversion

- 26.9 Subject as hereinafter provided, each holder of Convertible Preferred Shares shall, at any time, be entitled to convert all or (subject as provided below) any of their Convertible Preferred Shares into fully-paid A Ordinary Shares at the Conversion Rate provided that if a Conversion Notice (as described in sub-paragraph 26.11 below) is given in respect of part only of a holding of Convertible Preferred Shares, treating holdings of the same holder or joint holders in uncertificated form as separate holdings unless the Directors otherwise determine, so that there would following the conversion remain a number of Convertible Preferred Shares in that holding smaller than that required to convert into one A Ordinary Share at the Conversion Rate then applicable, all the Convertible Preferred Shares in that holding shall be converted notwithstanding the figure inserted in the Conversion Notice.

- 26.10 For the purposes of the following Articles, a “**Conversion Date**” shall be such date set out in the Conversion Notice provided that such date shall not fall on a Saturday, Sunday or a day which is a public holiday in Ireland or the United States, in which case the Conversion Date shall be the first business day following such day.
- 26.11 The right to convert shall be exercisable on any Conversion Date by sending to the Company or its agent at any time a properly authenticated dematerialised instruction (or other notification specified by the Company) in such agreed form between the Company and the holder(s) of the Convertible Preferred Shares (the “**Conversion Notice**”). A Conversion Notice once given may not be withdrawn without consent in writing of the Company.
- 26.12 The Directors may require all (but not only some) of the issued Convertible Preferred Shares to convert into fully paid up A Ordinary Shares:
- (a) following the third anniversary of Closing (as defined in the BCA), at the Conversion Rate provided that the volume weighted average price of the A Ordinary Shares (on the Exchange on which the A Ordinary Shares are listed) exceeds USD18.00 (eighteen United States Dollars) for any twenty (20) trading days during a thirty (30) trading day period; and
 - (b) prior to the third anniversary of Closing (as defined in the BCA), at the Conversion Rate as adjusted to include a sum equal to all unpaid arrears and accruals (if any) of the Preferred Dividend in respect of the Convertible Preferred Shares whether or not such Preferred Dividend has been declared or earned or become due and payable, to be calculated down to and including the date of the third anniversary of Closing (as defined in the BCA), provided that the volume weighted average price of the A Ordinary Shares (on the Exchange on which the A Ordinary Shares are listed) exceeds USD18.00 (eighteen United States Dollars) for any twenty (20) trading days during a thirty (30) trading day period.
- 26.13 Upon a Company Change of Control, the Convertible Preferred Shares shall all automatically convert into fully-paid A Ordinary Shares at the Conversion Rate.
- 26.14 Conversion of any Convertible Preferred Shares shall be effected in such manner as the Directors shall from time to time determine in accordance with the Articles 26.15 through 26.18 or otherwise as may be authorised by law (and by the requirements of the relevant system concerned in the case of uncertificated shares).
- 26.15 No holder of a Convertible Preferred Share shall be entitled to any fractions of A Ordinary Shares on conversion of any Convertible Preferred Shares and shall instead be entitled to such number of A Ordinary Shares rounded down in the aggregate to the nearest whole A Ordinary Share.
- 26.16 The Preferred Dividend on any Convertible Preferred Shares converted (whatever the manner of conversion) shall cease to accrue with effect from the Business Day last preceding the relevant Conversion Date. The A Ordinary Shares arising on such conversion shall rank pari passu in all respects with the A Ordinary Shares then in issue and shall entitle the holder to all dividends and (unless an adjustment shall have been made in respect thereof under sub-Article 26.18) other distributions payable on the A Ordinary Shares in respect of the financial year of the Company in which the Conversion Date falls, but not any dividends or distributions in respect of any earlier financial year.

- 26.17 Allotments of A Ordinary Shares arising from conversion (whatever the manner of conversion) shall be effected within 14 days of the Conversion Date. Unless the Directors otherwise determine, or unless the regulations or the rules of the relevant system concerned otherwise require, A Ordinary Shares arising on conversion of uncertificated Convertible Preferred Shares shall be in uncertificated form. Transfers shall be certified against the Register.
- 26.18 If, whilst any Convertible Preferred Shares remain capable of being converted into A Ordinary Shares, a Reorganisation Event occurs, the number of A Ordinary Shares to be issued on any subsequent conversion of Convertible Preferred Shares shall be reduced or increased pro rata and, if any doubt shall arise as to the number thereof, the certificate of the Auditors or such independent firm of accountants (as the Board may decide) shall be conclusive and binding on all concerned.
- 26.19 In the event the A Ordinary Shares are replaced or substituted with another security or class of security in the capital of the Company, the Convertible Preferred Shares shall be convertible into such other security or class of security. If, whilst any Convertible Preferred Shares remain capable of being converted into such other security or class of security, a Reorganisation Event occurs, the number of such other security or class of security to be issued on any subsequent conversion of Convertible Preferred Shares shall be (a) reduced or increased pro rata; and (b) no less than the number of A Ordinary Shares to which the holders of the Convertible Preferred Shares would have been entitled to had the A Ordinary Shares not been replaced or substituted with such other security or class of security, and, if any doubt shall arise as to the number thereof, the certificate of the Auditors or such independent firm of accountants (as the Board may decide) shall be conclusive and binding on all concerned. For the purposes of this Article 26.19, all references to the A Ordinary Shares in the definition of a "Reorganisation Event" shall be replaced with such other security or class of security, as applicable.
- 26.20 The Company may offer to redeem any Convertible Preferred Share and any Convertible Preferred Share shall be deemed to be a Redeemable Share on, and from the time of, the existence or creation of an agreement, transaction or trade between the Company and any person (who may or may not be a member) pursuant to which the Company acquires or will acquire such Convertible Preferred Share in the capital of the Company, save for an acquisition for nil consideration pursuant to section 102(1)(a) of the Act. In these circumstances, the acquisition of such Convertible Preferred Share by the Company, save where acquired for nil consideration in accordance with the Act, shall constitute the redemption of a Redeemable Share in accordance with Chapter 6 of Part 3 of the Act. No resolution, whether special or otherwise, shall be required to be passed to deem any Convertible Preferred Share in the capital of the Company a Redeemable Share.

RIGHTS ATTACHING TO DEFERRED SHARES

27. The Deferred Shares shall have the rights and privileges and be subject to the restrictions set out in this Article 27:
- 27.1 the Deferred Shares are non-voting shares and do not convey upon the holder the right to be paid a dividend or to receive notice of or to attend, vote or speak at a general meeting;

- 27.2 the Deferred Shares confer the right on a return of capital, on a winding-up or otherwise, only to the repayment of the nominal value paid up on the Deferred Shares after repayment of the nominal value of the Ordinary Shares and the Convertible Preferred Shares; and
- 27.3 any Director (the “Agent”) is appointed the attorney of the holder of a Deferred Share, with an irrevocable instruction to the Agent to execute all or any forms of transfer and/or renunciation and/or surrender and/or other documents in the Agent’s discretion in relation to the Deferred Shares in favour of the Company or as it may direct and to deliver such forms of transfer and/or renunciation and/or surrender and/or other documents together with any certificate(s) and/or other documents for registration and to do all such other acts and things as may in the reasonable opinion of the Agent be necessary or expedient for the purpose of, or in connection with, the surrender of the Deferred Shares, the purchase by the Company of the Deferred Shares for nil consideration or such other consideration as the Board may determine and to vest the said Deferred Shares in the Company.
28. Without prejudice to any special rights conferred on the members of any existing shares or class of shares and subject to the provisions of the Act, any share may be issued with such rights or restrictions as the Company may by ordinary resolution determine.

ALLOTMENT AND ACQUISITION OF SHARES

29. The following provisions shall apply:
- 29.1 Subject to the provisions of these Articles relating to new shares, the shares shall be at the disposal of the Directors, and they may (subject to the provisions of the Act) allot, grant options over or otherwise dispose of them to such persons, on such terms and conditions and at such times as they may consider to be in the best interests of the Company and its members, but so that no share shall be issued at a discount and so that, in the case of shares offered to the public for subscription, the amount payable on application on each share shall not be less than one-quarter of the nominal amount of the share and the whole of any premium thereon.
- 29.2 Without prejudice to the generality of the powers conferred on the Directors by other paragraphs of these Articles, and subject to any requirement to obtain the approval of the members under any laws, regulations or the rules of any Exchange, the Directors may grant from time to time options to subscribe for the unallotted shares in the capital of the Company to Directors and other persons in the service or employment of the Company or any subsidiary or associate company of the Company on such terms and subject to such conditions as may be approved from time to time by the Directors or by any committee thereof appointed by the Directors for the purpose of such approval and on the terms and conditions required to obtain the approval of any statutory authority in any jurisdiction.
- 29.3 Subject to the provisions of these Articles including but not limited to Article 20, the Directors are hereby generally and unconditionally authorised to exercise all the powers of the Company to allot relevant securities within the meaning of section 1021 of the Act. The maximum amount of relevant securities which may be allotted under the authority hereby conferred shall be the amount of the authorised but unissued share capital of the Company at the Adoption Date. The authority hereby conferred shall expire on the date which is five (5) years after the Adoption Date unless and to the extent that such authority is renewed, revoked or extended prior to such date. The Company may before such expiry make an offer or agreement which would or might require relevant securities to be allotted after such expiry and the Directors may allot relevant securities in pursuance of such offer or agreement, notwithstanding that the authority hereby conferred has expired.

-
- 29.4 The Directors are hereby empowered pursuant to sections 1022 and 1023 of the Act to allot equity securities (within the meaning of the said section 1023) for cash pursuant to the authority conferred by Article 29.3 as if section 1022(1) of the Act did not apply to any such allotment. The authority conferred by this Article 29.4 shall expire on the date which is five (5) years after the Adoption Date, unless previously renewed, varied or revoked; provided that the Company may before the expiry of such authority make an offer or agreement which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities in pursuance of such an offer or agreement as if the power conferred by this Article 29.4 had not expired.
- 29.5 The Company may issue permissible letters of allotment (as defined by section 1019 of the Act) to the extent permitted by the Act.
- 29.6 Unless otherwise determined by the Directors or the rights attaching to or by the terms of issue of any particular shares, or to the extent required by the Act, any Exchange, depository or any operator of any clearance or settlement system, no person whose name is entered as a member in the Register shall be entitled to receive a share certificate for any shares of any class held by him or her in the capital of the Company (nor on transferring part of a holding, to a certificate for the balance).
- 29.7 Any share certificate, if issued, shall specify the number of shares in respect of which it is issued and the amount paid thereon or the fact that they are fully paid, as the case may be, and may otherwise be in such form as shall be determined by the Directors. Such certificates may be under seal. All certificates for shares in the capital of the Company shall be consecutively numbered or otherwise identified and shall specify the shares in the capital of the Company to which they relate. The name and address of the person to whom the shares represented thereby are issued, with the number of shares and date of issue, shall be entered in the Register. All certificates surrendered to the Company for transfer shall be cancelled and no new certificate shall be issued until the former certificate for a like number of shares in the capital of the Company shall have been surrendered and cancelled. The Directors may authorise certificates to be issued with the seal and authorised signature(s) affixed by some method or system of mechanical process. In respect of a share or shares in the capital of the Company held jointly by several persons, the Company shall not be bound to issue a certificate or certificates to each such person, and the issue and delivery of a certificate or certificates to one of several joint holders shall be sufficient delivery to all such holders. If a share certificate is defaced, worn out, lost or destroyed, it may be renewed on such terms (if any) as to evidence and indemnity and on the payment of such expenses reasonably incurred by the Company in investigating such evidence, as the Directors may prescribe, and, in the case of defacement or wearing out, upon delivery of the old certificate.
30. The Company:
- 30.1 may give financial assistance for the purpose of an acquisition of its shares or, where the Company is a subsidiary, its holding company where permitted by sections 82 and 1043 of the Act, and
- 30.2 is authorised, for the purposes of section 105(4)(a) of the Act, but subject to section 1073 of the Act, to acquire its own shares.

-
31. The Directors (and any committee established under Article 201 and so authorised by the Directors and any person so authorised by the Directors or such committee) may without prejudice to Article 183:
- 31.1 allot, issue, grant options over and otherwise dispose of shares in the Company; and
- 31.2 exercise the Company's powers under Article 29,
- on such terms and subject to such conditions as they think fit, subject only to the provisions of the Act and these Articles.
32. Unless the Board determines otherwise, any share in the capital of the Company shall be deemed to be a Redeemable Share on, and from the time of, the existence or creation of an agreement, transaction or trade between the Company and any person (who may or may not be a member) pursuant to which the Company acquires or will acquire a share in the capital of the Company, or an interest in shares in the capital of the Company, from the relevant person, save for an acquisition for nil consideration pursuant to section 102(1)(a) of the Act. In these circumstances, the acquisition of such shares by the Company, save where acquired for nil consideration in accordance with the Act, shall constitute the redemption of a Redeemable Share in accordance with Chapter 6 of Part 3 of the Act. No resolution, whether special or otherwise, shall be required to be passed to deem any share in the capital of the Company a Redeemable Share.

VARIATION OF CLASS RIGHTS

33. Without prejudice to the authority conferred on the Directors pursuant to Article 23 to issue Preferred Shares in the capital of the Company, where the shares in the Company are divided into different classes, the rights attaching to a class of shares may only be varied or abrogated if (a) the holders of 75% in nominal value of the issued shares of that class consent in writing to the variation, or (b) a special resolution, passed at a separate general meeting of the holders of that class, sanctions the variation. The quorum at any such separate general meeting, other than an Adjourned Meeting, shall be two persons holding or representing by proxy at least one-third in nominal value of the issued shares of the class in question and the quorum at an Adjourned Meeting shall be one person holding or representing by proxy shares of the class in question or that person's proxy. The rights conferred upon the holders of any class of shares issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by a purchase or redemption by the Company of its own shares or by the creation or issue of further shares ranking *pari passu* therewith or subordinate thereto.
34. The redemption or purchase of Preferred Shares or any class or series of Preferred Shares shall not constitute a variation of rights of the holders of Preferred Shares.
35. The issue, redemption or purchase of any of the Preferred Shares shall not constitute a variation of the rights of the holders of Ordinary Shares and Convertible Preference Shares.
36. The issue of Preferred Shares or any class or series of Preferred Shares which rank *pari passu* with, or junior to, any existing Preferred Shares or class of Preferred Shares shall not constitute a variation of the existing Preferred Shares or class of Preferred Shares.
37. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith.

TRUSTS NOT RECOGNISED

38. Except as required by law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any interest in any fractional part of a share or (except only as by these Articles or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the member. This shall not preclude (i) the Company from requiring the members or a transferee of shares to furnish the Company with information as to the beneficial ownership of any share when such information is reasonably required by the Company, or (ii) the Directors, where they consider it appropriate, providing the information given to the members of shares to the holders of depositary instruments in such shares.

CALLS ON SHARES

39. The Directors may from time to time make calls upon the members in respect of any consideration unpaid on their shares in the Company (whether on account of the nominal value of the shares or by way of premium), provided that in the case where the conditions of allotment or issuance of shares provide for the payment of consideration in respect of such shares at fixed times, the Directors shall only make calls in accordance with such conditions.
40. Each member shall (subject to receiving at least thirty days' notice specifying the time or times and place of payment, or such lesser or greater period of notice provided in the conditions of allotment or issuance of the shares) pay to the Company, at the time or times and place so specified, the amount called on the shares.
41. A call may be revoked or postponed, as the Directors may determine.
42. Subject to the conditions of allotment or issuance of the shares, a call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed and may be required to be paid by instalments if specified in the call.
43. The joint holders of a share shall be jointly and severally liable to pay all calls in respect of it.
44. If the consideration called in respect of a share or in respect of a particular instalment is not paid in full before or on the day appointed for payment of it, the person from whom the sum is due shall pay interest in cash on the unpaid value from the day appointed for payment of it to the time of actual payment of such rate, not exceeding five per cent per annum or such other rate as may be specified by an order under section 2(7) of the Act, as the Directors may determine, but the Directors may waive payment of such interest wholly or in part.
45. Any consideration which, by the terms of issue of a share, becomes payable on allotment or issuance or at any fixed date (whether on account of the nominal value of the share or by way of premium) shall, for the purposes of these Articles, be deemed to be a call duly made and payable on the date on which, by the terms of issue, that consideration becomes payable, and in the case of non-payment of such a consideration, all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise, shall apply as if such consideration had become payable by virtue of a call duly made and notified.
46. The Directors may, on the issue of shares, differentiate between the holders of different classes as to the amount of calls to be paid and the times of payment.

-
47. The Directors may, if they think fit:
- (a) receive from any member willing to advance such consideration, all or any part of the consideration uncalled and unpaid upon any shares held by him or her; and/or
 - (b) pay, upon all or any of the consideration so advanced (until the amount concerned would, but for such advance, become payable) interest at such rate (not exceeding, unless the Company in a general meeting otherwise directs, five per cent per annum or such other rate as may be specified by an order under section 2(7) of the Act) as may be agreed upon between the Directors and the member paying such consideration in advance.
48. The Company may:
- (a) acting by its Directors, make arrangements on the issue of shares for a difference between the members in the amounts and times of payment of calls on their shares;
 - (b) acting by its Directors, accept from any member the whole or a part of the amount remaining unpaid on any shares held by him or her, although no part of that amount has been called up;
 - (c) acting by its Directors and subject to the Act, pay a dividend in proportion to the amount paid up on each share where a larger amount is paid up on some shares than on others; and
 - (d) by special resolution determine that any portion of its share capital which has not been already called up shall not be capable of being called up except in the event and for the purposes of the Company being wound up; upon the Company doing so, that portion of its share capital shall not be capable of being called up except in that event and for those purposes.

LIEN

49. The Company shall have a first and paramount lien on every share (not being a fully paid share) for all consideration (whether immediately payable or not) called, or payable at a fixed time, in respect of that share.
50. The Directors may at any time declare any share in the Company to be wholly or in part exempt from Article 49.
51. The Company's lien on a share shall extend to all dividends payable on it.
52. The Company may sell, in such manner as the Directors think fit, any shares on which the Company has a lien, but no sale shall be made unless
- (i) a sum in respect of which the lien exists is immediately payable; and (ii) the following conditions are satisfied:
 - 52.1 a notice in writing, stating and demanding payment of such part of the amount in respect of which the lien exists as is immediately payable, has been given to the registered holder of the share for the time being, or the person entitled thereto by reason of his or her death or bankruptcy; and
 - 52.2 a period of 14 days after the date of giving of that notice has expired.

-
53. The following provisions apply in relation to a sale referred to in Article 52:
- 53.1 to give effect to any such sale, the Directors may authorise some person to transfer the shares sold to the purchaser of them;
 - 53.2 the purchaser shall be registered as the holder of the shares comprised in any such transfer;
 - 53.3 the purchaser shall not be bound to see to the application of the purchase consideration, nor shall his or her title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale; and
 - 53.4 the proceeds of the sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is immediately payable, and the residue, if any, shall (subject to a like lien for sums not immediately payable as existed upon the shares before the sale) be paid to the person entitled to the shares at the date of the sale.

FORFEITURE

54. If a member of the Company fails to pay any call or instalment of a call on the day appointed for payment of it, the Directors may, at any time thereafter during such time as any part of the call or instalment remains unpaid, serve a notice on the member requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.
55. The notice referred to in Article 54 shall:
- 55.1 specify a further day (not earlier than the expiration of 14 days after the date of service of the notice) on or before which the payment required by the notice is to be made; and
 - 55.2 state that, if the amount concerned is not paid by the day so specified, the shares in respect of which the call was made will be liable to be forfeited.
56. If the requirements of the notice referred to in Article 55 are not complied with, any share in respect of which the notice has been served may at any time after the day so specified (but before, should it occur, the payment required by the notice has been made) be forfeited by a resolution of the Directors to that effect.
57. On the trial or hearing of any action for the recovery of any money due for any call, it shall be sufficient to prove that the name of the member sued is entered in the Register as the holder, or one of the holders, of the shares in the capital of the Company in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book and that notice of such call was duly given to the member sued, in pursuance of these Articles, and it shall not be necessary to prove the appointment of the Directors who made such call nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.
58. A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Directors think fit, and at any time before a sale or disposition the forfeiture may be cancelled on such terms as the Directors think fit.
59. A person whose shares have been forfeited shall cease to be a member of the Company in respect of the forfeited shares, but shall, notwithstanding, remain liable to pay to the Company all consideration which, at the date of forfeiture, were payable by him or her to the Company in respect of the shares, but his or her liability shall cease if and when the Company shall have received payment in full of all such consideration in respect of the shares.

-
60. A statement in writing that the maker of the statement is a Director or the Company Secretary, and that a share in the Company has been duly forfeited on a date stated in the statement, shall be conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share.
61. The following provisions apply in relation to a sale or other disposition of a share referred to in Article 58:
- 61.1 the Company may receive the consideration, if any, given for the share on the sale or other disposition of it and may execute a transfer of the share in favour of the person to whom the share is sold or otherwise disposed of (the “**disponee**”);
- 61.2 upon such execution, the disponee shall be registered as the holder of the share; and
- 61.3 the disponee shall not be bound to see to the application of the purchase consideration, if any, nor shall his or her title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.
62. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share in the capital of the Company, becomes payable at a fixed time, whether on account of the nominal value of the share in the capital of the Company or by way of premium, as if the same had been payable by virtue of a call duly made and notified.
63. The Directors may accept the surrender of any share in the capital of the Company which the Directors have resolved to have been forfeited upon such terms and conditions as may be agreed and, subject to any such terms and conditions, a surrendered share in the capital of the Company shall be treated as if it has been forfeited.

VARIATION OF COMPANY CAPITAL

64. Subject to the provisions of these Articles, the Company may, by ordinary resolution and in accordance with section 83 of the Act, do any one or more of the following, from time to time:
- 64.1 consolidate and divide all or any of its classes of shares into shares of a larger nominal value than its existing shares;
- 64.2 subdivide its classes of shares, or any of them, into shares of a smaller nominal value, so however, that in the subdivision the proportion between the amount paid and the amount, if any, unpaid on each reduced share shall be the same as it was in the case of the share from which the reduced share is derived;
- 64.3 increase the nominal value of any of its shares by the addition to them of any undenominated capital;
- 64.4 reduce the nominal value of any of its shares by the deduction from them of any part of that value, subject to the crediting of the amount of the deduction to undenominated capital, other than the share premium account;

- 64.5 without prejudice or limitation to Articles 104 to 109 and the powers conferred on the Directors thereby, convert any undenominated capital into shares for allotment as bonus shares to holders of existing shares;
 - 64.6 increase its share capital by new shares of such amount as it thinks expedient; or
 - 64.7 cancel shares of its share capital which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person, and diminish the amount of its share capital by the amount of the shares so cancelled.
65. Subject to the provisions of these Articles, the Company may:
- 65.1 Without prejudice to Article 32, by special resolution, and subject to the provisions of the Act governing the variation of rights attached to classes of shares and the amendment of these Articles, convert any of its shares into Redeemable Shares; or
 - 65.2 by special resolution, and subject to the provisions of the Act (or as otherwise required or permitted by applicable law) alter or add to the Memorandum with respect to any objects, powers or other matters specified therein or alter or add to these Articles.

REDUCTION OF COMPANY CAPITAL

66. The Company may, in accordance with the provisions of sections 84 to 87 of the Act, reduce its company capital in any way it thinks expedient and, without prejudice to the generality of the foregoing, may thereby:
- 66.1 extinguish or reduce the liability on any of its shares in respect of share capital not paid up;
 - 66.2 either with or without extinguishing or reducing liability on any of its shares, cancel any paid up company capital which is lost or unrepresented by available assets; or
 - 66.3 either with or without extinguishing or reducing liability on any of its shares, pay off any paid up company capital which is in excess of the wants of the Company.

Unless the special resolution provides otherwise, a reserve arising from the reduction of company capital is to be treated for all purposes as a realised profit in accordance with section 117(9) of the Act. Nothing in this Article 66 shall, however, prejudice or limit the Company's ability to perform or engage in any of the actions described in section 83(1) of the Act by way of ordinary resolution only.

TRANSFER OF SHARES

67. Subject to the Act and to the provisions of these Articles as may be applicable, any member may transfer all or any of his shares (of any class) by an instrument of transfer in the usual common form or in any other form which the Board may from time to time approve. The instrument of transfer may be endorsed on the certificate.
68. The instrument of transfer of a share shall be signed by or on behalf of the transferor and, if the share is not fully paid, by or on behalf of the transferee. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect of it. All instruments of transfer may be retained by the Company.

69. The instrument of transfer of any share may be executed for and on behalf of the transferor by the Company Secretary or any other party designated by the Board for such purpose, and the Company Secretary or any other party designated by the Board for such purpose shall be deemed to have been irrevocably appointed agent for the transferor of such share or shares with full power to execute, complete and deliver in the name of and on behalf of the transferor of such share or shares all such transfers of shares held by the members in the share capital of the Company. Any document which records the name of the transferor, the name of the transferee, the class and number of shares agreed to be transferred, the date of the agreement to transfer shares and the price per share, shall, once executed by the transferor or the Company Secretary or any other party designated by the Board for such purpose as agent for the transferor, be deemed to be a proper instrument of transfer for the purposes of the Act. The transferor shall be deemed to remain the member holding the share until the name of the transferee is entered on the Register in respect thereof, and neither the title of the transferee nor the title of the transferor shall be affected by any irregularity or invalidity in the proceedings in reference to the sale should the Directors so determine.
70. Subject to the Act, the Company, at its absolute discretion, may, or may procure that a subsidiary of the Company shall, pay Irish stamp duty arising on a transfer of shares on behalf of the transferee of such shares of the Company. If stamp duty resulting from the transfer of shares in the Company which would otherwise be payable by the transferee is paid by the Company or any subsidiary of the Company on behalf of the transferee, then in those circumstances, the Company shall, on its behalf or on behalf of its subsidiary (as the case may be), be entitled to (i) reimbursement of the stamp duty from the transferee, (ii) set-off the stamp duty against any dividends payable to the transferee of those shares and (iii) to the extent permitted by section 1042 of the Act, claim a first and paramount lien on the shares on which stamp duty has been paid by the Company or its subsidiary for the amount of stamp duty paid. The Company's lien shall extend to all dividends paid on those shares.
71. The Directors shall have power to permit any class of shares to be held in uncertificated form and to implement any arrangements they think fit for such evidencing and transfer which accord with such regulations and in particular shall, where appropriate, be entitled to disapply or modify all or part of the provisions in these Articles with respect to the requirement for written instruments of transfer and share certificates (if any), in order to give effect to such regulations.
72. The Board may, in its absolute discretion and without assigning any reason for its decision, decline to register any transfer of any share which is not a fully-paid share. The Board may also decline to register any transfer if:
- 72.1 the instrument of transfer is not duly stamped, if required, and lodged at the Office or any other place as the Board may from time to time specify for the purpose, accompanied by the certificate (if any) for the shares to which it relates and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer;
 - 72.2 the instrument of transfer is in respect of more than one class of share;
 - 72.3 the instrument of transfer is in favour of more than four persons jointly;
 - 72.4 it is not satisfied that all applicable consents, authorisations, permissions or approvals of any governmental body or agency in Ireland or any other applicable jurisdiction required to be obtained under relevant law prior to such transfer have been obtained; or
 - 72.5 it is not satisfied that the transfer would not violate the terms of any agreement to which the Company (or any of its subsidiaries) and the transferor are party or subject.

73. Subject to any directions of the Board from time to time in force, the Company Secretary or any other party designated by the Board for such purpose may exercise the powers and discretions of the Board under Article 72, Article 96, Article 103 and Article 105.
74. If the Board declines to register a transfer it shall, within one month after the date on which the instrument of transfer was lodged, send to the transferee notice of such refusal.
75. No fee shall be charged by the Company for registering any transfer or for making any entry in the Register concerning any other document relating to or affecting the title to any share (except that the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed on it in connection with such transfer or entry).

TRANSMISSION OF SHARES

76. In the case of the death of a member, the survivor or survivors, where the deceased was a joint holder, and the personal representatives of the deceased where he or she was a sole holder, shall be the only persons recognised by the Company as having any title to his or her interest in the shares.
77. Nothing in Article 76 shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him or her with other persons.
78. Any person becoming entitled to a share in consequence of the death or bankruptcy of a member may, upon such evidence being produced as may from time to time properly be required by the Directors and subject to Article 79, elect either: (a) to be registered himself or herself as holder of the share; or (b) to have some person nominated by him or her (being a person who consents to being so registered) registered as the transferee thereof.
79. The Directors shall, in either of those cases, have the same right to decline or suspend registration as they would have had in the case of a transfer of the share by that member before his or her death or bankruptcy, as the case may be.
80. If the person becoming entitled as mentioned in Article 78: (a) elects to be registered himself or herself, the person shall furnish to the Company a notice in writing signed by him or her stating that he or she so elects; or (b) elects to have another person registered, the person shall testify his or her election by executing to that other person a transfer of the share.
81. All the limitations, restrictions and provisions of Articles 76 to 80 shall be applicable to a notice or transfer referred to in Article 80 as if the death or bankruptcy of the member concerned had not occurred and the notice or transfer were a transfer signed by that member.
82. Subject to Article 83 and Article 84, a person becoming entitled to a share by reason of the death or bankruptcy of the holder shall be entitled to the same dividends and other advantages to which he or she would be entitled if he or she were the registered holder of the share.
83. A person referred to in Article 82 shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company.
84. The Directors may at any time serve a notice on any such person requiring the person to make the election provided for by Article 78 and, if the person does not make that election (and proceed to do, consequent on that election, whichever of the things mentioned in Article 80 is appropriate) within ninety days after the date of service of the notice, the Directors may thereupon withhold payment of all dividends, bonuses or other moneys payable in respect of the share until the requirements of the notice have been complied with.

-
85. The Company may charge a fee not exceeding €10 on the registration of every probate, letters of administration, certificate of death, power of attorney, notice as to stock or other instrument or order.
86. The Directors may determine such procedures as they shall think fit regarding the transmission of shares in the Company held by a body corporate that are transmitted by operation of law in consequence of a merger or division.

CLOSING REGISTER OR FIXING RECORD DATE

87. For the purpose of determining members entitled to notice of or to vote at any meeting of members or any adjournment thereof, or members entitled to receive payment of any dividend, or in order to make a determination of members for any other proper purpose, the Board may provide, subject to the requirements of section 174 of the Act, that the Register shall be closed for transfers at such times and for such periods, not exceeding in the whole thirty days in each year. If the Register shall be so closed for the purpose of determining members entitled to notice of, or to vote at, a meeting of members, such Register shall, subject to applicable law and Exchange rules, be so closed for at least five days immediately preceding such meeting and the record date for such determination shall be the date of the closure of the Register.
88. In lieu of, or apart from, closing the Register, the Board may fix in advance a date as the record date (a) for any such determination of members entitled to notice of or to vote at a meeting of the members, which record date shall not, subject to applicable law and Exchange rules, be more than sixty days before the date of such meeting, and (b) for the purpose of determining the members entitled to receive payment of any dividend or other distribution, or in order to make a determination of members for any other proper purpose, which record date shall not, subject to applicable law and Exchange rules, be more than sixty days prior to the date of payment of such dividend or other distribution or the taking of any action to which such determination of members is relevant.
89. If the Register is not so closed and no record date is fixed for the determination of members entitled to notice of or to vote at a meeting of members, the date immediately preceding the date on which notice of the meeting is deemed given under these Articles shall be the record date for such determination of members. Where a determination of members entitled to vote at any meeting of members has been made as provided in these Articles, such determination shall apply to any adjournment thereof; provided, however, that the Directors may fix a new record date of the Adjourned Meeting, if they think fit.

DIVIDENDS

90. The Company in a general meeting may declare dividends, but no dividends shall exceed the amount recommended by the Directors. Any general meeting declaring a dividend and any resolution of the Directors declaring an interim dividend may direct payment of such dividend or interim dividend wholly or partly by the distribution of specific assets including paid up shares, debentures or debenture stocks of any other company or in any one or more of such ways, and the Directors shall give effect to such resolution.

-
91. The Directors may from time to time:
- 91.1 pay to the members such dividends (whether as either interim dividends or final dividends) as appear to the Directors to be justified by the profits of the Company, subject to section 117 and Chapter 6 of Part 17 of the Act;
 - 91.2 before declaring any dividend, set aside out of the profits of the Company such sums as they think proper as a reserve or reserves which shall, at the discretion of the Directors, be applicable for any purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion either be employed in the business of the Company or be held as cash or cash equivalents or invested in such investments as the Directors may lawfully determine; and
 - 91.3 without placing the profits of the Company to reserve, carry forward any profits which they may think prudent not to distribute.
92. Unless otherwise specified by the Directors at the time of declaring a dividend, the dividend shall be a final dividend.
93. Where the Directors specify that a dividend is an interim dividend at the time it is declared, such interim dividend shall not constitute a debt recoverable against the Company and the declaration may be revoked by the Directors at any time prior to its payment provided that the holders of the same class of share are treated equally on any revocation.
94. Subject to the rights of persons, if any, entitled to shares with special rights as to dividend (and to the rights of the Company under Articles 49 to 53 and Article 96) all dividends shall be declared and paid such that shares of the same class shall rank equally irrespective of the premium credited as paid up on such shares.
95. If any share is issued on terms providing that it shall rank for a dividend as from a particular date, such share shall rank for dividend accordingly.
96. The Directors may deduct from any dividend payable to any member, all sums of money (if any) immediately payable by him or her to the Company on account of calls or otherwise in relation to the shares of the Company.
97. The Directors when declaring a dividend or bonus may direct payment of such dividend or bonus wholly or partly by the distribution of specific assets and, in particular, paid up shares, debentures or debenture stock of any other company or in any one or more of such ways.
98. Where any difficulty arises in regard to a distribution, the Directors may settle the matter as they think expedient and, in particular, may:
- 98.1 issue fractional certificates (subject always to the restriction on the issue of fractional shares) and fix the value for distribution of such specific assets or any part of them;
 - 98.2 determine that cash payments shall be made to any members upon the footing of the value so fixed, in order to adjust the rights of all the parties; and
 - 98.3 vest any such specific assets in trustees as may seem expedient to the Directors.

99. Any dividend, interest or other moneys payable in cash in respect of any shares may be paid:
- 99.1 by cheque or negotiable instrument sent by post directed to or otherwise delivered to the registered address of the holder, or where there are joint holders, to the registered address of that one of the joint holders who is first named on the register or to such person and to such address as the holder or the joint holders may in writing direct; or
 - 99.2 by transfer to a bank account nominated by the payee or where such an account has not been so nominated, to the account of a trustee nominated by the Company to hold such moneys,
- provided that the debiting of the Company's account in respect of the relevant amount shall be evidence of good discharge of the Company's obligations in respect of any payment made by any such methods.
100. Any such cheque or negotiable instrument referred to in Article 99 shall be made payable to the order of the person to whom it is sent.
101. Any one of two or more joint holders may give valid receipts for any dividends, bonuses or other moneys payable in respect of the shares held by them as joint holders, whether paid by cheque or negotiable instrument or direct transfer.
102. No dividend shall bear interest against the Company.
103. If the Directors so resolve, any dividend or distribution which has remained unclaimed for twelve years from the date of its declaration shall be forfeited and cease to remain owing by the Company. The payment by the Directors of any unclaimed dividend, distribution or other moneys payable in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.

BONUS ISSUE OF SHARES

104. Any capitalisation provided for in Articles 105 to 109 inclusive will not require approval or ratification by the members.
105. The Directors may resolve to capitalise any part of a relevant sum (within the meaning of Article 106) by applying such sum in paying up in full unissued shares of a nominal value or nominal value and premium, equal to the sum capitalised, to be allotted and issued as fully paid bonus shares, to those members of the Company who would have been entitled to that sum if it were distributed by way of dividend (and in the same proportions).
106. For the purposes of Article 105, "relevant sum" means: (a) any sum for the time being standing to the credit of the Company's undenominated capital; (b) any of the Company's profits available for distribution; (c) any sum representing unrealised revaluation reserves; or (d) a merger reserve or any other capital reserve of the Company.
107. The Directors may in giving effect to any resolution under Article 105 make: (a) all appropriations and applications of the undivided profits resolved to be capitalised by the resolution; and (b) all allotments and issues of fully paid shares, if any, and generally shall do all acts and things required to give effect to the resolution.

-
108. Without limiting Article 107, the Directors may:
- 108.1 make such provision as they think fit for the case of shares becoming distributable in fractions (and, again, without limiting the foregoing, may sell the shares represented by such fractions and distribute the net proceeds of such sale amongst the members otherwise entitled to such fractions in due proportions);
- 108.2 authorise any person to enter, on behalf of all the members concerned, into an agreement with the Company providing for the allotment to them, respectively credited as fully paid up, of any further shares to which they may become entitled on the capitalisation concerned or, as the case may require, for the payment by the application thereto of their respective proportions of the profits resolved to be capitalised of the amounts remaining unpaid on their existing shares,
- and any agreement made under such authority shall be effective and binding on all the members concerned.
109. Where the Directors have resolved to approve a bona fide revaluation of all the fixed assets of the Company, the net capital surplus in excess of the previous book value of the assets arising from such revaluation may be: (a) credited by the Directors to undenominated capital, other than the share premium account; or (b) used in paying up unissued shares of the Company to be issued to members as fully paid bonus shares.

GENERAL MEETINGS – GENERAL

110. Subject to Article 111, the Company shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year, and shall specify the meeting as such in the notices calling it; and not more than 15 months shall elapse between the date of one annual general meeting of the Company and that of the next.
111. The Company will hold its first annual general meeting within eighteen months of its incorporation.
112. The annual general meeting shall be held in such place and at such time as the Directors shall determine.
113. All general meetings of the Company other than annual general meetings shall be called extraordinary general meetings.
114. The Directors may, whenever they think fit, convene an extraordinary general meeting. An extraordinary general meeting shall also be convened by the Directors on the requisition of members, or if the Directors fail to so convene an extraordinary general meeting, such extraordinary general meeting may be convened by the requisitioning members, in each case in accordance with section 178(3) to (7) of the Act.
115. If at any time the number of Directors is less than two, any Director or any member that satisfies the criteria under section 178 of the Act may convene an extraordinary general meeting in the same manner as nearly as possible as that in which meetings may be convened by the Directors.
116. An annual general meeting or extraordinary general meeting of the Company may be held outside of Ireland. The Company shall make, at its expense, all necessary arrangements to ensure that members can by technological means participate in any such meeting without leaving Ireland.

117. A general meeting of the Company may be held in two or more venues (whether inside or outside of Ireland) at the same time using any technology that provides members, as a whole, with a reasonable opportunity to participate, and such participation shall be deemed to constitute presence in person at the meeting.

NOTICE OF GENERAL MEETINGS

118. The only persons entitled to notice of general meetings of the Company are:
- 118.1 the members;
 - 118.2 the personal representatives of a deceased member, which member would but for his death be entitled to vote;
 - 118.3 the assignee in bankruptcy of a bankrupt member of the Company (being a bankrupt member who is entitled to vote at the meeting);
 - 118.4 the Directors and Company Secretary; and
 - 118.5 unless the Company is entitled to and has availed itself of the audit exemption under the Act, the Auditors (who shall also be entitled to receive other communications relating to any general meeting which a member is entitled to receive).
119. Subject to the provisions of the Act allowing a general meeting to be called by shorter notice, an annual general meeting and an extraordinary general meeting called for the passing of a special resolution shall be called by at least twenty-one days' notice. Any other extraordinary general meeting shall also be called by at least twenty-one days' notice, except that it may be called by fourteen days' notice where:
- 119.1 all members, who hold shares that carry rights to vote at the meeting, are permitted to vote by electronic means at the meeting; and
 - 119.2 a special resolution reducing the period of notice to fourteen days has been passed at the immediately preceding annual general meeting, or at a general meeting held since that meeting.
120. Any notice convening a general meeting shall specify the time and place of the meeting and, in the case of special business, the general nature of that business and, in reasonable prominence, that a member entitled to attend, speak, ask questions and vote is entitled to appoint a proxy to attend, speak, ask questions and vote in his place and that a proxy need not be a member of the Company. Every notice shall specify such other details as are required by applicable law or the relevant code, rules and regulations applicable to the listing of the shares on any Exchange. Subject to any restrictions imposed on any shares, the notice shall be given to all the members and to the Directors and Auditors.
121. The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.
122. In cases where instruments of proxy are sent out with notices, the accidental omission to send such instrument of proxy to, or the non-receipt of such instrument of proxy by, any person entitled to receive such notice shall not invalidate any resolution passed or any proceeding at any such meeting. A member present, either in person or by proxy, at any general meeting of the Company or of the holders of any class of shares in the Company will be deemed, subject to Article 125, to have received notice of that meeting and, where required, of the purpose for which it was called.

-
123. Where, by any provision contained in the Act, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than twenty-eight days (or such shorter period as the Act permits) before the meeting at which it is moved, and the Company shall give to the members notice of any such resolution as required by and in accordance with the provisions of the Act.
 124. In determining the correct period of notice for a general meeting, only Clear Days shall be counted.
 125. Whenever any notice is required to be given by law or by these Articles to any person or persons, a waiver thereof in writing, signed by the person or persons entitled to the notice whether before or after the time stated therein, shall be deemed equivalent thereto. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened.

WRITTEN RESOLUTIONS OF THE MEMBERS

126. For so long as the Company has more than one shareholder, unanimous consent of the holders of the Shares (who are entitled to attend a meeting and vote on the proposed resolutions) shall be required before the shareholders may act by way of written resolution in lieu of holding a meeting.
127.
 - 127.1 Except in the case of the removal of statutory auditors or Directors and subject to the Act and the provisions of Article 126, anything which may be done by resolution in general meeting of all or any class of members may be done by resolution in writing, signed by all of the holders or any class thereof or their proxies (or in the case of a holder that is a corporation (whether or not a company within the meaning of the Acts) on behalf of such holder) being all of the members of the Company or any class thereof, who at the date of the resolution in writing would be entitled to attend a meeting and vote on the resolution and shall be valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company or any class thereof duly convened and held, and if described as a Special Resolution shall be deemed to be a Special Resolution within the meaning of the Acts. Any such resolution in writing may be signed in as many counterparts as may be necessary.
 - 127.2 For the purposes of any written resolution under Article 127, the date of the resolution in writing is the date when the resolution is signed by, or on behalf of, the last holder to sign and any reference in any enactment to the date of passing of a resolution is, in relation to a resolution in writing made in accordance with this section, a reference to such date.
 - 127.3 A resolution in writing made in accordance with Article 127 is valid as if it had been passed by the Company in general meeting or, if applicable, by a meeting of the relevant class of holders of the Company, as the case may be. A resolution in writing made in accordance with this section shall constitute minutes for the purposes of the Act and these Articles.
128. At any time that the Company is a single-member company, its sole member may pass any resolution as a written decision in accordance with section 196 of the Act.

QUORUM FOR GENERAL MEETINGS

129. Two members present in person or by proxy and having the right to attend and vote at the meeting and together holding shares representing more than 50% of the votes that may be cast by all members at the relevant time shall be a quorum at a general meeting; provided, however, that at any time when the Company is a single-member company, one member of the Company present in person or by proxy at a general meeting of it shall be a quorum.
130. If within 15 minutes (or such greater time determined by the chairperson) after the time appointed for a general meeting a quorum is not present, then:
 - 130.1 the meeting shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine (the “**Adjourned Meeting**”); and
 - 130.2 if at the Adjourned Meeting a quorum is not present within half an hour (or such greater time determined by the chairperson) after the time appointed for the meeting, the members present shall be a quorum.

PROXIES

131. Every member entitled to attend, speak, ask questions and vote at a general meeting may appoint a proxy or proxies to attend, speak, ask questions relating to items on the agenda and vote on his behalf and may appoint more than one proxy to attend, speak, ask questions and vote at the same general meeting provided that, where a member appoints more than one proxy in relation to a general meeting, each proxy must be appointed to exercise the rights attached to different shares held by that member.
132. The appointment of a proxy shall be in writing in any usual form or in any other form which the Directors may approve and shall be signed by or on behalf of the appointor. The signature on such appointment need not be witnessed. A body corporate may sign a form of proxy under its common seal or under the hand of a duly authorised officer thereof or in such other manner as the Directors may approve. A proxy need not be a member of the Company. A member shall be entitled to appoint a proxy by electronic means, to an address specified by the Company. The proxy form must make provision for three-way voting (i.e., to allow votes to be cast for or against a resolution or to be withheld) on all resolutions intended to be proposed, other than resolutions which are merely procedural. An instrument or other form of communication appointing or evidencing the appointment of a proxy or a corporate representative (other than a standing proxy or representative) together with such evidence as to its due execution as the Board may from time to time require, may be returned to the address or addresses stated in the notice of meeting or Adjourned Meeting or any other information or communication by such time or times as may be specified in the notice of meeting or Adjourned Meeting or in any other such information or communication (which times may differ when more than one place is so specified) or, if no such time is specified, at any time prior to the holding of the relevant meeting or Adjourned Meeting at which the appointee proposes to vote, and, subject to the Act, if not so delivered the appointment shall not be treated as valid.

BODIES CORPORATE ACTING BY REPRESENTATIVES AT MEETINGS

133. Any body corporate which is a member, or a proxy for a member, of the Company may by resolution of its directors or other governing body authorise such person or persons as it thinks fit to act as its representative or representatives at any meeting of the Company or of any class of members of the Company and, subject to evidence being furnished to the Company of such

authority as the Directors may reasonably require, any person(s) so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he represents as that body corporate could exercise if it were an individual member of the Company or, where more than one such representative is so authorized, all or any of the rights attached to the shares in respect of which he is so authorised. Where a body corporate appoints more than one representative in relation to a general meeting, each representative must be appointed to exercise the rights attached to different shares held by that body corporate.

RECEIPT OF PROXY APPOINTMENTS

134. Where the appointment of a proxy and any authority under which it is signed or a copy certified notarially or in some other way approved by the Directors is to be received by the Company:

134.1 in physical form, it shall be deposited at the Office or (at the option of the member) at such other place or places (if any) as may be specified for that purpose in or by way of note to the notice convening the meeting;

134.2 in electronic form, it may be so received where an address has been specified by the Company for the purpose of receiving electronic communications:

(a) in the notice convening the meeting; or

(b) in any appointment of proxy sent out by the Company in relation to the meeting; or

(c) in any invitation contained in an electronic communication to appoint a proxy issued by the Company in relation to the meeting;

provided that it is so received by the Company no later than 3 hours, or such other time as may be communicated to the members, before the time for holding the meeting or Adjourned Meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or Adjourned Meeting) for the taking of the poll at which it is to be used, at which the person named in the proxy proposes to vote and in default shall not be treated as valid or, in the case of a meeting which is adjourned to, or a poll which is to be taken on, a date not later than the record date applicable to the meeting which was adjourned or the poll, it shall be sufficient if the appointment of a proxy and any such authority and certification thereof as aforesaid is so received by the Company at the commencement of the Adjourned Meeting or the taking of the poll. An appointment of a proxy relating to more than one meeting (including any adjournment thereof) having once been so received for the purposes of any meeting shall not be required to be delivered, deposited or received again for the purposes of any subsequent meeting to which it relates.

EFFECT OF PROXY APPOINTMENTS

135. 135.1 Receipt by the Company of an appointment of a proxy in respect of a meeting shall not preclude a member from attending and voting at the meeting or at any adjournment thereof. However, if that member votes at the meeting or at any adjournment thereof, then as regards to the resolution(s) any proxy notice delivered to the Company by or on behalf of that same member shall on a poll, be invalid to the extent that such member votes in respect of the shares to which the proxy notice relates.

135.2 An appointment of a proxy shall be valid, unless the contrary is stated therein, as well for any adjournment of the meeting as for the meeting to which it relates and shall be deemed to confer authority to speak at a general meeting and to demand or join in demanding a poll.

136. A proxy shall have the right to exercise all or any of the rights of his appointor, or (where more than one proxy is appointed) all or any of the rights attached to the shares in respect of which he is appointed as the proxy to attend, and to speak and vote, at a general meeting of the Company. Unless his appointment provides otherwise, a proxy may vote or abstain at his discretion on any resolution put to the vote.

EFFECT OF REVOCATION OF PROXY OR OF AUTHORISATION

137. A vote given or poll demanded in accordance with the terms of an appointment of a proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the previous death, insanity or winding up of the principal, or the revocation of the appointment of a proxy or of the authority under which the proxy was appointed or of the resolution authorising the representative to act or the transfer of the share in respect of which the proxy was appointed or the authorisation of the representative to act was given, provided that no notice in writing (whether in electronic form or otherwise) of such death, insanity, winding up, revocation or transfer is received by the Company at the Office before the commencement of the meeting.
138. The Directors may send to the members, at the expense of the Company, by post, electronic mail or otherwise, forms for the appointment of a proxy (with or without reply paid envelopes for their return) for use at any general meeting or at any class meeting, either in blank or nominating any one or more of the Directors or any other persons in the alternative. If, for the purpose of any meeting, invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the Company, such invitations shall be issued to all (and not to some only) of the members entitled to be sent a notice of the meeting and to vote thereat by proxy, but the accidental omission to issue such invitations to, or the non-receipt of such invitations by, any member shall not invalidate the proceedings at any such meeting.

THE BUSINESS OF GENERAL MEETINGS

139. All business shall be deemed to be special business that is transacted at an extraordinary general meeting or that is transacted at an annual general meeting other than, in the case of an annual general meeting, the business specified in Article 143 which shall be ordinary business.
140. At any meeting of the members, only such business shall be conducted as shall have been properly brought before such meeting. To be properly brought before an annual general meeting, business must be:
- 140.1 specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board;
 - 140.2 otherwise properly brought before the meeting by or at the direction of the Board; or
 - 140.3 otherwise properly brought before the meeting by a member.
141. Without prejudice to any procedure which may be permitted under the Act, for business to be properly brought before an annual general meeting by a member, the member must have given timely notice thereof in writing to the Company Secretary. To be timely, a member's notice must be received not less than 60 days nor more than 90 days prior to the first anniversary of the preceding year's annual general meeting; provided, however, that in the event that the date of the

annual general meeting is advanced by more than 30 days or delayed by more than 60 days from such anniversary, notice by the member to be timely must be so received not earlier than the 90th day prior to such annual general meeting and not later than the close of business on the later of (i) the 60th day prior to such annual general meeting or (ii) the tenth day following the date on which notice of the date of the annual general meeting was mailed or public disclosure thereof was made by the Company, whichever event in this clause (ii) first occurs. For the avoidance of doubt, in no event shall the adjournment or postponement of any general meeting, or the public announcement of such an adjournment or postponement, commence a new time period (or extend any time period) for the giving of a member's notice to the Company Secretary pursuant to this Article 141. Each such notice shall set forth as to each matter the member proposes to bring before the annual general meeting:

- 141.1 a brief description of the business desired to be brought before the annual general meeting and the reasons for conducting such business at the meeting;
- 141.2 the name and address, as they appear on the Register, of the member proposing such business;
- 141.3 the class, series and number of shares of the Company which are beneficially owned by the member;
- 141.4 whether and the extent to which any hedging, derivative or other transaction is in place or has been entered into within the prior six months preceding the date of delivery of the notice by or for the benefit of the member with respect to the Company or its subsidiaries or any of their respective securities, debt instruments or credit ratings, the effect or intent of which transaction is to give rise to gain or loss as a result of changes in the trading price of such securities or debt instruments or changes in the credit ratings for the Company, its subsidiaries or any of their respective securities or debt instruments (or, more generally, changes in the perceived creditworthiness of the Company or its subsidiaries), or to increase or decrease the voting power of the member, and if so, a summary of the material terms thereof; and
- 141.5 any material interest of the member in such business.

To be properly brought before an extraordinary general meeting, other than pursuant to Article 140, business must be (i) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board or by the Company Secretary pursuant to the applicable provisions of these Articles or (ii) otherwise properly brought before the meeting by or at the direction of the Board.

- 142. The chairperson of the meeting shall, if the facts warrant, determine and declare to the meeting that business was not properly brought before the meeting and in accordance with the provisions of these Articles, and if he or she should so determine, any such business not properly brought before the meeting shall not be transacted. Nothing herein shall be deemed to affect any rights of members to request inclusion of proposals in the Company's proxy statement pursuant to Rule 14a-8 under the Exchange Act.
- 143. The business of the annual general meeting shall include:
 - 143.1 the consideration of the Company's statutory financial statements and the report of the Directors and the report of the Auditors on those statements and that report;

-
- 143.2 the review by the members of the Company's affairs;
 - 143.3 the authorisation of the Directors to approve the remuneration of the Auditors (if any); and
 - 143.4 the appointment or re-appointment of Auditors.

PROCEEDINGS AT GENERAL MEETINGS

- 144. The Chairperson, if any, shall preside as chairperson at every general meeting of the Company, or if there is no such Chairperson, or if he or she is not present at the time appointed for the holding of the meeting or is unwilling to act, the Directors present shall elect one of their number to be chairperson of the meeting.
- 145. If at any meeting no Director is willing to act as chairperson or if no Director is present at the time appointed for holding the meeting, the members present shall choose one of their number to be chairperson of the meeting.
- 146. At each meeting of members, the chairperson of the meeting shall fix and announce the date and time of the opening and the closing of the polls for each matter upon which the members will vote at the meeting and shall determine the order of business and all other matters of procedure.
- 147. The Directors may adopt such rules, regulations and procedures for the conduct of any meeting of the members as they deem appropriate. Except to the extent inconsistent with any applicable rules, regulations and procedures adopted by the Board, the chairperson of any meeting may adopt such rules, regulations and procedures for the meeting, which need not be in writing, and take such actions with respect to the conduct of the meeting, as the chairperson of the meeting deems appropriate, to maintain order and safety and for the conduct of the meeting.
- 148. The chairperson of the meeting may, with the consent of any meeting at which a quorum is present, and shall if so directed by the meeting, adjourn the meeting from time to time and from place to place.
- 149. No business shall be transacted at any Adjourned Meeting other than the business left unfinished at the meeting from which the adjournment took place.
- 150. When a meeting is adjourned for thirty days or more, notice of the Adjourned Meeting shall be given as in the case of an original meeting but, subject to that, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an Adjourned Meeting.
- 151. Each Director and the Auditors shall be entitled to attend and speak at any general meeting of the Company.
- 152. For business to be properly requested by a member to be brought before a general meeting, the member must comply with the requirements of the Act or:
 - 152.1 be a member at the time of the giving of the notice for such general meeting;
 - 152.2 be entitled to vote at such meeting; and
 - 152.3 have given timely and proper notice in writing to the Company Secretary in accordance with Article 141.

-
153. Except where a greater majority is required by the Act or these Articles, any question proposed for a decision of the members at any general meeting of the Company or a decision of any class of members at a separate meeting of any class of shares shall be decided by an ordinary resolution.

VOTING

154. At any general meeting, a resolution put to the vote of the meeting shall be decided on a poll.
155. Save as provided in Article 156 of these Articles, a poll shall be taken in such manner as the chairperson of the meeting directs and he or she may appoint scrutineers (who need not be members) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
156. A poll demanded on the election of a chairperson of the meeting or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time and place as the chairperson of the meeting may direct. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded.
157. No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven Clear Days' notice shall be given specifying the time and place at which the poll is to be taken.
158. If authorised by the Directors, any vote taken by written ballot may be satisfied by a ballot submitted by electronic and/or telephonic transmission, provided that any such electronic or telephonic submission must either set forth or be submitted with information from which it can be determined that the electronic or telephonic submission has been authorised by the member or proxy.

VOTES OF MEMBERS

159. Subject to the provisions of these Articles and any rights or restrictions for the time being attached to any class or classes of shares in the capital of the Company, every member of record present in person or by proxy shall have one vote for each share registered in his or her name in the Register.
160. Where there are joint holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holder or holders; and for this purpose, seniority shall be determined by the order in which the names of the joint holders stand in the Register.
161. A member who has made an enduring power of attorney, or a member in respect of whom an order has been made by any court having jurisdiction in cases of unsound mind, may vote by his or her committee, donee of an enduring power of attorney, receiver, guardian or other person appointed by the foregoing court, and any such committee, donee of an enduring power of attorney, receiver, guardian or other persons appointed by the foregoing court may speak or vote by proxy.
162. No objection shall be raised to the qualification of any voter except at the general meeting or adjourned general meeting at which the vote objected to is given or tendered and every vote not disallowed at such general meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairperson of the general meeting whose decision shall be final and conclusive.

163. A person shall be entered on the Register by the record date specified in respect of a general meeting in order to exercise the right of a member to participate and vote at the general meeting and any change to an entry on the Register after the record date shall be disregarded in determining the right of any person to attend and vote at the meeting.
164. Votes may be given either personally (including by a duly authorised representative of a corporate member) or by proxy. On a poll taken at a meeting of the members of the Company or a meeting of any class of members of the Company, a member, whether present in person or by proxy, entitled to more than one vote need not, if he votes, use all his votes or cast all the votes he uses in the same way.
165. Subject to such requirements and restrictions as the Directors may specify, the Company may permit members to vote by correspondence in advance of a general meeting in respect of one or more of the resolutions proposed at a meeting. Where the Company permits members to vote by correspondence, it shall only count votes cast in advance by correspondence, where such votes are received at the address and before the date and time specified by the Company, provided the date and time is no more than 24 hours before the time at which the vote is to be concluded.
166. Subject to such requirements and restrictions as the Directors may specify, the Company may permit members who are not physically present at a meeting to vote by electronic means at the general meeting in respect of one or more of the resolutions proposed at a meeting.
167. Where there is an equality of votes, the chairperson of the meeting shall not have a second or casting vote.
168. No member shall be entitled to vote at any general meeting of the Company unless all calls or other sums immediately payable by him or her in respect of shares in the Company have been paid.

CLASS MEETINGS

169. The provisions of these Articles relating to general meetings shall, as far as applicable, apply in relation to any meeting of any class of member of the Company.

APPOINTMENT OF DIRECTORS

170. The number of Directors from time to time shall be not less than two nor more than seven directors.
171. The Board, upon recommendations of the nomination and governance committee (or equivalent committee established by the Board), shall propose nominees for election to the office of Director at each annual general meeting.
172. The Directors may be appointed by the members in general meeting, provided that no person other than a Director retiring at the meeting shall, save where recommended by the Board, be eligible for election to the office of Director at any general meeting unless the requirements of Article 179 as to his or her eligibility for that purpose have been complied with.
173. The Directors may from time to time appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors, but so that the total number of Directors shall not at any time exceed the number as may be provided for in these articles of association.
 - 173.1 A Director shall hold office until the conclusion of the annual general meeting for the year in which his term expires and until he shall be re-elected or his successor shall be elected or appointed and subject, however, to prior death, resignation, retirement, disqualification or removal from office.

- 173.2 Any vacancy on the Board, including a vacancy that results from an increase in the number of directors or from the death, resignation, retirement, disqualification or removal of a Director, shall be deemed a casual vacancy. Subject to the terms of any series of Preferred Shares, any casual vacancy shall only be filled by the decision of a majority of the Board then in office, provided that a quorum is present and provided that the appointment does not cause the number of Directors to exceed any number fixed by or in accordance with these articles as the maximum number of Directors.
- 173.3 Any Director elected to fill a vacancy not resulting from an increase in the number of Directors shall have the same remaining term as that of his predecessor or if there is no such remaining term, the Director shall retire, and be eligible to stand for re-election, at the annual general meeting immediately following their appointment. A Director retiring at a meeting shall retain office until the close or adjournment of the meeting.
174. Each Director shall be elected by an ordinary resolution at such meeting, provided that if, as of, or at any time prior to, fourteen days before the filing of the Company's definitive proxy statement with the SEC relating to such general meeting, the number of Director nominees exceeds the number of Directors to be elected (a "**contested election**"), each of those nominees shall be voted upon as a separate resolution and the Directors shall be elected by a plurality of the votes of the shares present in person or represented by proxy at any such meeting and entitled to vote on the election of Directors.
- For the purposes of this Article, "**elected by a plurality**" means the election of those director nominees, equalling in number to the number of positions to be filled at the relevant general meeting, that received the highest number of votes.
175. Any nominee for election to the Board who is then serving as a Director and, in an uncontested election (where the number of Director nominees does not exceed the number of Directors to be elected), receives a greater number of "against" votes than "for" votes shall promptly tender his or her resignation following certification of the vote. The nomination and governance committee of the Board shall then consider the resignation offer and recommend to the Board whether to accept or reject the resignation, or whether other action should be taken; provided that any Director whose resignation is under consideration shall not participate in the nomination and governance committee's recommendation regarding whether to accept, reject or take other action with respect to his/her resignation. The Board shall take action on the nomination and governance committee's recommendation within 90 days following certification of the vote, and promptly thereafter publicly disclose its decision and the reasons therefor.
176. The Directors are not entitled to appoint alternate directors.
177. The Company may from time to time, by ordinary resolution, increase or reduce the number of Directors provided that any resolution to appoint a director approved by the members that would result in the maximum number of Directors being exceeded shall be deemed to constitute an ordinary resolution increasing the maximum number of Directors to the number that would be in office following such a resolution of appointment.
178. The Company may by ordinary resolution, appoint another person in place of a Director removed from office under section 146 of the Act and, without prejudice to the powers of the Directors under Article 173.2, the Company in a general meeting may appoint any person to be a Director either to fill a casual vacancy or as an additional Director.

DIRECTORS—MEMBER NOMINATIONS

179. 180. Subject to the provisions of these Articles and in addition to the circumstances described in sections 146, 148(1) and 196(2) of the Act, the office of Director shall be vacated ipso facto, if that Director:

183. The business of the Company shall be managed by its Directors who may pay all expenses incurred in promoting and registering the Company and may exercise all such powers of the Company as are not, by the Act or by the Memorandum of these Articles, required to be exercised by the Company in a general meeting, but subject to:
- 183.1 any regulations contained in these Articles;

- 183.2 the provisions of the Act; and
- 183.3 such directions, not being inconsistent with the foregoing regulations or provisions, as the Company in a general meeting may (by special resolution) give.
184. No direction given by the Company in a general meeting under Article 183.3 shall invalidate any prior act of the Directors which would have been valid if that direction had not been given.
185. Without prejudice to the generality of Article 183, Article 183 operates to enable, subject to a limitation (if any) arising under any of paragraphs 183.1 to 183.3 of it, the Directors exercise all powers of the Company to borrow money and to mortgage or charge its undertaking, property and uncalled capital, or any part thereof.
186. Without prejudice to section 40 of the Act, the Directors may delegate any of their powers (including any power referred to in these Articles) to such person or persons as they think fit, including committees; any such person or committee shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on it by the Directors.
187. Any reference to a power of the Company required to be exercised by the Company in a general meeting includes a reference to a power of the Company that, but for the power of the members to pass a written resolution to effect the first-mentioned power's exercise, would be required to be exercised by the Company in a general meeting.
188. The acts of the Board or of any committee established by the Board or any delegee of the Board or any such committee shall be valid notwithstanding any defect which may afterwards be discovered in the appointment or qualification of any Director, committee member or delegee.
189. The Directors may appoint a sole or joint company secretary, an assistant company secretary and a deputy company secretary for such term, at such remuneration and upon such conditions as they may think fit; and any such person so appointed may be removed by them.

191. Without prejudice to any claim the person so appointed under Article 190 may have for damages for breach of any contract of service between the person and the Company, the person's appointment shall cease upon his or her ceasing, for any reason, to be a Director.
192. The Board may appoint any person whether or not he or she is a Director, to hold such executive or official position (except that of Auditor) as the Board may from time to time determine. The same person may hold more than one office of executive or official position.
193. The Board shall determine from time to time, the powers and duties of any such office holder or official appointed under Articles 190 and/or Article 192, and subject to the provisions of the Act and these Articles, the Directors may confer upon an office holder or official any of the powers exercisable by them upon such terms and conditions and with such restrictions as they may think fit and in conferring any such powers, the Directors may specify that the conferral is to operate either: (a) so that the powers concerned may be exercised concurrently by them and the relevant office holder; or (b) to the exclusion of their own such powers.

-
194. The Directors may (a) revoke any conferral of powers under Article 193 or (b) amend any such conferral (whether as to the powers conferred or the terms, conditions or restrictions subject to which the conferral is made). The use or inclusion of the word “officer” (or similar words) in the title of any executive or other position shall not be deemed to imply that the person holding such executive or other position is an “officer” of the Company within the meaning of the Act.

195. 195.1 The Directors may meet together for the dispatch of business, adjourn and otherwise regulate their meetings as they think fit.

- 195.3 Such meetings shall take place at such time and place as the Directors may determine.
- 195.4 Questions arising at any such meeting shall be decided by a majority of votes and where there is an equality of votes, the chairperson of the meeting shall not have a second or casting vote.

197. Nothing in Article 196 or any other provision of the Act enables a person, other than a Director, to object to the notice given for any meeting of the Directors.
198. The quorum necessary for the transaction of the business of the Directors may be fixed by the Directors, and unless so fixed shall be a majority of the Directors in office at the time when the meeting is convened.
199. The continuing Directors may act notwithstanding any vacancy in their number, provided that if the number of the Directors is reduced below the prescribed minimum the remaining Director or Directors shall appoint forthwith an additional Director or additional Directors to make up such minimum or shall convene a general meeting of the Company for the purpose of making such appointment.

CHAIRPERSON

200. The Directors may elect a Chairperson and determine the period for which he or she is to hold office, but if no such Chairperson is elected, or, if at any meeting the Chairperson is not present after the time appointed for holding it, the Directors present may choose one of their members to be chairperson of a Board meeting. The Chairperson shall vacate office if he or she vacates his or her office as a Director (otherwise than by the expiration of his or her term of office at a general meeting of the Company at which he or she is re-appointed).

COMMITTEES

201. The Directors may establish one or more committees consisting in whole or in part of members of the Board. The composition, function, power and obligations of any such committee will be determined by the Board from time to time.

203. A committee may meet and adjourn as it thinks proper. Committee meetings shall take place at such time and place as the relevant committee may determine. Questions arising at any meeting of a committee shall be determined (subject to Article 201) by a majority of votes of the members of the committee present, and where there is an equality of votes, the chairperson of the committee shall not have a second or casting vote.
204. Where any committee is established by the Directors :
 - 204.1 the meetings and proceedings of such committee shall be governed by the provisions of these Articles regulating the meetings and proceedings of the Directors so far as the same are applicable and are not superseded by any regulations imposed upon such committee by the Directors; and
 - 204.2 the Directors may authorise, or may authorise such committee to authorise, any person who is not a Director to attend all or any meetings of any such committee on such terms as the Directors or the committee think fit, provided that any such person shall not be entitled to vote at meetings of the committee.

WRITTEN RESOLUTIONS AND TELEPHONIC MEETINGS OF THE DIRECTORS

205. The following provision shall apply:
 - 205.1 A resolution in writing signed by all the Directors, or by all the Directors being members of a committee referred to in Article 201, and who are for the time being entitled to receive notice of a meeting of the Directors or, as the case may be, of such a committee, shall be as valid as if it had been passed at a meeting of the Directors or such a committee duly convened and held.
 - 205.2 A resolution in writing shall be deemed to have been signed by a Director where the Chairperson, Company Secretary or other person designated by the Board has received an email from that Director’s Certified Email Address which identifies the resolution and states, unconditionally, “I hereby sign the resolution”.
 - 205.3 A Director’s Certified Email Address is such email address as the Director has, from time to time, notified to such person and in such manner as may from time to time be prescribed by the Board.
 - 205.4 The Company shall cause a copy of every email referred to in Article 205.2 to be entered in the books kept pursuant to section 166 of the Act.

-
206. Subject to Article 207, where one or more of the Directors (other than a majority of them) would not, by reason of:
- 206.1 the Act or any other enactment;
 - 206.2 these Articles; or
 - 206.3 an applicable rule of law or an Exchange,
- be permitted to vote on a resolution such as is referred to in Article 205, if it were sought to pass the resolution at a meeting of the Directors duly convened and held, then such a resolution, notwithstanding anything in Article 205.1, shall be valid for the purposes of that subsection if the resolution is signed by those of the Directors who would have been permitted to vote on it had it been sought to pass it at such a meeting.
207. In a case falling within Article 206, the resolution shall state the name of each Director who did not sign it and the basis on which he or she did not sign it.
208. For the avoidance of doubt, nothing in Articles 205 to 207 dealing with a resolution that is signed by other than all of the Directors shall be read as making available, in the case of an equality of votes, a second or casting vote to the one of their number who would, or might have been, if a meeting had been held to transact the business concerned, chairperson of that meeting.
209. The resolution referred to in Article 205 may consist of several documents in like form each signed by one or more Directors and for all purposes shall take effect from the time that it is signed by the last Director.
210. A meeting of the Directors or of a committee referred to in Article 201 may consist of a conference between some or all of the Directors or, as the case may be, members of the committee who are not all in one place, but each of whom is able (directly or by means of telephonic, video or other electronic communication) to speak to each of the others and to be heard by each of the others and:
- 210.1 a Director or as the case may be a member of the committee taking part in such a conference shall be deemed to be present in person at the meeting and shall be entitled to vote (subject to Article 206) and be counted in a quorum accordingly; and
 - 210.2 such a meeting shall be deemed to take place:
 - (a) where the largest group of those Directors participating in the conference is assembled;
 - (b) if there is no such group, where the chairperson of the meeting then is; or
 - (c) if neither subparagraph (a) or (b) applies, in such location as the meeting itself decides.

 213. Nothing in section 228(1)(e) of the Act shall restrict a Director from entering into any commitment which has been approved by the Board or has been approved pursuant to such authority as may be delegated by the Board in accordance with these Articles. It shall be the duty of each Director to obtain the prior approval of the Board, before entering into any commitment permitted by sections 228(1)(e)(ii) and 228(2) of the Act.
 214. It shall be the duty of a Director who is in any way, whether directly or indirectly, interested (within the meaning of section 231 of the Act) in a contract or proposed contract with the Company, to declare the nature of his or her interest at a meeting of the Directors.
 215. Subject to any applicable law or the relevant code, rules and regulations applicable to the listing of the shares on any Exchange, a Director may vote in respect of any contract, appointment or arrangement in which he or she is interested and shall be counted in the quorum present at the meeting and is hereby released from his or her duty set out in section 228(1)(f) of the Act and a Director may vote on his or her own appointment or arrangement and the terms of it. For the purposes of section 228(1)(f), the Board may release any Director from his or her duty to avoid a conflict between the Director's duties to the Company and the Director's other interests (including personal interests) in connection with any matter brought to the attention of the Board which would or might otherwise constitute or give rise to a conflict between that Director's duties to the Company and that Director's other interests (including personal interests). Release of a Director under this Article shall be effective only if the matter is considered at a meeting of the Board at which the quorum is met without counting the Director in question and the matter is agreed to without that Director voting or would have been agreed to if the vote of that Director had not been counted.
 216. The Directors may exercise the voting powers conferred by the shares of any other company held or owned by the Company in such manner in all respects as they think fit and, in particular, they may exercise the voting powers in favour of any resolution: (a) appointing the Directors or any of them as directors or officers of such other company; or (b) providing for the payment of remuneration or pensions to the directors or officers of such other company.
 217. Subject to any applicable law or the relevant code, rules and regulations applicable to the listing of the shares on any Exchange, any Director may vote in favour of the exercise of such voting rights notwithstanding that he or she may be or may be about to become a Director or officer of the other company referred to in Article 216 and as such or in any other way is or may be interested in the exercise of such voting rights in the foregoing manner.
 218. A Director may hold any other office or place of profit under the Company (other than Auditor) in conjunction with his or her office of Director for such period and on such terms as to remuneration and otherwise as the Directors may determine.
 219. Without prejudice to the provisions of section 228 of the Act, a Director may be or become a director or other officer of, or otherwise interested in, any company promoted by the Company or in which the Company may be interested as member or otherwise.
 220. A Director may act by himself or herself, or his or her firm, in a professional capacity for the Company; and any Director, in such a case, or his or her firm, shall be entitled to remuneration for professional services as if he or she were not a Director, but nothing in this Article authorises a Director, or his or her firm, to act as Auditor.

-
221. No Director or nominee for Director shall be disqualified by his or her office from contracting with the Company either with regard to his or her tenure of any such other office or place of profit or as vendor, purchaser or otherwise.
222. In particular, neither shall:
- 222.1 any contract with respect to any of the matters referred to in Article 215 nor any contract or arrangement entered into by or on behalf of the Company in which a Director is in any way interested, be liable to be avoided; nor
- 222.2 a Director so contracting or being so interested be liable to account to the Company for any profit realised by any such contract or arrangement,
- by reason of such Director holding that office or of the fiduciary relation thereby established.
223. A Director, notwithstanding his or her interest, may be counted in the quorum present at any meeting at which:
- 223.1 that Director or any other Director is appointed to hold any such office or place of profit under the Company as is mentioned in Article 218; or

225. Any instrument to which a Company's seal shall be affixed shall be signed by any one of the following:
- 225.1 a Director;

226. The Company may have one or more duplicate common seals or official seals for use in different locations including for use abroad.

SERVICE OF NOTICES ON MEMBERS

227. A notice required or authorised to be served on or given to a member of the Company pursuant to a provision of the Act or these Articles shall, save where the means of serving or giving it specified in Article 227.4 is used, be in writing and may be served on or given to the member in one of the following ways:
- 227.1 by delivering it to the member;
 - 227.2 by leaving it at the registered address of the member;
 - 227.3 by sending it by post in a prepaid letter to the registered address of the member; or
 - 227.4 subject to Article 232, by electronic mail or other means of electronic communication approved by the Directors to the contact details notified to the Company by any such member for such purpose (or if not so notified, then to the contact details of the member last known to the Company). A notice or document may be sent by electronic means to the fullest extent permitted by the Act.
228. Without prejudice or limitation to the foregoing provisions of Article 227.1 to 227.4, for the purposes of these Articles and the Act, a document shall be deemed to have been sent to a member if a notice is given, served, sent or delivered to the member and the notice specifies the website or hotlink or other electronic link at or through which the member may obtain a copy of the relevant document.
229. Any notice served or given in accordance with Article 227 shall be deemed, in the absence of any agreement to the contrary between the Company (or, as the case may be, the officer of it) and the member, to have been served or given:
- 229.1 in the case of its being delivered, at the time of delivery (or, if delivery is refused, when tendered);
 - 229.2 in the case of its being left, at the time that it is left;
 - 229.3 in the case of its being posted on any day other than a Friday, Saturday or Sunday, 24 hours after despatch and in the case of its being posted:
 - (a) on a Friday — 72 hours after despatch; or
 - (b) on a Saturday or Sunday — 48 hours after despatch;

-
231. Notwithstanding anything contained in these Articles to the contrary, the Company shall not be obliged to take account of or make any investigations as to the existence of any suspension or curtailment of postal services within or in relation to all or any part of any jurisdiction.
232. Any requirement in these Articles for the consent of a member in regard to the receipt by such member of electronic mail or other means of electronic communications approved by the Directors, including the receipt of the Company's annual report, statutory financial statements and the Directors' and Auditor's reports thereon, shall be deemed to have been satisfied where the Company has written to the member informing him or her of its intention to use electronic communications for such purposes and the member has not, within four weeks of the issue of such notice, served an objection in writing on the Company to such member. Where a member has given, or is deemed to have given, his/her consent to the receipt by such member of electronic mail or other means of electronic communications approved by the Directors, she/he may revoke such consent at any time by requesting the Company to communicate with him or her in documented form; provided, however, that such revocation shall not take effect until five days after written notice of the revocation is received by the Company. Notwithstanding anything to the contrary in this Article 232, no such consent shall be necessary, and to the extent it is necessary, such consent shall be deemed to have been given, if electronic communications are permitted to be used under the rules and regulations of any Exchange on which the shares in the capital of the Company or other securities of the Company are listed or under the rules of the SEC.
233. If at any time by reason of the suspension or curtailment of postal services in any territory, the Company is unable effectively to convene a general meeting by notices sent through the post, a general meeting may be convened by a public announcement (as defined below) and such notice shall be deemed to have been duly served on all members entitled thereto at noon (Ireland time) on the day on which the said public announcement is made. In any such case the Company shall put a full copy of the notice of the general meeting on its website.
234. Notice shall be given by the Company to the joint holders of a share in the capital of the Company by giving the notice to both such holders whose names stand in the Register in respect of the share.
235. 235.1 Every person who becomes entitled to a share in the capital of the Company shall, before his or her name is entered in the Register in respect of the share, be bound by any notice in respect of that share which has been duly given to a person from whom he or she derives his or her title.
- 235.2 A notice may be given by the Company to the persons entitled to a share in the capital of the Company in consequence of the death or bankruptcy of a member by sending or delivering it, in any manner authorised by these Articles for the giving of notice to a member, addressed to them at the address, if any, supplied by them for that purpose. Until such an address has been supplied, a notice may be given in any manner in which it might have been given if the death or bankruptcy had not occurred.
236. The signature (whether electronic signature, an advanced electronic signature or otherwise) to any notice to be given by the Company may be written (in electronic form or otherwise) or printed.

SERVICE OF NOTICES ON THE COMPANY

237. In addition to the means of service of documents set out in section 51 of the Act, a notice or other document may be served on the Company by an officer of the Company by email provided, however, that the Directors have designated an email address for that purpose and notified that email address to its officers for the express purpose of serving notices on the Company.

 - (i) the publication of the documents on a website;
 - (ii) the address of that website; and
 - (iii) the place on that website where the documents may be accessed, and how they may be accessed.
- 238.4 Documents treated in accordance with Article 238 as sent to any person are to be treated as sent to him or her not less than 21 days before the date of a meeting if, and only if:
- (a) the documents are published on the website throughout a period beginning at least 21 days before the date of the meeting and ending with the conclusion of the meeting; and
 - (b) the notification given for the purposes of Article (c) is given not less than 21 days before the date of the meeting.
239. Any obligation by virtue of section 339(1) or (2) of the Act to furnish a person with a document may, unless these Articles provide otherwise, be complied with by using electronic communications for sending that document to such address as may for the time being be notified to the Company by that person for that purpose.

ACCOUNTING RECORDS

240. The Directors shall, in accordance with Chapter 2 of Part 6 of the Act, cause to be kept adequate accounting records, whether in the form of documents, electronic form or otherwise, that:
- 240.1 correctly record and explain the transactions of the Company;
 - 240.2 will at any time enable the assets, liabilities, financial position and profit or loss of the Company to be determined with reasonable accuracy;

-
- 240.3 will enable the Directors to ensure that any financial statements of the Company, required to be prepared under sections 290 or 293 of the Act, comply with the requirements of the Act; and
- 240.4 will enable those financial statements of the Company to be readily and properly audited.
241. The accounting records shall be kept on a continuous and consistent basis and entries therein shall be made in a timely manner and be consistent from year to year. Adequate accounting records shall be deemed to have been maintained if they comply with the provisions of Chapter 2 of Part 6 of the Act and explain the Company's transactions and facilitate the preparation of financial statements that give a true and fair view of the assets, liabilities, financial position and profit or loss of the Company and, if relevant, the Group and include any information and returns referred to in section 283(2) of the Act.
242. The accounting records shall be kept at the Office or, subject to the provisions of the Act, at such other place as the Directors think fit and shall be open at all reasonable times to the inspection of the Directors.
243. The Directors shall determine from time to time whether and to what extent and at what times and places and under what conditions or regulations the accounting records of the Company shall be open to the inspection of members, not being Directors. No member (not being a Director) shall have any right of inspecting any financial statement or accounting record of the Company except as conferred by the Act or authorised by the Directors or by the Company in a general meeting.
244. In accordance with the provisions of the Act, the Directors shall cause to be prepared and to be laid before the annual general meeting of the Company from time to time such statutory financial statements of the Company and reports as are required by the Act to be prepared and laid before such meeting.
245. A copy of every statutory financial statement of the Company (including every document required by law to be annexed thereto) which is to be laid before the annual general meeting of the Company together with a copy of the Directors' report and Auditors' report, or summary financial statements prepared in accordance with section 1119 of the Act, shall be sent, by post, electronic mail or any other means of electronic communications, not less than twenty-one Clear Days before the date of the annual general meeting, to every person entitled under the provisions of the Act to receive them; provided that where the Directors elect to send summary financial statements to the members, any member may request that he be sent a copy of the statutory financial statements of the Company. The Company may, in addition to sending one or more copies of its statutory financial statements, summary financial statements or other communications to its members, send one or more copies to any Approved Nominee. For the purposes of this Article, sending by electronic communications includes the making available or displaying on the Company's website (or a website designated by the Board) or the website of the SEC, and each member is deemed to have irrevocably consented to receipt of every statutory financial statement of the Company (including every document required by law to be annexed thereto) and every copy of the Directors' report and the Auditors' report and every copy of any summary financial statements prepared in accordance with section 1119 of the Act, by any such document being made so available or displayed.
246. Auditors shall be appointed and their duties regulated in accordance with the Act.

WINDING UP

247. Subject to the provisions of the Act as to preferential payments, the property of the Company on its winding up shall be distributed among the members according to their rights and interests in the Company.
248. Unless the conditions of issue of the shares in question provide otherwise, dividends declared by the Company more than six years preceding the commencement date of a winding up of the Company, being dividends which have not been claimed within that period of six years, shall not be a claim admissible to proof against the Company for the purposes of the winding up.
249. If the Company shall be wound up and the assets available for distribution among the members as such shall be insufficient to repay the whole of the paid up or credited as paid up share capital, such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the members in proportion to the capital paid up or credited as paid up at the commencement of the winding up on the shares in the capital of the Company held by them respectively. If in a winding up the assets available for distribution among the members shall be more than sufficient to repay the whole of the share capital paid up or credited as paid up at the commencement of the winding up, the excess shall be distributed among the members in proportion to the capital at the commencement of the winding up paid up or credited as paid up on the said shares held by them respectively; provided that this Article shall be subject to any specific rights attaching to any class of share capital.
- 249.1 In case of a sale by the liquidator under section 601 of the Act, the liquidator may by the contract of sale agree so as to bind all the members, for the allotment to the members directly, of the proceeds of sale in proportion to their respective interests in the Company and may further, by the contract, limit a time at the expiration of which obligations or shares in the capital of the Company not accepted or required to be sold shall be deemed to have been irrevocably refused and be at the disposal of the Company, but so that nothing herein contained shall be taken to diminish, prejudice or affect the rights of dissenting members conferred by the said section.
- 249.2 The power of sale of the liquidator shall include a power to sell wholly or partially for debentures, debenture stock, or other obligations of another company, either then already constituted or about to be constituted for the purpose of carrying out the sale.
250. If the Company is wound up, the liquidator, with the sanction of a special resolution and any other sanction required by the Act, may divide amongst the members in specie or kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not), and, for such purpose, may value any assets and determine how the division shall be carried out as between the members or different classes of members. The liquidator, with the like sanction, may vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as, with the like sanction, he or she determines, but so that no member shall be compelled to accept any assets upon which there is a liability.

BUSINESS TRANSACTIONS

251. In addition to any affirmative vote or consent required by law or these Articles, and except as otherwise expressly provided in Article 252, a Business Transaction (as defined in Article 253.3) with, or proposed by or on behalf of, any Interested Person (as defined in Article 253.6) or any Affiliate (as defined in Article 253.1) of any Interested Person or any person who thereafter would be an Affiliate of such Interested Person shall require approval by the affirmative vote of members of the Company holding not less than two-thirds (2/3) of the paid up ordinary share capital of the

Company, excluding the voting rights attached to any shares beneficially owned by such Interested Person. Such affirmative vote shall be required notwithstanding the fact that no vote may be required, or that a lesser percentage may be specified, by law or in any agreement with any Exchange or otherwise.

252. The provisions of Article 251 shall not be applicable to any particular Business Transaction, and such Business Transaction shall require only such affirmative vote, if any, as is required by law or by any other provision of these Articles, or any agreement with any Exchange, if either (i) the Business Transaction shall have been approved by a majority of the Board prior to such Interested Person first becoming an Interested Person or (ii) prior to such Interested Person first becoming an Interested Person, a majority of the Board shall have approved such Interested Person becoming an Interested Person and, subsequently, a majority of the Independent Directors (as hereinafter defined) shall have approved the Business Transaction.
253. The following definitions shall apply with respect to Articles 251 to 255:
- 253.1 The term "Affiliate" shall mean a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, a specified person.
- 253.2 A person shall be a "beneficial owner" of any shares of the Company (a) which such person or any of its Affiliates beneficially owns, directly or indirectly; (b) which such person or any of its Affiliates has, directly or indirectly, (i) the right to acquire (whether such right is exercisable immediately or subject only to the passage of time or the occurrence of one or more events), pursuant to any agreement, arrangement or understanding or upon the exercise of conversion rights, exchange rights, warrants or options, or otherwise, or (ii) the right to vote pursuant to any agreement, arrangement or understanding; provided, however, that a person shall not be deemed the beneficial owner of any security if the agreement, arrangement or understanding to vote such security arises solely from a revocable proxy or consent solicitation made pursuant to and in accordance with the Act; or (c) which is beneficially owned, directly or indirectly, by any other person with which such person or any of its Affiliates has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting or disposing of any shares of the Company (except to the extent permitted by the proviso of clause (b)(ii) above). For the purposes of determining whether a person is an Interested Person pursuant to Article 253.6, the number of shares of the Company deemed to be outstanding shall include shares deemed beneficially owned by such person through application of this Article 253.2, but shall not include any other shares of the Company that may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.
- 253.3 The term "Business Transaction" shall mean any of the following transactions when entered into by the Company or a subsidiary of the Company with, or upon a proposal by or on behalf of, any Interested Person or any Affiliate of any Interested Person:
- (a) any merger or consolidation of the Company or any subsidiary with (i) any Interested Person, or (ii) any other body corporate which is, or after such merger or consolidation would be, an Affiliate of an Interested Person;
 - (b) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions), except proportionately as a member of the Company, to or with the Interested Person of assets of the Company (other than shares of the Company or of any subsidiary of the Company which assets have an aggregate market value equal to ten percent (10%) or more of the aggregate market value of all the issued share capital of the Company);

-
- (c) any transaction that results in the issuance of shares or the transfer of treasury shares by the Company or by any subsidiary of the Company of any shares of the Company or any shares of such subsidiary to the Interested Person, except (i) pursuant to the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into stock of the Company or any such subsidiary which securities were outstanding prior to the time that the Interested Person became such, (ii) pursuant to a dividend or distribution paid or made, or the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into shares of the Company or any such subsidiary which security is distributed, pro rata to all holders of a class or series of shares of the Company subsequent to the time the Interested Person became such, (iii) pursuant to an exchange offer by the Company to purchase shares made on the same terms to all holders of said shares, (iv) any issuance of shares or transfer of treasury shares of the Company by the Company, provided, however, that in the case of each of the clauses (ii) through (iv) above there shall be no increase of more than one percent (1%) in the Interested Person's proportionate share in the shares of the Company of any class or series or (v) pursuant to a public offering or private placement by the Company to an Institutional Investor;
 - (d) any reclassification of securities, recapitalization or other transaction involving the Company or any subsidiary of the Company which has the effect, directly or indirectly, of (i) increasing the proportionate amount of the shares of any class or series, or securities convertible into the shares of any class or series, of the Company or of any such subsidiary which is owned by the Interested Person, except as a result of immaterial changes due to fractional share adjustments or as a result of any purchase or redemption of any shares not caused, directly or indirectly, by the Interested Person or (ii) increasing the voting power, whether or not then exercisable, of an Interested Person in any class or series of shares of the Company or any subsidiary of the Company;
 - (e) the adoption of any plan or proposal by or on behalf of an Interested Person for the liquidation, dissolution or winding-up of the Company; or
 - (f) any receipt by the Interested Person of the benefit, directly or indirectly (except proportionately as a member of the Company), of any loans, advances, guarantees, pledges, tax benefits or other financial benefits (other than those expressly permitted in subparagraphs (a) through (e) above) provided by or through the Company or any subsidiary thereof.
- 253.4 The term "**Independent Directors**" shall mean the members of the Board who are not Affiliates or representatives of, or associated with, an Interested Person and who were either Directors prior to any person becoming an Interested Person or were recommended for election or elected to succeed such directors by a vote which includes the affirmative vote of a majority of the Independent Directors.
- 253.5 The term "**Institutional Investor**" shall mean a person that (a) has acquired, or will acquire, all of its shares in the Company in the ordinary course of its business and not with the purpose nor with the effect of changing or influencing the control of the Company, nor in connection with or as a participant in any transaction having such purpose or effect,

including any transaction subject to rule 13d-3(b) under the Exchange Act, and (b) is a registered broker dealer; a bank as defined in section 3(a)(6) of the Exchange Act; an insurance company as defined in, or an investment company registered under, the Investment Company Act of 1940 of the United States; an investment advisor registered under the Investment Advisors Act of 1940 of the United States; an employee benefit plan or pension fund subject to the Employee Retirement Income Security Act of 1974 of the United States or an endowment fund; a parent holding company, provided that the aggregate amount held directly by the parent and directly and indirectly by its subsidiaries which are not persons specified in the foregoing subclauses of this clause (b) does not exceed one percent (1%) of the securities of the subject class; or a group, provided that all the members are persons specified in the foregoing subclauses of this clause (b).

253.6 The term “**Interested Person**” shall mean any person (other than the Company, any subsidiary, any profit-sharing, employee share ownership or other employee benefit plan of the Company or any subsidiary or any trustee of or fiduciary with respect to any such plan when acting in such capacity) who (a) is the beneficial owner of shares of the Company representing ten percent (10%) or more of the votes entitled to be cast by the holders of all the paid up share capital of the Company; (b) has stated in a filing with any governmental agency or press release or otherwise publicly disclosed a plan or intention to become or consider becoming the beneficial owner of shares of the Company representing ten percent (10%) or more of the votes entitled to be cast by the holders of all paid up share capital of the Company and has not expressly abandoned such plan, intention or consideration more than two years prior to the date in question; or (c) is an Affiliate of the Company and at any time within the two-year period immediately prior to the date in question was the beneficial owner of shares representing ten percent (10%) or more of the votes entitled to be cast by holders of all the paid up share capital of the Company.

253.7 The term “**person**” shall mean any individual, body corporate, partnership, unincorporated association, trust or other entity.

253.8 The term “**subsidiary**” has the meaning ascribed to it in section 7 of the Act.

254. A majority of the Independent Directors shall have the power and duty to determine, on the basis of information known to them after reasonable inquiry, for the purposes of (i) Articles 251 and 252, all questions arising under Articles 251 and 252 including, without limitation (a) whether a person is an Interested Person, (b) the number of shares of the Company or other securities beneficially owned by any person; and (c) whether a person is an Affiliate of another; and (ii) these Articles, the question of whether a person is an Interested Person. Any such determination made in good faith shall be binding and conclusive on all parties.

255. Nothing contained in Articles 251 to 254 shall be construed to relieve any Interested Person from any fiduciary obligation imposed by law.

SHAREHOLDER RIGHTS PLAN

256. Subject to applicable law, the Directors are hereby expressly authorised to adopt any shareholder rights plan (a “**Rights Plan**”), upon such terms and conditions as the Directors deem expedient and in the best interests of the Company, including, without limitation, where the Directors are of the opinion that a Rights Plan could grant them additional time to gather relevant information or pursue strategies in response to or anticipation of, or could prevent, a potential change of control of the Company or accumulation of shares in the Company or interests therein.

257. The Directors may exercise any power of the Company to grant rights (including approving the execution of any documents relating to the grant of such rights) to subscribe for ordinary shares or preferred shares in the share capital of the Company (“**Rights**”) in accordance with the terms of a Rights Plan.
258. For the purposes of effecting an exchange of Rights for ordinary shares or preferred shares in the share capital of the Company (an “**Exchange**”), the Directors may:
- 258.1 resolve to capitalise an amount standing to the credit of the reserves of the Company (including, but not limited to, the share premium account, capital redemption reserve, any undenominated capital and profit and loss account), whether or not available for distribution, being an amount equal to the nominal value of the ordinary shares or preferred shares which are to be exchanged for the Rights; and
- 258.2 apply that sum in paying up in full ordinary shares or preferred shares and allot such shares, credited as fully paid, to those holders of Rights who are entitled to them under an Exchange effected pursuant to the terms of a Rights Plan.
259. The duties of the Directors to the Company under applicable law, including, but not limited to, the Act and common law, are hereby deemed amended and modified such that the adoption of a Rights Plan and any actions taken thereunder by the Directors (if so approved by the Directors) shall be deemed to constitute an action in the best interests of the Company in all circumstances, and any such action shall be deemed to be immediately confirmed, approved and ratified.

UNTRACED MEMBERS

260. The Company shall be entitled to sell at the best price reasonably obtainable any share of a member or any share to which a person is entitled by transmission if and provided that:
- 260.1 for a period of twelve years no cheque or warrant sent by the Company through the post in a pre-paid letter addressed to the member or to the person entitled by transmission to the share at his address on the Register or at the last known address given by the member or the person entitled by transmission to which cheques and warrants are to be sent has been cashed and no communication has been received by the Company from the member or the person entitled by transmission (provided that during such twelve year period at least three dividends shall have become payable in respect of such share);
- 260.2 at the expiration of the said period of twelve years by advertisement in a national daily newspaper published in Ireland and in a newspaper circulating in the area in which the address referred to in Article 260.1 is located the Company has given notice of its intention to sell such share;
- 260.3 during the further period of three months after the date of the advertisement and prior to the exercise of the power of sale the Company has not received any communication from the member or person entitled by transmission; and
- 260.4 the Company has first given notice in writing to the appropriate sections of the Exchanges of its intention to sell such shares.
261. Where a share, which is to be sold as provided in Article 260, is held in uncertificated form, the Directors may authorise any person to do all that is necessary to change such share into certificated form prior to its sale.

262. To give effect to any such sale the Company may appoint any person to execute as transferor an instrument of transfer of such share and such instrument of transfer shall be as effective as if it had been executed by the member or the person entitled by the transmission to such share. The transferee shall be entered in the Register as the member of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase moneys nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.
263. The Company shall account to the member or other person entitled to such share for the net proceeds of such sale by carrying all moneys in respect thereof to a separate account which shall be a permanent debt of the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such member or other person. Moneys carried to such separate account may be either employed in the business of the Company or held as cash or cash equivalents, or invested in such investments as the Directors may think fit, from time to time.

DESTRUCTION OF RECORDS

264. The Company shall be entitled to destroy all instruments of transfer which have been registered at any time after the expiration of six years from the date of registration thereof, all notifications of change of name or change of address however received at any time after the expiration of two years from the date of recording thereof and all share certificates and dividend mandates which have been cancelled or ceased to have effect at any time after the expiration of one year from the date of such cancellation or cessation. It shall be presumed conclusively in favour of the Company that every entry in the Register purporting to have been made on the basis of an instrument of transfer or other document so destroyed was duly and properly made and every instrument duly and properly registered and every share certificate so destroyed was a valid and effective document duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company. Provided always that:
- 264.1 the provision aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
- 264.2 nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Article; and
- 264.3 references herein to the destruction of any document include references to the disposal thereof in any manner.

INDEMNIFICATION

265. 265.1 Subject to the provisions of and so far as may be permitted by the Act, each person who is or was a Director, officer or employee of the Company, and each person who is or was serving at the request of the Company as a director, officer or employee of another company, or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans maintained or sponsored by the Company (including the heirs, executors, administrators and estate of such person) shall be entitled to be indemnified by the Company against all costs, charges, losses, expenses and liabilities incurred by him or her in the execution and discharge of his or her duties or in relation thereto, including any liability incurred by him or her in defending any proceedings, civil

or criminal, which relate to anything done or omitted or alleged to have been done or omitted by him or her as a director, officer or employee of the Company or such other company, partnership, joint venture, trust or other enterprise, and in which judgment is given in his or her favour (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his or her part) or in which he or she is acquitted or in connection with any application under any statute for relief from liability in respect of any such act or omission in which relief is granted to him or her by the court.

- 265.2 In the case of any threatened, pending or completed action, suit or proceeding by or in the right of the Company, the Company shall indemnify, to the fullest extent permitted by the Act, each person indicated in Article 265.1 against expenses, including attorneys' fees actually and reasonably incurred in connection with the defence or the settlement thereof, except no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable for fraud or dishonesty in the performance of his or her duty to the Company unless and only to the extent that the courts of Ireland or the court in which such action or suit was brought shall determine upon application that despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the Court shall deem proper.
- 265.3 As far as permissible under the Act, expenses, including attorneys' fees, incurred in defending any action, suit or proceeding referred to in this Article shall be paid by the Company in advance of the final disposition of such action, suit or proceeding upon receipt of a written affirmation by or on behalf of the Director, officer, employee or other indemnitee of a good faith belief that the criteria for indemnification have been satisfied and a written undertaking to repay such amount if it shall ultimately be determined that such Director, officer or employee or other indemnitee is not entitled to be indemnified by the Company as authorised by these Articles.
- 265.4 It being the policy of the Company that indemnification of the persons specified in this Article shall be made to the fullest extent permitted by law, the indemnification provided by this Article shall not be deemed exclusive of: (a) any other rights to which those seeking indemnification or advancement of expenses may be entitled under the Memorandum, these Articles, any agreement, any insurance purchased by the Company, any vote of members or disinterested Directors, or pursuant to the direction (however embodied) of any court of competent jurisdiction, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, or (b) any amendments or replacements of the Act which permit for greater indemnification of the persons specified in this Article and any such amendment or replacement of the Act shall hereby be incorporated into these Articles. As used in this Article 265.4, references to the "Company" include all constituent companies in a consolidation or merger in which the Company or any predecessor to the Company by consolidation or merger was involved. The indemnification provided by this Article shall continue as to a person who has ceased to be a Director, officer or employee and shall inure to the benefit of the heirs, executors, and administrators of such Directors, officers, employees or other indemnitees.
- 265.5 The Directors shall have power to purchase and maintain for any Director, the Company Secretary or other officers or employees of the Company insurance against any such liability as referred to in section 235 of the Act.

- 265.6 The Company may additionally indemnify any agent of the Company or any director, officer, employee or agent of any of its subsidiaries to the fullest extent provided by law, and purchase and maintain insurance for any such person as appropriate.
266. Subject to the provisions of the Act and so far as may be permitted by the Act, no person shall be personally liable to the Company or its members for monetary damages for breach of fiduciary duty as a Director, provided, however, that the foregoing shall not eliminate or limit the liability of a Director:
- 266.1 for any breach of the Director's duty of loyalty or duty of care to the Company or its members;
- 266.2 for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; or
- 266.3 for any transaction from which the Director derived an improper personal benefit.

If any applicable law or the relevant code, rules and regulations applicable to the listing of the Company's shares on any Exchange is amended hereafter to authorise corporate action further eliminating or limiting the personal liability of Directors, then the liability of a Director shall be eliminated or limited to the fullest extent permitted by the relevant law, as so amended. Any amendment, repeal or modification of this Article 266 shall not adversely affect any right or protection of a Director existing hereunder with respect to any act or omission occurring prior to such amendment, repeal or modification.

GOVERNING LAW AND JURISDICTION

267. This constitution and any dispute or claim arising out of or in connection with it or its subject matter, formation, existence, negotiation, validity, termination or enforceability (including non-contractual obligations, disputes or claims) will be governed by and construed in accordance with the laws of Ireland.
268. Subject to Article 269, the courts of Ireland are to have exclusive jurisdiction to settle any dispute arising out of or in connection with this constitution and, for such purposes, the Company and each shareholder irrevocably submit to the exclusive jurisdiction of such courts. Any proceeding, suit or action arising out of or in connection with this Constitution (the "**Proceedings**") will therefore be brought in the courts of Ireland. Each shareholder irrevocably waives any objection to Proceedings in the courts referred to in this Article on the grounds of venue or on the grounds of forum *non conveniens*.
269. Unless the Company consents in writing to the selection of an alternative forum, the federal district courts of the United States of America shall, to the fullest extent permitted by law, be the sole and exclusive forum for the resolution of any complaint asserting a cause of action arising under the Exchange Act or the Securities Act of 1933 of the United States. Any person or entity purchasing or otherwise acquiring any interest in any security of the Company shall be deemed to have notice of and consented to this provision.

ARTICLE II **CONTINGENT VALUE RIGHTS**

2.1. CVR I. Each CVR I represents the right of the holder thereof to receive [*] newly issued PubCo Class A Ordinary Shares; each CVR I shall be exercised automatically upon PubCo’s delivery of the CVR Payment Notice (as defined below) to the Rights Agent, notifying the Rights Agent that Triggering Event I is not met with respect to the First Measurement Period.

2.2. CVR II. Each CVR II represents the right of the holder thereof to receive [*] newly issued PubCo Class A Ordinary Shares; each CVR II shall be exercised automatically upon PubCo’s delivery of the CVR Payment Notice to the Rights Agent, notifying the Rights Agent that Triggering Event II is not met with respect to the Second Measurement Period.

2.3. CVR III. Each CVR III represents the right of the holder thereof to receive [•] newly issued PubCo Class A Ordinary Shares; each CVR III shall be exercised automatically upon PubCo's delivery of the CVR Payment Notice, notifying the Rights Agent that Triggering Event III is not met with respect to the Third Measurement Period.

2.4. Nontransferable. The CVRs shall not be sold, assigned, transferred, pledged, encumbered or in any other manner transferred or disposed of, in whole or in part other than through a Permitted CVR Transfer; the foregoing restrictions shall apply notwithstanding that certain of the CVRs will be held through the Depository (as defined below). Any attempted sale, assignment, transfer, pledge, encumbrance or disposition of CVRs, in whole or in part, in violation of this Section 2.4 shall be void ab initio and of no effect. The CVRs will not be listed on any quotation system or traded on any securities exchange.

2.5. No Certificate; Registration

(a) The CVRs will not be evidenced by a certificate or other instrument.

(b) The Rights Agent will keep the CVR Register for the purpose of (i) identifying the CVR Holders and (ii) registering CVRs in book-entry position and Permitted CVR Transfers thereof. The Rights Agent shall make the CVR Register available to PubCo upon reasonable request, including for the avoidance of doubt for purposes of calculating the amounts, if any, to be paid to CVR Holders. The CVR Register will be updated as necessary by the Rights Agent to reflect the addition or removal of CVR Holders (pursuant to any Permitted CVR Transfers), upon the written receipt of such information by the Rights Agent.

(c) The CVRs shall be deposited with the Rights Agent as the custodian for The Depository Trust Company (including its nominees and successors, the "Depository").

(d) Subject to the restrictions on transferability set forth in Section 2.4, every request made to transfer a CVR must be in writing and accompanied by a written instrument of transfer, in form reasonably satisfactory to the Rights Agent pursuant to its guidelines, duly executed by the CVR Holder thereof, the CVR Holder's attorney duly authorized in writing, the CVR Holder's personal representative duly authorized in writing, or the CVR Holder's survivor (with written documentation evidencing such person's status as the CVR Holder's survivor), and setting forth in reasonable detail the circumstances relating to the requested transfer. Upon receipt of such written notice, the Rights Agent will, subject to its reasonable determination that the transfer instrument is in proper form and the transfer otherwise complies with the other terms and conditions of this Agreement (including the provisions of Section 2.4), register the transfer of the CVRs in the CVR Register. As a condition of such transfer, the Rights Agent may require a transferring CVR Holder or its transferee to pay to the applicable Governmental Body any transfer, stamp or other similar Tax or governmental charge that is imposed in connection with any such registration of transfer. The Rights Agent shall have no duty or obligation to take any action under any section of this Agreement that requires the payment by a CVR Holder of such applicable Taxes or charges unless and until the Rights Agent is reasonably satisfied that all such Taxes or charges have been paid or that such Taxes or charges are not applicable. No transfer of a CVR will be valid until registered in the CVR Register in accordance with this Agreement.

(e) A CVR Holder may make a written request to the Rights Agent to change such CVR Holder's address of record in the CVR Register. The written request must be duly executed by the CVR Holder. Upon receipt of such written notice, the Rights Agent will promptly record the change of address in the CVR Register.

2.6. Procedures for Satisfaction of CVRs.

(a) In the event that PubCo has determined that a CVR Payment is to be made, PubCo will promptly (but in any event within ten (10) Business Days after such determination) (i) notify the Rights Agent in writing (a "***CVR Payment Notice***") of (x) number of PubCo Class A Ordinary Shares that will be issued to each Qualifying CVR Holder for each applicable CVR in connection with such CVR Payment (the "***CVR Property***") and (y) the requirements to become a Qualifying CVR Holder (as defined below) with respect to such CVR Payment and instructions for providing such information and (ii) cause one of its subsidiaries to pay PubCo a total amount equivalent to the par value of each PubCo Class A Ordinary Share that will be issued (the "***Subscription Price***"). Upon delivery of the CVR Payment Notice and after payment of the applicable Subscription Price, PubCo will (i) make appropriate arrangements with the Rights Agent for delivery to the applicable Qualifying CVR Holders the amount of CVR Property as set forth in the CVR Payment Notice (with any PubCo Class A Ordinary Shares so issued being in uncertificated book-entry form) and (ii) issue a press release providing (A) the CVR Property to be issued to each applicable CVR Holder and (B) the requirements to become a Qualifying CVR Holder, including if determined necessary or appropriate by PubCo, a record date for CVR Holders to receive the CVR Payment.

(b) Notwithstanding the foregoing provisions of this Section 2.6, solely for so long as and to the extent reasonably necessary, PubCo may delay the delivery of the CVR Payment if there is any (i) issuance by the SEC of any stop order suspending the effectiveness of any registration statement upon which any of the PubCo Class A Ordinary Shares that may be distributed pursuant to this Agreement are to be registered or the initiation or threat of any proceedings for that purpose, (ii) delisting or pending delisting of any PubCo Class A Ordinary Shares that may be distributed pursuant to this Agreement by any national securities exchange or market on which such shares are then listed, quoted or admitted to trading or any refusal to list such shares on any national securities exchange or market on which they are intended to be listed or admitted to trading, or (iii) receipt by PubCo of any notification with respect to the suspension of the qualification of any PubCo Class A Ordinary Shares that may be distributed pursuant to this Agreement for sale under the securities or "blue sky" laws of any jurisdiction or the initiation of any proceeding for such purpose.

(c) In order to be eligible to receive any CVR Property in connection with a CVR Payment, an applicable CVR Holder must deliver to the Rights Agent in the manner specified in the CVR Payment Notice, any information (including any IRS Form W-9s or W-8s) reasonably requested by PubCo in connection with satisfying PubCo's obligations under this Agreement. Each applicable CVR Holder who completes the aforementioned requirements and is a record holder of an applicable CVR as of the date of the delivery of the CVR Payment Notice to the Rights Agent, shall be designated as a "***Qualifying CVR Holder***". If an applicable CVR Holder otherwise entitled to receive CVR Property in connection with a CVR Payment fails to become a Qualifying CVR Holder, the Rights Agent will hold the portion of the CVR Property otherwise payable to such CVR Holder in escrow until such CVR Holder becomes a Qualifying CVR Holder; provided, that if such CVR Holder fails to become a Qualifying CVR Holder within one (1) year after the delivery

of the applicable CVR Payment Notice to the Rights Agent, then such CVR Holder will be deemed to have forfeited its rights to the applicable CVR Property and such CVR shall cease to represent a claim or interest of any kind or nature against PubCo, and such CVR Property will be returned to, and become the property of (free and clear of all claims or interest of any Person previously entitled thereto) PubCo, with any PubCo Class A Ordinary Shares to be promptly cancelled thereafter by PubCo; neither PubCo nor the Rights Agent shall be liable to such CVR Holder with respect to such CVR Property. In addition, neither PubCo nor the Rights Agent shall be liable to any Qualifying CVR Holder for all or any portion of any such Qualifying CVR Holder's CVR Property that is properly delivered to a public official pursuant to any applicable abandoned property law, escheat law or similar law.

(d) The Rights Agent will promptly, and in any event within ten (10) Business Days following its receipt of the CVR Payment Notice and applicable CVR Property (i) coordinate with PubCo (including in any capacity as PubCo's transfer agent) to effect the delivery of the applicable CVR Property, subject to Section 2.5(f), to each Qualifying CVR Holder (with any PubCo Class A Ordinary Shares so issued being in uncertificated book-entry form). Notwithstanding anything herein to the contrary, in no event shall any party hereto be required to deliver to any Qualifying CVR Holder any fractional PubCo Class A Ordinary Share. If any fractional PubCo Class A Ordinary Share would otherwise be required to be delivered to a Qualifying CVR Holder but for this Section 2.6(d), the number of PubCo Class A Ordinary Shares to be delivered to such Qualifying CVR Holder shall be rounded down to the nearest whole number. Each applicable CVR held by a Qualifying CVR Holder shall be deemed to be immediately and automatically cancelled upon the delivery of the applicable CVR Property to such Qualifying CVR Holder, or as otherwise contemplated by Section 2.5(f).

(e) Notwithstanding anything in this Agreement to the contrary, if after the date of the delivery of the CVR Payment Notice to the Rights Agent, but prior to the delivery of the CVR Property by the Rights Agent to applicable CVR Holders, there is any recapitalization, stock split, reverse stock split, reorganization, split-up, spin-off, exchange of PubCo Class A Ordinary Shares, repurchase or other change in the corporate structure of PubCo affecting the PubCo Class A Ordinary Shares (each, an "**Extraordinary Event**"), PubCo shall take such actions as are necessary to prevent (as the case may be) diminution or enlargement of the benefits intended to be provided to the CVR Holders pursuant to this Agreement including (if appropriate) to deliver additional (or different) CVR Property to the Rights Agent to equitably account for such Extraordinary Event, with any specific modifications to be as reasonably determined in good faith by the Board of Directors. PubCo (or any successor thereto pursuant to an Extraordinary Event) shall promptly, and in any event, within two (2) Business Days following any Extraordinary Event, provide written notice to the Rights Agent of such Extraordinary Event.

(f) PubCo or the Rights Agent shall be entitled to deduct and withhold, or PubCo may cause the Rights Agent to deduct and withhold, from any CVR Property or any other amounts otherwise payable pursuant to this Agreement, such amounts as are required to be deducted and withheld therefrom under any provision of applicable Tax law as reasonably determined by PubCo. Prior to making any such Tax withholdings or causing any such Tax withholdings to be made with respect to any Qualifying CVR Holder, PubCo shall instruct the Rights Agent to solicit, to the extent not already in its possession, IRS Form W-9s or W-8s, or any other appropriate forms or information, from Qualifying CVR Holders in order to provide a reasonable opportunity for the Qualifying CVR Holder to timely provide any necessary Tax forms (including an IRS Form W-9

or an applicable IRS Form W-8) in order to avoid or reduce such withholding, and the payment of such CVR Property may be reasonably delayed in order to gather such necessary Tax forms. PubCo, its Affiliates and the Rights Agent may assume all such forms in its possession or provided by any Qualifying CVR Holder are valid under applicable law until subsequently notified by such Qualifying CVR Holder or, in the case of an exemption declaration form from Irish dividend withholding tax, until the 31st day of December in the fifth year following the year in which the declaration was made, if earlier. PubCo or the Rights Agent shall take all action that may be necessary to ensure that any amounts withheld in respect of Taxes from any CVR Payment are promptly remitted to the appropriate Governmental Authority. To the extent any amounts are so deducted and withheld and properly remitted to the appropriate Governmental Authority, such amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of whom such deduction and withholding was made, and as required by applicable law, PubCo shall, in a timely manner, deliver (or shall cause the Rights Agent to deliver) to the Person to whom such amounts would otherwise have been paid an original IRS Form 1099 or other reasonably acceptable documents evidencing such withholding.

(g) The PubCo Class A Ordinary Shares issuable to Qualifying CVR Holders as a CVR Payment will, when issued, be (i) duly authorized and validly issued, (ii) fully paid and non-assessable, (iii) issued in compliance with all applicable laws, (iv) not subject to preemptive rights or restrictions on transfer, other than applicable securities or “blue sky” laws, and, with respect to share transfers, as provided under Article 72 of the articles of association of PubCo as of the Effective Time, and (v) assuming the accuracy of the representations of the applicable Qualifying CVR Holder to be delivered to PubCo, issued (x) in compliance with all applicable federal or state securities or “blue sky” laws and (y) not in violation of any options, warrants, calls, rights (including preemptive rights), the organizational documents of PubCo, commitments or agreements to which PubCo is a party or by which it is bound.

2.7. No Voting, Dividends or Interest; No Equity or Ownership Interest in PubCo The CVRs will not have any voting or dividend rights, and interest will not accrue on any amounts payable on the CVRs (including any CVR Payment) to any CVR Holder. The CVRs will not represent any equity or ownership interest in PubCo, any constituent company to any of the transactions contemplated by the BCA or any of their respective Affiliates.

2.8. Ability to Abandon CVR A CVR Holder may at any time, at such CVR Holder’s option, abandon all of such CVR Holder’s remaining rights in any of the CVRs by releasing such CVR without consideration therefor and as of such time of release such CVR shall be immediately and automatically extinguished. Nothing in this Agreement shall prohibit PubCo or any of PubCo’s Affiliates from offering to acquire or acquiring any CVRs for consideration from the CVR Holders, in private transactions or otherwise, in its sole discretion.

2.9. Tax Treatment. The parties hereto agree, for U.S. federal (and applicable state and local) income tax purposes, (i) the existence of the Subscription Price and the payment thereof on behalf of the CVR Holder will be ignored, (ii) that the issuance of the CVR and receipt of the CVR Payment is intended to comply with, and shall be effected in accordance with, Internal Revenue Service Revenue Procedure 84-42, 1984-1 C.B. 521, and (iii) except to the extent any portion of a CVR Payment is required to be treated as imputed interest pursuant to applicable Tax law, to treat the CVR Payment as an adjustment to the PubCo Class A Ordinary Shares received pursuant to the Merger (collectively, the “Intended Tax Treatment”). No party shall take any position for U.S. federal (and applicable state and local) income tax purposes inconsistent with such Intended Tax Treatment, unless required to do so pursuant to a “determination” that is final within the meaning of Section 1313(a) of the Internal Revenue Code of 1986, as amended.

ARTICLE III
THE RIGHTS AGENT

3.1. Certain Duties and Responsibilities. The Rights Agent will not have any liability for any actions taken or not taken in connection with this Agreement, except to the extent of its fraud, willful misconduct, bad faith or gross negligence (each as determined by a judgment of a court of competent jurisdiction).

3.2. Certain Rights of Rights Agent. The Rights Agent undertakes to perform such duties and only such duties as are specifically set forth in this Agreement, and no implied covenants or obligations will be read into this Agreement against the Rights Agent. In addition:

(a) the Rights Agent may rely and will be protected and held harmless by PubCo in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) whenever the Rights Agent will deem it desirable that a matter be proved or established prior to taking, suffering or omitting to take any action hereunder, the Rights Agent may rely upon an officer's certificate delivered by PubCo, which certificate shall be full authorization and protection to the Rights Agent, and the Rights Agent shall, in the absence of bad faith, gross negligence or willful misconduct on its part, incur no liability and be held harmless by PubCo for or in respect of any action taken, suffered or omitted to be taken by it under the provisions of this Agreement in reliance upon such certificate;

(c) the Rights Agent may engage and consult with counsel of its selection and the written advice of such counsel or any opinion of counsel will be full and complete authorization and protection to the Rights Agent, and the Rights Agent shall be held harmless by PubCo in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the permissive rights of the Rights Agent to do things enumerated in this Agreement will not be construed as a duty;

(e) the Rights Agent will not be required to give any note or surety in respect of the execution of such powers or otherwise in respect of the premises;

(f) the Rights Agent shall not be liable for or by reason of, and shall be held harmless by PubCo with respect to, any of the statements of fact or recitals contained in this Agreement and shall not be required to verify the same (and shall be held harmless by PubCo with respect to same), but all such statements and recitals are and shall be deemed to have been made by PubCo or any other applicable party only;

(g) the Rights Agent will have no liability and shall be held harmless by PubCo in respect of the validity of this Agreement or the execution and delivery hereof (except the due execution and delivery hereof by the Rights Agent and the enforceability of this Agreement against the Rights Agent assuming the due execution and delivery hereof by PubCo); nor shall the Rights Agent be responsible for any breach by PubCo of any covenant or condition contained in this Agreement;

(h) PubCo agrees to indemnify the Rights Agent for, and hold the Rights Agent harmless against, any loss, liability, claim, demands, suits or expense arising out of or in connection with Rights Agent's duties under this Agreement, including the reasonable out-of-pocket costs and expenses of defending the Rights Agent against any claims, charges, demands, suits or loss, unless (i) such loss has been determined by a court of competent jurisdiction to be a result of the fraud, gross negligence, bad faith or willful or intentional misconduct of the Rights Agent or its Affiliates or Representatives; or (ii) is a result of the Rights Agent not adhering to the provisions of any Tax withholding made or not made by the Rights Agent (or anyone on its behalf); or (iii) such liability, claim, demand or expense comprises Taxes imposed on or measured by the Rights Agent's net income and franchise or similar Taxes imposed on it (in lieu of net income Taxes); or (iv) such loss, liability, claim, demand, suit or expense is a result of any of the matters contemplated by paragraph (l) below;

(i) PubCo agrees to pay the fees and expenses of the Rights Agent in connection with this Agreement as agreed upon in writing by the Rights Agent and PubCo on or prior to the date hereof and to reimburse the Rights Agent for all Taxes and governmental charges, reasonable and documented out-of-pocket expenses incurred by the Rights Agent in the execution of this Agreement (other than Taxes imposed on or measured by the Rights Agent's net income and franchise or similar Taxes imposed on it (in lieu of net income Taxes)) other than, in each case, amounts for which the Rights Agent is liable pursuant to Section 3.2(h). The Rights Agent will also be entitled to reimbursement from PubCo for all reasonable and necessary out-of-pocket expenses paid or incurred by it in connection with the administration by the Rights Agent of its duties hereunder;

(j) no provision of this Agreement shall require the Rights Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of its rights if there shall be reasonable grounds for believing that repayment of such funds or adequate indemnification against such risk or liability is not reasonably assured to it;

(k) the Rights Agent shall not be deemed to have knowledge of any event of which it was supposed to receive notice thereof hereunder, and the Rights Agent shall be fully protected and shall incur no liability for failing to take action in connection therewith, unless and until it has received such notice in writing;

(l) subject to federal securities laws, the Rights Agent and any shareholder, Affiliate, director, officer or employee of the Rights Agent may buy, sell or deal in any securities of PubCo or have a pecuniary interest in any transaction in which PubCo may be interested, or contract with or lend money to PubCo or otherwise act as fully and freely as though it were not the Rights Agent under this Agreement. Nothing herein shall preclude the Rights Agent from acting in any other capacity for PubCo or any other Person;

(m) the Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorney or agents; and

(n) except instructions to the Rights Agent as contemplated by this Agreement, the Rights Agent shall neither be responsible for, nor chargeable with, knowledge of, nor have any requirements to comply with, the terms and conditions of any other agreement, instrument or document to which it is not a party, including the BCA (except to the extent expressly incorporated herein), nor shall the Rights Agent be required to determine if any Person has complied with any such agreements, instruments or documents, nor shall any additional obligations of the Rights Agent be inferred from the terms of such agreements, instruments or documents even though reference thereto may be made in this Agreement.

3.3. Resignation and Removal; Appointment of Successor.

(a) The Rights Agent may resign at any time by giving written notice thereof to PubCo specifying a date when such resignation will take effect, which notice will be sent at least sixty (60) days prior to the date so specified, but in no event will such resignation become effective until a successor Rights Agent has been appointed. PubCo, by a determination of the Board of Directors, has the right to remove the Rights Agent at any time by specifying a date when such removal will take effect, but no such removal will become effective until a successor Rights Agent has been appointed by PubCo (by determination of the Board of Directors). Notice of such removal will be given by PubCo to the Rights Agent, which notice will be sent at least sixty (60) days prior to the date so specified.

(b) If the Rights Agent provides notice of its intent to resign, is removed pursuant to Section 3.3(a) or becomes incapable of acting, PubCo (by determination of the Board of Directors) will as soon as is reasonably possible appoint a qualified successor Rights Agent. Notwithstanding the foregoing, if PubCo shall fail to make such appointment within a period of sixty (60) days after giving notice of such removal or after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated Rights Agent, then the incumbent Rights Agent may apply to any court of competent jurisdiction for the appointment of a new Rights Agent. The successor Rights Agent so appointed will, forthwith upon its acceptance of such appointment in accordance with Section 3.4, become the successor Rights Agent.

(c) PubCo will give notice of each resignation and each removal of a Rights Agent and each appointment of a successor Rights Agent to the CVR Holders, which may be effected by any public filing or press release made or issued, as applicable, by PubCo, or by any other means reasonably anticipated to provide sufficient notice thereof to the CVR Holders. Each notice will include the name and address of the successor Rights Agent. If PubCo fails to give such notice within ten (10) Business Days after acceptance of appointment by a successor Rights Agent in accordance with Section 3.4, the successor Rights Agent will cause the notice to be given at the reasonable expense of PubCo.

3.4. Acceptance of Appointment by Successor. Every successor Rights Agent appointed pursuant to Section 3.3 will execute, acknowledge and deliver to PubCo and the retiring or terminated Rights Agent an instrument accepting such appointment and a counterpart of this Agreement, and thereupon such successor Rights Agent, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts and duties of the retiring or terminated Rights Agent. On request of PubCo or the successor Rights Agent, the retiring or terminated Rights Agent will execute and deliver an instrument transferring or novating to the successor Rights Agent all the rights, powers and trusts of the retiring or terminated Rights Agent.

ARTICLE IV
AMENDMENTS

4.1. Amendments without Consent of CVR Holders.

(a) Without the consent of any CVR Holders or the Rights Agent, PubCo, when authorized by a Board Resolution, may at any time and from time to time, amend, modify, supplement or waive any provision under this Agreement, by a written instrument signed by PubCo, for any of the following purposes, so long as, in the cases of clauses (ii) through (iv), such amendments do not, individually or in the aggregate, materially and adversely affect the interests of the CVR Holders, or materially and adversely affect the rights, duties, responsibilities or protections of the Rights Agent:

(i) to evidence the succession of another Person to PubCo and the assumption by any such successor of the covenants of PubCo herein as provided in Section 5.2;

(ii) to add to the covenants of PubCo such further covenants, restrictions, conditions or provisions as PubCo shall reasonably determine to be for the protection of the CVR Holders;

(iii) to cure any ambiguity, to correct or supplement any provision herein that may be defective or inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Agreement;

(iv) to evidence the succession of another Person as a successor Rights Agent and the assumption by any such successor of the covenants and obligations of the Rights Agent herein in accordance with Sections 3.3 and 3.4; or

(v) any other amendment hereto that does not adversely affect the legal rights under this Agreement of any CVR Holder.

(b) Without the consent of any CVR Holders, PubCo, when authorized by a Board Resolution, and the Rights Agent may at any time and from time to time, amend, modify, supplement or waive any provision under this Agreement, by a written instrument signed by PubCo and the Rights Agent in order to reduce the number of CVRs to reflect any releases and extinguishments of CVRs pursuant to Section 2.8.

4.2. Amendments with Consent of CVR Holders.

(a) In addition to any amendment, modification, supplement or waiver pursuant to Section 4.1 (which may be made without the consent of the CVR Holders), PubCo, when authorized by a Board Resolution, and with the consent of the Rights Agent (not to be unreasonably withheld, delayed or conditioned), may at any time and from time to time, amend, modify, supplement or waive any provision under this Agreement, by a written instrument signed by PubCo and the Rights Agent, if such parties have first obtained the affirmative vote of or a written consent signed by CVR Holders holding a majority of the issued and outstanding CVRs; provided that any such amendment, modification, supplement or waiver that materially and adversely affects the interests of a holder of a certain class of CVRs, individually or in the aggregate, will require an affirmative vote of or a written consent signed by the CVR Holders holding a majority of the issued and outstanding CVRs of such disadvantaged class. Any amendment, modification, supplement or waiver made in compliance with this Section 4.2 may be made for any purpose, including adding, eliminating or changing any provisions of this Agreement, even if such addition, elimination or change is adverse to the interest of one or more of the CVR Holders.

(b) In executing any amendment, modification, supplement or waiver permitted by this Article IV, the Rights Agent will be entitled to receive, and will be fully protected in relying upon, an opinion of counsel selected by PubCo stating that the execution of such amendment, modification, supplement or waiver is authorized or permitted by this Agreement. The Rights Agent may, but is not obligated to, enter into any such amendment, modification, supplement or waiver that affects the Rights Agent's own rights, privileges, covenants or duties under this Agreement or otherwise. PubCo will give notice of any amendment, modification, supplement or waiver of any provision under this Agreement to the CVR Holders and each other party hereto not executing the same, which notice may be effected by any public filing or press release made or issued, as applicable, by PubCo, or by any other means reasonably anticipated to provide notice thereof to the CVR Holders and the other applicable parties hereto; *provided*, that any failure to so notify the CVR Holders or any other party shall not affect the validity of such amendment, modification, supplement or waiver.

4.3. Effect of Amendments. Upon the execution of any amendment, modification, supplement or waiver under this Article IV, this Agreement will be modified in accordance therewith, such amendment, modification, supplement or waiver will form a part of this Agreement for all purposes and every CVR Holder and party hereto will be bound thereby.

5.2. Successors and Assigns.

(a) This Agreement will be binding upon, inure to the benefit of and be enforceable by PubCo's successors and assigns, and this Agreement shall not restrict PubCo's, any of its assignees' or any of its successors' ability to effect any change of control or otherwise merge or consolidate, transfer or convey all or substantially all of its and its subsidiaries' respective assets to any Person. Each of PubCo's successors, assigns or transferees of all or substantially all of the assets of PubCo and its subsidiaries, taken as a whole, as applicable, shall expressly assume by an instrument, supplemental hereto, executed and delivered to the Rights Agent and PubCo, the due and punctual delivery of the CVR Payment and the due and punctual performance and observance of all of the covenants and obligations of this Agreement to be performed or observed by PubCo shall agree to remain subject to its obligations hereunder, including delivery of the CVR Payment, if any. Any successor or assignee of PubCo permitted hereunder may thereafter assign any or all of its rights, interests and obligations hereunder in the same manner as PubCo is authorized to do pursuant to this [Section 5.2\(a\)](#).

(b) Except as expressly set forth in this Agreement, the Rights Agent may not assign this Agreement without PubCo's written consent (not to be unreasonably withheld, delayed or conditioned). Any attempted assignment of this Agreement in violation of this [Section 5.2\(b\)](#) shall be void and of no effect.

5.3. Benefits of Agreement. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person other than the parties and their respective successors and permitted assigns any legal or equitable right, benefit or remedy of any nature under or by reason of this Agreement; *provided, however,* that the CVR Holders and any Person acquiring CVRs through a transfer or exchange are express third party beneficiaries hereof to enforce the rights expressly granted to them hereunder.

5.4. Governing Law; Jurisdiction; Waiver of Jury Trial

(a) This Agreement, the CVRs and all disputes or controversies arising out of or relating to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the internal laws of the State of New York, without regard to the laws of any other jurisdiction that might be applied because of the conflicts of laws principles of the State of New York.

(b) Each of the parties irrevocably agrees that any legal action or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby brought by any party or its Affiliates or brought by any third party beneficiary hereof, including any CVR Holder, against any other party or its Affiliates shall be exclusively brought and determined exclusively by the state and federal courts seated in New York County, New York (and any courts having jurisdiction over appeals therefrom) (the "***Specified Courts***"). Each of the parties and any third party beneficiary bringing a claim hereunder hereby irrevocably submits to the jurisdiction of the Specified Courts for itself and with respect to its property, generally and unconditionally, with regard to any such action or proceeding arising out of or relating to this Agreement and the transactions contemplated hereby. Each of the parties agrees not to and no third party beneficiary shall be permitted to commence any action, suit or proceeding relating thereto except in the Specified Courts, other than actions in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such Specified Court. Each of the parties and any third party beneficiary hereof bringing a claim hereunder hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any action or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby, any claim that it is not personally subject to the jurisdiction of the Specified Courts for any reason, that it or its property is exempt or immune from jurisdiction of any such Specified Court or from any legal process commenced in such Specified Courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and that the suit, action or proceeding in any such Specified Court is brought in an inconvenient forum, the venue of such suit, action or proceeding is improper or this Agreement, or the subject matter hereof, may not be enforced in or by such Specified Court.

(c) EACH OF THE PARTIES TO THIS AGREEMENT AND ANY THIRD PARTY BENEFICIARY HEREOF BRINGING A CLAIM HEREUNDER HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

5.5. Severability. In case any provision in this Agreement shall be held invalid, illegal or unenforceable in a jurisdiction, such provision shall be modified or deleted, as to the jurisdiction involved, only to the extent necessary to render the same valid, legal and enforceable, and the validity, legality and enforceability of the remaining provisions hereof shall not in any way be affected or impaired thereby nor shall the validity, legality or enforceability of such provision be affected thereby in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties will substitute for any invalid, illegal or unenforceable provision a suitable and equitable provision that carries out, so far as may be valid, legal and enforceable, the intent and purpose of such invalid, illegal or unenforceable provision.

5.6. Public Disclosure. PubCo and its Affiliates may disclose the terms of this Agreement to the extent necessary or appropriate to satisfy the rules and regulations of the SEC, including filing a copy of this Agreement in any public filing.

5.7. Tax Reporting. The Rights Agent shall comply with all applicable laws, including as the foregoing relates to Tax reporting and withholding with respect to the delivery of any CVR Property made pursuant to this Agreement.

5.8. Further Assurances. PubCo shall perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered, all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performing by the Rights Agent of the provisions of this Agreement.

5.9. Counterpart. This Agreement may be executed and delivered (including by facsimile, e-mail or other electronic transmission) in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

5.10. CVR Release. Each CVR I shall be released and extinguished as of the later of (i) the close of business on the First Measurement Period if Triggering Event I was met (ii) the time and date that PubCo delivers an applicable CVR Payment Notice to the Rights Agent with respect to each CVR I. Each CVR II shall be released and extinguished as of the later of (i) the close of business on the Second Measurement Period if Triggering Event II was met and (ii) the time and date that PubCo delivers an applicable CVR Payment Notice to the Rights Agent with respect to each CVR II. Each CVR III shall be released and extinguished as of the later of (i) the close of business on the Third Measurement Period if Triggering Event III was met and (ii) the time and date that PubCo delivers an applicable CVR Payment Notice to the Rights Agent with respect to each CVR III.

5.11 Termination. This Agreement shall terminate and be of no further force or effect, and the parties hereto shall have no liability hereunder, on the later of the date on which (i) there are no longer any CVRs outstanding under this Agreement and (ii) the Third Measurement Period has passed, and there are no further potential CVR Payments (and all CVR Payments prior thereto have been fully paid under this Agreement).

5.12. Entire Agreement. This Agreement constitutes the entire agreement, and supersedes all prior written agreements, arrangements, communications and understandings and all prior and contemporaneous oral agreements, arrangements, communications and understandings among the parties with respect to the subject matter hereof and thereof.

Capitalized terms used but not otherwise defined herein, shall have the meanings ascribed to such terms in the Business Combination Agreement (as defined below).

WHEREAS, concurrently with the execution of this Agreement, PubCo and IndiaCo are entering into a business combination agreement (the "Business Combination Agreement") and the transactions contemplated therein, the "Business Combination", by and among PubCo, IndiaCo, FlyBlade (India) Private Limited, a private limited company incorporated under the laws of India ("Hunch Mobility"), Direct Selling Acquisition Corp., a Delaware corporation ("SPAC") and HTL Merger Sub LLC, a Delaware limited liability company and a direct wholly owned Subsidiary of PubCo ("Merger Sub");

WHEREAS, PubCo proposes to issue and sell to the Holder, and the Holder proposes to purchase from PubCo, on the terms and subject to the conditions set forth in this Agreement (such transaction, the "Sale"), convertible promissory notes with an aggregate principal amount of \$3,000,000, in substantially the form of Exhibit A attached hereto (each, a "Note" and collectively, the "Notes").

WHEREAS, upon the closing of the Business Combination (the "BCA Closing"), the Notes shall convert into 300,000 PubCo Preferred Shares in the aggregate (the "Repayment Shares"), which, pursuant to their terms, shall be convertible into PubCo Ordinary Shares (the "Converted Repayment Shares," together with the Notes and the Repayment Shares, the "Securities").

WHEREAS, the Notes are being offered and sold to the Holder, on the terms and subject to the conditions set forth in this Agreement, without registration under the Securities Act of 1933, as amended (the "Securities Act"), in reliance on an exemption from the registration requirements under the Securities Act.

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

1. Closing.

(a) Issuance of Notes. The sale and purchase of the Notes shall take place at three separate Closings (as defined below). At each Closing (as defined below), PubCo will issue and sell to the Holder, and, subject to all of the terms and conditions hereof, the Holder will purchase one (1) Note, as the case may be, in the principal amount set forth opposite the Holder's name on Schedule A, Schedule B and Schedule C hereto.

(b) Initial Closing. The initial closing of the Sale (the “Initial Closing”) shall be held remotely, within twenty-four (24) hours of the execution of the Business Combination Agreement, or at such other time and place upon which the parties shall agree in writing (the date of the Initial Closing under this Agreement is hereinafter referred to as the “Initial Closing Date”). At the Initial Closing, PubCo shall execute and deliver a Note with an aggregate principal amount of \$1,000,000 to the Holder, and the Holder shall remit \$1,000,000 by wire transfer to an account designated by PubCo in writing.

(c) Installment Closings. Following the Initial Closing Date, PubCo shall execute and deliver, and the Holder shall purchase, two additional Notes in two monthly installments at subsequent closings (each, an “Installment Closing,” and together with the Initial Closing, a “Closing”), with an additional aggregate principal amount of \$2,000,000 as set forth on Schedule B and Schedule C hereto on the same terms and conditions as those contained herein. The first Installment Closing shall be held on the day one (1) month following the Initial Closing Date and the second Installment Closing shall be held on the day two (2) months following the Initial Closing Date, at such time and place as shall be approved by PubCo and the Holder (such dates are hereinafter referred to as the “Installment Closing Dates,” and along with the Initial Closing Date, a “Closing Date”). At each Installment Closing, PubCo shall execute and deliver a Note to the Holder with an aggregate principal amount set forth on Schedule B or Schedule C, as applicable, and the Holder shall remit the purchase price therefor, as set forth on Schedule B or Schedule C, as applicable, by wire transfer to an account designated by PubCo in writing.

(d) The obligation of the parties to consummate each Closing is subject to the following conditions:

(i) no applicable Governmental Authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation (whether temporary, preliminary or permanent) which is then in effect and has the effect of making consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby; and

(ii) with respect to each party, that the representations and warranties of the other party contained herein are true and correct in all material respects at and as of each Closing Date.

2. Representations, Warranties and Agreements.

(a) Holder’s Representations, Warranties and Agreements. The Holder represents and warrants to each of PubCo and IndiaCo as follows as of each Closing Date:

(iv) No consent, notice, approval or authorization of, or designation, declaration or filing with, any Governmental Authority is required on the part of the Holder with respect to the Holder's execution, delivery or performance of this Agreement and the consummation of the transactions contemplated hereby, except for filings, notices and reports pursuant to, in compliance with or required to be made under the Securities Exchange Act of 1934 (the "Exchange Act").

(v) To the knowledge of the Holder, no prior approval is required to be procured on account of the existing shareholders of the Holder from the relevant Governmental Authority pursuant to Press Note 3 of 2020 dated April 17, 2020 issued by the Department for Promotion of Industry and Internal Trade read with Rule 6(a) of the Foreign Exchange Management (Non-debt Instruments) Rules 2019 issued by the Government of India in order for the Holder to consummate each Closing in accordance with this Agreement.

(vi) As of the date hereof, there are no Proceedings pending against the Holder, or to the knowledge of the Holder threatened against the Holder, before (or, in the case of threatened Proceedings, that would be before) any arbitrator or any Governmental Authority, which in any manner challenges or seeks to prevent, enjoin or materially delay the performance by the Holder of its obligations under this Agreement.

Without limiting the generality of the foregoing, the Holder has not relied on any statements or other information provided by PubCo, IndiaCo, or any other party to the Business Combination Agreement in making its decision to enter into, deliver and perform its obligations under this Agreement. The Holder further acknowledges that there have been no representations, warranties, covenants or agreements made to Holder by PubCo, IndiaCo, any other party to the Business Combination Agreement, or any of their respective officers, directors, shareholders, representatives or managers, expressly or by implication, other than those representations, warranties, covenants and agreements expressly set forth in this Agreement. The Holder acknowledges that the agreements contained herein with respect to the Notes are irrevocable.

(ix) The Holder (i) is an “accredited investor” as defined in Rule 501(a) under the Securities Act, (ii) is purchasing the Notes for its own account or for one or more separate accounts maintained by it for the benefit of one or more other accredited investors and not with a view to the distribution thereof, provided that the disposition of the Holder’s property shall at all times be within the Holder’s control, (iii) has no present intention of selling, granting any participation in, or otherwise distributing the Securities in violation of law and does not have any contract, undertaking, agreement or arrangement with any person to sell, transfer or grant participations to such person or to any third person with respect to the Securities, (iv) understands that (a) the Securities are, or will be, “restricted securities” under applicable U.S. federal state securities laws and that, pursuant to these laws, the Securities have not been registered under the Securities Act and must be held indefinitely unless they are registered pursuant to the provisions of the Securities Act or if an exemption from registration is available and (b) no public market exists for the Securities and that neither PubCo nor IndiaCo has made any assurance that a public market will ever exist for the Securities, (v) will not sell, transfer or otherwise dispose of the Notes, or any interest therein, the Repayment Shares or the Converted Repayment Shares except in compliance with the terms of this Agreement and the registration requirements of the Securities Act and any other applicable securities laws or pursuant to an applicable exemption therefrom, (vi) acknowledges that PubCo has no obligation to register or qualify the Securities for resale other than as described herein, (vii) is knowledgeable with respect to PubCo, IndiaCo and their subsidiaries and their respective conditions (financial and otherwise), results of operations, businesses, properties, assets, liabilities, plans, management, financing and prospects, (viii) has such knowledge and experience in financial and business matters and in investments of this type that it is capable of evaluating the merits and risks of its investment in the Securities, and of making an informed investment decision and has so evaluated the merits and risks of such investment and without reliance upon PubCo, IndiaCo, their subsidiaries or affiliates or any other person (except for PubCo’s or IndiaCo’s representations and warranties and statements set forth in this Agreement) made its own analysis and decision to consummate the Sale, (ix) recognizes that an investment in the Securities involves a high degree of risk, including a risk of total loss of the Holder’s investment, and is able to bear the economic risk of an investment in the Securities, including holding them for an indefinite period, and is able to afford a complete loss of such investment, (x) was given the opportunity to ask questions and receive answers concerning the terms and conditions of the Sale and to obtain any additional information which PubCo and IndiaCo possess or can acquire without unreasonable effort or expense, including with respect to PubCo’s, IndiaCo’s and their subsidiaries’ conditions (financial and otherwise), results of operations, businesses, properties, assets, liabilities, plans, management, financing and prospects, and PubCo, IndiaCo and their representatives have answered to the satisfaction of the Holder all inquiries that the Holder has put to PubCo and IndiaCo, and (x) acknowledges that it was afforded the opportunity to conduct due diligence on PubCo, IndiaCo and their subsidiaries prior to execution of this Agreement.

(x) Neither the Holder, nor any person acting on its behalf, (i) has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D under the Securities Act) in connection with the offer or sale of the Notes or (ii) has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under any circumstances that would require registration of the Notes under the Securities Act.

(xi) The Holder understands that nothing in this Agreement or any other materials presented to the Holder in connection with the Sale constitutes legal, tax or investment advice. The Holder has consulted such legal, tax, accounting and investment advisors as it, in its sole discretion, has deemed to be necessary or appropriate in connection with its purchase of the Notes, and it relies solely on such advisors and not on any statements or representations of PubCo, IndiaCo or other parties to the Business Combination Agreement, or any of their respective agents or representatives with respect to such legal, tax, accounting and investment consequences (except for PubCo's or IndiaCo's representations and warranties and statements set forth in this Agreement).

(xii) As of the date of this Agreement, the Holder represents and warrants that (i) it is not a Benefit Plan Investor as contemplated by the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and (ii) its acquisition and holding of the Notes will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA, Section 4975 of the Internal Revenue Code of 1986, as amended, or any applicable similar law, to the extent such laws are applicable to the Holder.

(xiii) The Holder represents and warrants that it is not (i) a person or entity named on the List of Specially Designated Nationals and Blocked Persons administered by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC") or in any Executive Order issued by the President of the United States and administered by OFAC ("OFAC List"), or otherwise currently the subject or target of any sanctions administered by the OFAC, the U.S. Department of State or other applicable governmental entity, (ii) owned or controlled by, or acting on behalf of, a person that is named on the OFAC List, (iii) organized, incorporated, established, located, resident or born in, or a citizen, national or the government, including any political subdivision, agency or instrumentality thereof, of, Cuba, Iran, North Korea, Syria, the Crimea region of Ukraine, the Donetsk People's Republic region of Ukraine, the Luhansk People's Republic region of Ukraine or any other country or territory embargoed or subject to substantial trade restrictions by the United States, (iv) a Designated National as defined in the Cuban Assets Control Regulations, 31 C.F.R. (xiv) If the Holder is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), the Holder represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Securities or any use of this Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Securities, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Securities. The Holder's subscription and payment for and continued beneficial ownership of the Securities will not violate any applicable securities or other laws of the Holder's jurisdiction.

(b) Representations, Warranties and Agreements of PubCo and IndiaCo. Each of PubCo and IndiaCo hereby represents and warrants to the Holder and acknowledges and agrees with the Holder as follows (except with respect to Sections 3(b)(iii), 3(b)(vii), 3(b)(ix) and 3(b)(xi), which are made only by PubCo or IndiaCo, as applicable) as of each Closing Date:

(i) It is a corporation, exempted company, limited liability company, private limited company or other applicable business entity duly organized, incorporated or formed, as applicable, validly existing and in good standing (or the equivalent thereof, if applicable, in each case, with respect to the jurisdictions that recognize the concept of good standing or any equivalent thereof) under the laws of its jurisdiction of formation, incorporation or organization (as applicable). It has the requisite corporate or other entity power and authority to own, operate and lease its properties, rights and assets and to conduct its business as presently conducted, except where the failure to have such power or authority would not reasonably be expected to be, individually or in the aggregate, material to it or any of its subsidiaries. It is duly licensed or qualified as a foreign corporation or other entity in each jurisdiction in which its ownership of property or the character of its activities is such as to require it to be so licensed or qualified, except where the failure to be so licensed or qualified would not reasonably be expected to be, individually or in the aggregate, material to it or any of its subsidiaries.

(ii) This Agreement has been duly authorized, executed and delivered by it, enforceable against it in accordance with its terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally, (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies and (iii) applicable usury laws.

(iii) At each respective Closing, the applicable Note being issued will be, duly authorized, executed and delivered by PubCo, enforceable against PubCo in accordance with its terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally and (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies.

(iv) This Agreement, the performance of its obligations hereunder or the consummation of the transactions contemplated hereby shall not, directly or indirectly (with or without due notice or lapse of time or both), (i) result in a violation or breach of any provision of its organizational documents, (ii) result in a violation or breach of, or constitute a default or give rise to any right of termination, consent, cancellation, amendment, modification, suspension, revocation or acceleration under, any of the terms, conditions or provisions of (x) any material contract to which either it is a party; or (y) any leases that either it is a party or by which it or any of its respective assets or properties may be bound or affected, (iii) result in the creation of any lien upon any of the properties, equity interests or assets of it (other than any Permitted Lien (as defined in the Business Combination Agreement)) or (iv) violate, or constitute a breach under, any data privacy requirement or any governmental order or applicable law to which either it and any of their respective properties or assets are subject or bound, except in the case of any of clauses (ii) and (iii) above, as would not reasonably be expected to (A) be, individually or in the aggregate, material to it or (B) prevent, materially delay or materially impair the consummation of the transactions contemplated hereby.

(v) No action by, notice, consent, approval, waiver or authorization of, or designation, declaration or filing with, any Governmental Authority is required on the part of it with respect to the execution, delivery or performance by it of its obligations under this Agreement or the consummation of the transactions contemplated hereby, other than the statutory notification by the PubCo to the Companies Registration Office of the allotment of any shares (as required by section 70 of the Companies Act 2014 of Ireland).

(vi) No broker, finder, investment banker or other similar person is entitled to any brokerage fee, finders' fee or other similar commission in connection with the transactions contemplated hereby based upon arrangements made by it, for which the Holder or any of its affiliates may become liable.

(vii) Subject to compliance by the Holder with the representations and warranties set forth in Section 2(a) of this Agreement, it is not necessary in connection with the issuance of the Notes to the Holder in the manner contemplated by this Agreement, to register the issuance of the Notes under the Securities Act. None of it, any of its subsidiaries, any of its affiliates or any person acting on its behalf directly or indirectly, has offered, sold or solicited any offer to buy and will not, directly or indirectly, offer, sell or solicit any offer to buy, any security of a type or in a manner which would be integrated with the issue of the Notes and require the issuance of the Notes to be registered under the Securities Act.

(viii) PubCo has no indebtedness, that ranks senior in right of payment to, *opari passu* in right of payment with, the Notes, whether with respect to payment of principal, interest, redemption, fees, or penalties, or upon liquidation or dissolution of it, or otherwise.

(ix) Subject in part to the truth and accuracy of the Holder's representations set forth in Section 2(a) of this Agreement, the offer, sale and issuance of the Repayment Shares and the Converted Repayment Shares by PubCo as contemplated by this Agreement are exempt from the registration requirements of the Securities Act and will not result in a violation of the qualification or registration requirements of any applicable state or foreign securities laws, and none of it, any of its subsidiaries, any of its affiliates or any authorized agent acting on its behalf will take any action hereafter that would cause the loss of such exemption.

(x) The Repayment Shares and Converted Repayment Shares issuable by PubCo upon conversion of the Notes have been duly authorized and validly reserved for issuance, and when issued, sold and delivered in accordance with the terms of the Notes, will be duly authorized and validly issued, fully paid and nonassessable.

To its knowledge, no Company Covered Person is subject to a Disqualification Event. The Company has complied, to the extent required, with any disclosure obligations under Rule 506(e) under the Securities Act. For purposes of the Notes, "**Company Covered Persons**" are those persons specified in Rule 506(d)(1) under the Securities Act; provided, however, that Company Covered Persons do not include (a) the Holder, or (b) any person or entity that is deemed to be an affiliated issuer of it solely as a result of the relationship between it and the Holder.

(xii) PubCo shall use the aggregate proceeds of the Notes (i) up to \$750,000 solely for working capital purposes for the operation of IndiaCo's business, (ii) the remaining aggregate proceeds of the Notes other than the proceeds used in accordance with clause (i) solely for the acquisition of aircraft and (iii) in each case of clauses (i) and (ii) in compliance with all applicable laws.

(xiii) Except for the representations and warranties made by it that are contained in this Section 2(b), none of it, any of its subsidiaries, or any of its respective officers, directors, employees, stockholders, affiliates, agents, advisors or other representatives, or any other person or entity acting on behalf of it, or any other party to the Business Combination Agreement, makes any representations or warranties, express or implied, and it hereby expressly disclaims any other representations or warranties made with respect to it or its respective subsidiaries or affiliates, the Notes, the Repayment Shares, the Converted Repayment Shares, this Agreement or the Sale or the transactions contemplated hereby.

(xiv) PubCo and IndiaCo agree that the Holder may rely upon the representations and warranties made by each of PubCo and IndiaCo to SPAC in Article III of the Business Combination Agreement which representations and warranties shall be subject to the limitations set out in the Business Combination Agreement and shall also be qualified by disclosures contained in the disclosure schedules to the Business Combination Agreement.

or to such other address or addresses as the parties may from time to time designate in writing. Without limiting the foregoing, any party may give any notice or other communication hereunder using any other means (including personal delivery, expedited courier, messenger service, ordinary mail or electronic mail), but no such notice or other communication shall be deemed to have been duly given unless and until it actually is received by the party for whom it is intended.

(c) Entire Agreement. This Agreement, together with the Notes, constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof, including any commitment letter(s) entered into relating to the subject matter hereof.

(d) Modifications and Amendments. This Agreement may not be amended, modified, supplemented or waived except by an instrument in writing, signed by the parties hereto.

(e) Assignment. The Holder may assign its rights under this Agreement to any transferee in connection with a transfer permitted under the Notes.

(f) Benefit. Except as otherwise provided herein, this Agreement shall be binding upon, and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns, and the agreements, representations, warranties, covenants and acknowledgments contained herein shall be deemed to be made by, and be binding upon, such heirs, executors, administrators, successors, legal representatives and permitted assigns. This Agreement shall not confer rights or remedies upon any person other than the parties hereto and their respective successors and assigns.

(g) Governing Law. This Agreement, and all claims or causes of action (whether in contract, tort or statute) that may be based upon, arise out of or relate to this Agreement, the negotiation, execution or performance of this Agreement (including any claim or cause of action based upon, arising out of, or relating to, any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement) or any of the transactions contemplated hereby or any of the transactions contemplated thereby, shall be governed by, and enforced in accordance with, the internal laws of the State of Delaware, including its statutes of limitations, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the law of any jurisdiction other than the State of Delaware.

(h) Submission to Jurisdiction. Any proceeding based upon, arising out of, or relating to (i) this Agreement or (ii) in any way connected with or related or incidental to the dealings of the parties in respect of this Agreement or any of the transactions contemplated hereby or any of the transactions contemplated thereby, must be brought in the Court of Chancery of the State of Delaware (or, to the extent such court does not have subject matter jurisdiction, the Superior Court of the State of Delaware), or, if it has or can

acquire jurisdiction, in the United States District Court for the District of Delaware, and each of the parties irrevocably (a) submits to the exclusive jurisdiction of each such court in any such proceeding, (b) waives any objection it may now or hereafter have to personal jurisdiction, venue or to convenience of forum in such courts, (c) agrees that all claims in respect of the proceeding shall be heard and determined only in any such court and (d) agrees not to bring any proceeding based upon, arising out of or relating to, this Agreement or any of the transactions contemplated hereby or any of the transactions contemplated thereby in any other court. Nothing herein contained shall be deemed to affect the right of any party to serve process in any manner permitted by law or to commence proceedings or otherwise proceed against any other party in any other jurisdiction, in each case, to enforce judgments obtained in any proceeding brought pursuant to this Section 4(h).

(i) Waiver of Jury Trial. EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, PROCEEDING OR CAUSE OF ACTION BASED UPON, ARISING OUT OF, OR RELATING TO, (I) THIS AGREEMENT OR (II) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES IN RESPECT OF THIS AGREEMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED HEREBY OR ANY OF THE TRANSACTIONS CONTEMPLATED THEREBY, IN EACH CASE, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY, OR OTHERWISE. EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, PROCEEDING OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT THE PARTIES MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE PARTIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) SUCH PARTY MAKES THIS WAIVER VOLUNTARILY AND (D) SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 4(i).

(j) Severability. Whenever possible, each provision of this Agreement shall be interpreted in such a manner as to be effective and valid under applicable law, but if any term or other provision of this Agreement is held to be invalid, illegal or unenforceable under applicable law, all other provisions of this Agreement shall remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision of this Agreement is invalid, illegal or unenforceable under applicable law, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

(k) No Waiver of Rights, Powers and Remedies. No failure or delay by a party hereto in exercising any right, power or remedy under this Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

(l) Survival of Representations and Warranties. All representations and warranties made by the parties hereto in this Agreement shall survive each Closing.

(m) Headings and Captions. The headings and captions of the various subdivisions of this Agreement are for convenience of reference only and shall in no way modify or affect the meaning or construction of any of the terms or provisions hereof.

(n) Counterparts. This Agreement may be executed in one or more counterparts, all of which when taken together shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other parties, it being understood that the parties need not sign the same counterpart. In the event that any signature is delivered by email transmission or any other form of electronic delivery, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such signature page were an original thereof.

(o) Construction. The words “include,” “includes,” and “including” will be deemed to be followed by “without limitation.” Pronouns in masculine, feminine, and neuter genders will be construed to include any other gender, and words in the singular form will be construed to include the plural and vice versa, unless the context otherwise requires. The words “this Agreement,” “herein,” “hereof,” “hereby,” “hereunder,” and words of similar import refer to this Agreement as a whole and not to any particular subdivision unless expressly so limited. The parties hereto intend that each representation, warranty, and covenant contained herein will have independent significance. If any party hereto has breached any representation, warranty, or covenant contained herein in any respect, the fact that there exists another representation, warranty or covenant relating to the same subject matter (regardless of the relative levels of specificity) which such party has not breached will not detract from or mitigate the fact that such party is in breach of the first representation, warranty, or covenant.

(p) Mutual Drafting. This Agreement is the joint product of the parties hereto and each provision hereof has been subject to the mutual consultation, negotiation and agreement of the parties hereto and shall not be construed for or against any party.

(q) No Partnership, Agency or Joint Venture. This Agreement is intended to create a contractual relationship between the Holder, on the one hand, PubCo and IndiaCo, on the other hand, and is not intended to create, and does not create, any agency, partnership, joint venture or any like relationship between the parties.

(r) No Recourse. Notwithstanding anything to the contrary contained herein or otherwise, this Agreement may only be enforced against, and any claims or causes of action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement or the transactions contemplated hereby, may only be made against the entities and persons that are expressly identified as parties to this Agreement in their capacities as such and no former, current or future shareholders, equity holders, controlling persons, directors, officers, employees, general or limited partners, members, managers, agents or affiliates of any party hereto, or any former, current or future direct or indirect shareholder, equity holder, controlling person, director, officer, employee, general or limited partner, member, manager, agent or affiliate of any of the foregoing (each, a "Non-Recourse Party") shall have any liability for any obligations or liabilities of the parties to this Agreement or for any claim (whether in tort, contract or otherwise) based on, in respect of, or by reason of, the transactions contemplated hereby or in respect of any oral representations made or alleged to be made in connection herewith. Without limiting the rights of any party against the other parties hereto, in no event shall any party or any of its affiliates seek to enforce this Agreement against, make any claims for breach of this Agreement against, or seek to recover monetary damages from, any Non-Recourse Party.

(s) Expenses. Each party shall bear its own expenses in connection with the negotiation and drafting of this Agreement and transactions contemplated hereby.

(t) Confidentiality. This Agreement is to be kept strictly confidential and none of PubCo, IndiaCo or the Holder may disclose the existence or the terms hereof to any person without the consent of the other party, other than (a) as required by Law (including any public disclosure in connection with the Business Combination), (b) to each party's officers, directors, employees, accountants, attorneys, and other advisors, (c) to any equity holder of PubCo or IndiaCo, (d) to any current or potential financing source of PubCo, IndiaCo or any potential acquirer, directly or indirectly, of an equity interest in PubCo or IndiaCo, and, in the case of the foregoing clauses (c) and (d), only if the recipient thereof is subject to confidentiality obligations in respect thereof, or (e) to the parties to the Business Combination Agreement and their respective officers, directors, employees, accountants, attorneys and other advisors.

CONVERTIBLE PROMISSORY NOTE

Principal Amount: \$[•]

Dated as of [•], 2024

Hunch Technologies Limited, a private limited company incorporated in Ireland with registered number 607449 (“**PubCo**” or the “**Maker**”), promises to pay to the order of Antara Capital Master Fund LP, a Cayman Islands exempted limited partnership, or its registered assigns or successors in interest (the “**Payee**”), the principal sum of \$1,000,000 in lawful money of the United States of America, on the terms and conditions described below. All payments on this Note shall be made by check or wire transfer of immediately available funds.

Immediately prior to the issuance of this Note, among other things, the Maker, Aeroflow Urban Air Mobility Private Limited, a private limited company incorporated under the laws of India and a direct wholly owned Subsidiary of Maker (“**IndiaCo**”), and Payee entered into a Note Purchase Agreement (the “**Note Purchase Agreement**”).

Capitalized terms used herein without definition shall have the meanings given to such terms in the Note Purchase Agreement unless otherwise specified.

1. **Principal**. The Outstanding Amount (as defined below) shall be automatically due and payable in full on the date that is the earlier of (1) three (3) business days following the termination of the Business Combination Agreement and (2) 363 days from the date of issuance of the Note (as applicable, the “**Maturity Date**”).

2. **Interest.** Interest shall accrue on the unpaid principal balance of this Note, together with any interest accrued but unpaid thereon (such principal amount and interest, the "Outstanding Amount"), at an annual rate equal to 10% per annum, computed on the basis of the actual number of days elapsed and a year of 365 days from the date of this Note until the Outstanding Amount is paid (or this Note is converted, as provided in [Section 4](#)). Interest shall accrue daily and be paid quarterly either, at the option of the Maker, in cash or in kind by an increase of the Outstanding Amount by the entire amount of the interest payment due on the applicable interest payment date ("PIK Interest"), with the first interest payment date being the first three-month anniversary of the date of this Note (each, a "Quarterly Payment Date"). Following any increase in the Outstanding Amount of this Note on the applicable Quarterly Payment Date by the amount of the PIK Interest, this Note will bear interest on such increased Outstanding Amount from and after such Quarterly Payment Date. For clarity, unless the context otherwise requires, references to "Outstanding Amount" of this Note includes any increase to such amount as a result of the payment of PIK Interest. Any accrued interest, which for any reason has not theretofore been paid, shall be paid in full on the date on which the final principal payment on this Note is made.

3. **Application of Payments.** All payments shall be applied solely to the reduction of the unpaid Outstanding Amount of this Note. This Note may not be prepaid without the consent of the Payee.

4. **Conversion.**

(a) **Conversion Mechanics.** In connection with the closing of the Business Combination, the Outstanding Amount shall automatically convert into 100,000 preferred shares of PubCo having such terms as set forth in [Schedule I](#) provided that the closing of the Business Combination shall occur on or prior to the Maturity Date.

(b) **Effect of Conversion.** In the event that this Note is converted pursuant to [Section 4\(a\)](#) of this Note, the Payee shall surrender this Note, duly endorsed, to the Maker, and this Note shall thereupon be canceled (subject to fulfillment of all of the Maker's obligations under the Note Purchase Agreement or in any other agreement between the Maker and the Payee).

5. **Events of Default.** The following shall constitute an event of default ("Event of Default"):

(a) **Failure to Make Required Payments.** Failure by the Maker to pay any amount due pursuant to this Note within five (5) business day of the applicable Maturity Date.

(b) **Breaches of Covenants.** The failure by the Maker and IndiaCo to observe, keep or perform any other covenant, obligation, condition or agreement contained in the Note Purchase Agreement, with such failure continuing for thirty (30) days after the earlier of the Payee's (i) receipt of written notice to the Payee of such failure or (ii) actual knowledge of such failure.

(c) **Breaches of Representations and Warranties.** Failure of any of the representations and warranties of the Maker or IndiaCo under the Note Purchase Agreement to be true and correct in all material respects as of the date of this Note.

(d) **Other Payment Obligations.** As to Indebtedness (as defined herein) for borrowed money of the Maker or IndiaCo in an aggregate amount in excess of two hundred and fifty thousand dollars (\$250,000) at any time: (i) the Maker, IndiaCo or any of their subsidiaries shall fail to make any payment due (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise) on any such Indebtedness and such failure shall continue after the applicable grace period, if any, specified in the agreement or instrument relating to such Indebtedness, (ii) any other default shall exist under any agreement or instrument of the Maker, IndiaCo or any of their subsidiaries related to any such Indebtedness, or any other event shall occur and shall continue after the applicable grace period, if any, specified in such agreement or instrument if the effect of such default or event is to accelerate, or to permit the acceleration of, the maturity of such Indebtedness, or (iii) any such Indebtedness shall be declared to be due and payable or required to be prepaid (other than by a regularly scheduled required payment) prior to the stated maturity thereof. “**Indebtedness**” shall mean all amounts due in connection with (A) indebtedness of the Maker, IndiaCo or any of their subsidiaries to banks or other lending institutions regularly engaged in the business of lending money, and (B) any such indebtedness or any debentures, notes or other evidence of indebtedness issued in exchange for such indebtedness, or any indebtedness arising from the satisfaction of such indebtedness by a guarantor.

(e) **Judgements.** A final judgment or order shall be rendered by a court of competent jurisdiction against the Maker, IndiaCo or any of their subsidiaries and such judgment or order shall remain unsatisfied or undischarged and in effect for thirty (30) consecutive days without a stay of enforcement or execution or distress, enforcement power, execution, charging order, garnishee order or other process shall be levied upon or enforced upon any part of the assets or property of the Maker, IndiaCo or any of their subsidiaries which is not paid out or discharged within 30 consecutive days; *provided* that this Section 5(e) shall not apply (i) to any judgment for which the Maker, IndiaCo or any of their subsidiaries is fully insured (except for normal deductibles in connection therewith) and with respect to which the insurer has assumed the defense and is not defending under reservation of right and with respect to which Maker, IndiaCo or any of their subsidiaries reasonably believes the insurer will pay the full amount thereof (except for normal deductibles in connection therewith) or (ii) to the extent that the aggregate amount of all such judgments and orders does not exceed \$375,000.

(b) Upon the occurrence of an Event of Default specified in Sections 5(d), 5(e), 5(f) and 5(g), the Outstanding Amount, and all other sums payable with regard to this Note, shall automatically and immediately become due and payable, in all cases without any action on the part of the Payee.

(c) Upon the occurrence of an Event of Default specified in Section 5 hereof, in addition to the remedies specified in Sections 6(a) and 6(b) hereof, the Payee may take such proceedings and/or other action against the Maker to enforce their obligations under this Note and under the Note Purchase Agreement.

(d) In the event of an Event of Default hereunder, Maker shall pay the Payee's reasonable attorney's fees in collecting under and enforcing this Note.

Hunch Technologies Limited **Convertible Promissory Note Term Sheet** **Summary of Terms and Conditions**

This term sheet (the "Term Sheet"), dated as of January 17, 2024, outlines certain indicative terms and conditions of a Promissory Note purchase.

This term sheet is for discussion purposes only and is not (and shall not be construed as) an offer or acceptance with respect to any potential transaction. This Term Sheet does not purport to summarize all conditions, representations, warranties and other provisions with respect to the transactions referred to herein. Any final agreement, if reached between the parties, is subject to, among other things, full prior approval of the investment committees of the prospective investors, satisfactory business, technical, legal and financial due diligence and satisfactory legal documentation. The information contained herein is made available on a confidential basis and may not be provided to any third party without the prior written consent of the prospective investors.

Issuer:	Hunch Technologies Limited, a private limited company incorporated in Ireland with registered number 607449 (to be re-registered as a public company limited by shares).
IndiaCo:	Aeroflow Urban Air Mobility Private Limited , a private limited company incorporated under the laws of India ("IndiaCo").
Purchaser:	Antara Capital Master Fund LP , a Cayman Islands exempted limited partnership.
Investment:	An aggregate of USD\$1.0 million will be contributed to the Issuer within the first twenty-four (24) hours of the announcement and execution of definitive agreements relating to the Business Combination (the " BCA Announcement "), through a promissory note, an additional USD\$1.0 million will be contributed to the issuer through a promissory note on the day one (1) month following the BCA Announcement and an additional USD\$1.0 million will be contributed to the Issuer through a promissory note two (2) months following the BCA Announcement (each, a " Promissory Note " and collectively, the " Promissory Notes "), with each Promissory Note convertible into 100,000 of newly issued convertible preferred equity shares (the " Preferred Equity "), at the closing of the proposed business combination (the " Business Combination ") between Direct Selling Acquisition Corp. (the " SPAC ") and IndiaCo, and subject to the terms and conditions set forth herein. If the Business Combination does not close, then the Promissory Notes are immediately due and payable by the Issuer, plus any interest accrued and unpaid.
Dividend Rate:	<p>Dividends on the Preferred Equity ("Preferred Dividends") shall accumulate daily (prior to any conversion into Common Shares) from closing on a cumulative basis and shall be payable quarterly in cash in arrears, in an amount equal to 10.00% per annum. Notwithstanding the foregoing, Issuer may make distributions on the Preferred Equity by delivery of additional Preferred Equity in lieu of cash distributions as provided above (such distributions, "PIK Distributions") and the par value per additional Preferred Equity shall be discharged by the Issuer or an affiliate of the Issuer that is permitted to do so under, or otherwise in accordance with, Irish law and other applicable laws.</p> <p>The Preferred Equity will participate, on a non-converted basis, in any dividends paid to the holders of the Issuer's ordinary shares ("Common Shares") (whether in the form of cash, stock, property, debt or other assets, including any spin-off or similar transaction).</p>

Optional Conversion:	The Preferred Equity shall be convertible into Common Shares, at any time, at the option of the holder of such Preferred Equity, at a fixed conversion price of \$12.00 per share (“ Conversion Price ”). In connection with any optional conversion of Preferred Equity, the Conversion Price shall be adjusted for accrued but unpaid dividends to the conversion date.
Conversion at Option of Issuer:	Beginning on the third anniversary of the Closing Date, the Issuer will have the option to require all (but not less than all) outstanding issued shares of Preferred Equity to automatically convert (unless previously converted at the option of the holder of such Preferred Equity) into a number of Common Shares at the Conversion Price if the volume weighted average price of the Common Shares exceeds 150% of the Conversion Price for any twenty (20) trading days during a thirty (30) trading day period. Any conversion by the Issuer prior to the 3 rd anniversary of the Closing Date shall otherwise comply with this provision and include all unpaid Preferred Dividends that would have accrued up to and including the 3 rd anniversary of the Closing Date.
Issuance Limits:	Without restricting the Issuer’s ability to satisfy dividend payment obligations through PIK Distributions or other issuances in lieu of cash, in the Issuer’s discretion, none of the terms or rights of the Preferred Equity shall cause the Issuer to be required to issue or re-designate (upon conversion or otherwise) such number of shares as would exceed 19.99% of total outstanding shares or voting power of the Issuer, and provided further, that all issuances hereunder shall be subject to volume restrictions and applicable Nasdaq listing requirements.
Closing Date:	USDS\$1.0 million Bridge Investment will be contributed to the Issuer through a \$1.0 million Promissory Note within twenty-four (24) hours of the BCA Announcement, an additional USDS\$1.0 million will be contributed to the issuer through a Promissory Note on the day one (1) month following the BCA Announcement and an additional USDS\$1.0 million will be contributed to the Issuer through a Promissory Note two (2) months following the BCA Announcement (with Purchaser to receive shares of Preferred Equity equivalent to the amount of the Bridge Investment upon consummation of the Business Combination) and shall contain market terms addressing a failure of the Business Combination to close other than due to a breach of Purchaser or the failure of Purchaser to satisfy a closing condition.
Required Redemption:	TBD in a manner that complies with SEC’s recent position relative to put features.
Liquidation Preference:	<p>“Liquidation Preference” means the Investment plus all accrued and unpaid dividends.</p> <p>In the event of a liquidation or winding up prior to the 3rd anniversary of the Closing Date, the holders of the Preferred Equity will be entitled to receive the greater of the proceeds from liquidity event (as per their shareholding in the Issuer on an as-converted basis) and the Liquidation Preference, with the Liquidation Preference being deemed to include all unpaid dividends that would have accrued up to and including the 3rd anniversary of the Closing Date.</p>
Conversion Upon Change of Control:	Upon a change of control (prior to the third anniversary of the Closing Date), Preferred Equity shall convert to Common Shares.
Voting Rights:	The Preferred Equity will confer on the holders thereof the right to receive notice of, attend and vote at general meetings of the Issuer. The Preferred Equity will vote with the Common Shares as a single class on an as-converted basis (giving effect to any accrued but unpaid dividends) on all matters submitted to a vote of the holders of Common Shares. The Preferred Equity will be entitled to vote on certain matters as required by law as a separate class and the affirmative vote of a majority of the outstanding Preferred Equity will be required to approve such matters.

Ranking:	The Preferred Equity will rank senior to all common shares and any other existing or future class or series of equity securities of Issuer at the closing of and following the Business Combination with respect to distribution and liquidation rights.
Conditions Precedent to Closing:	<p>The Investment is subject to the satisfaction of customary conditions for investments of this nature, including, but not limited to the following conditions precedent:</p> <ul style="list-style-type: none">(a) the conditions to the closing of the Business Combination being satisfied or waived;(b) Purchaser completing to its satisfaction such bring-down due diligence regarding the Issuer as is customary for an investment of this nature;(c) compliance with all laws in relation to the closing of this investment;(d) execution and delivery of mutually agreed definitive documentation; and(e) receipt of satisfactory customary closing deliverables.
Transfer Restrictions:	The Preferred Equity (and underlying Common Shares) shall be freely transferrable, subject to a mutually agreed disqualified transferee list and applicable securities laws.

Other Terms:	The definitive documentation shall include other terms and provisions customary to an investment of this nature, including, without limitation, customary and appropriate (i) representations and warranties, (ii) covenants, (iii) limited indemnification provisions and (iv) equity considerations, in each case, on terms and conditions to be agreed.

SUBSCRIPTION AGREEMENT

Direct Selling Acquisition Corp.
5800 Democracy Drive
Plano, Texas 75024

Ladies and Gentlemen:

This Subscription Agreement (this "Subscription Agreement") is being entered into as of the date set forth on the signature page hereto, by and between Direct Selling Acquisition Corp. ("SPAC"), a Delaware corporation, and the undersigned investor (the "Investor"), in connection with the Business Combination Agreement, dated as of the date hereof (as may be amended, supplemented or otherwise modified from time to time, the "Business Combination Agreement"), by and among SPAC, Aeroflow Urban Air Mobility Private Limited, a private limited company incorporated under the laws of India and a direct wholly owned subsidiary of PubCo, Hunch Technologies Limited, a private limited company incorporated in Ireland with registered number 607449 ("PubCo"), FlyBlade (India) Private Limited, a private limited company incorporated under the laws of India, and HTL Merger Sub LLC, a Delaware limited liability company and a direct wholly owned Subsidiary of PubCo ("Merger Sub"), pursuant to which, among other things, on the Closing Date (as defined below), Merger Sub shall merge with and into SPAC (the "Merger"), with SPAC surviving the Merger as the surviving company in the Merger and a wholly owned subsidiary of PubCo (the transactions contemplated by the Business Combination Agreement, including the Merger, the "Transactions"). In connection with the Transactions, SPAC is seeking commitments from interested investors to purchase, immediately prior to the closing of the Merger, shares of SPAC's preferred stock, par value \$0.0001 per share (the "Shares"), in a private placement for a purchase price of \$10.00 per share. The Shares will be issued pursuant to a certificate of designation, with identical terms and conditions as the PubCo Preferred Shares (as defined below), and as set forth in Exhibit A. On the Closing Date and pursuant to the Merger, each Share will be converted into the right to receive one convertible preferred share of PubCo (the "PubCo Preferred Shares"), which are convertible into PubCo's ordinary shares, par value \$0.0001 per share (the "Converted PubCo Ordinary Shares"). The aggregate purchase price to be paid by the Investor for the Shares (as set forth on the signature page hereto) is referred to herein as the "Subscription Amount."

In addition, as of the date of this Subscription Agreement, the Investor and Antara Capital Total Return SPAC Master Fund LP, an affiliate of the Investor, collectively hold 955,100 shares of SPAC's Class A Common Stock (the "Retained Shares").

Concurrently with the execution of the Business Combination Agreement and this Subscription Agreement, Quick Response Services Provider LLP ("Hunch") is entering into a subscription agreement with PubCo (the "Hunch Subscription Agreement"), pursuant to which, among other things, Hunch is agreeing to subscribe for PubCo Preferred Shares in a private placement for a purchase price of \$10.00 per share, for an aggregate investment amount of \$3,000,000 (the "Hunch PIPE Investment"), on the terms and subject to the conditions set forth in the Hunch Subscription Agreement. The Shares issued pursuant to this Subscription Agreement will be issued concurrently with the issuance of PubCo Preferred Shares pursuant to the Hunch Subscription Agreement.

In connection therewith, and in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, set forth herein, and intending to be legally bound hereby, each of the Investor and SPAC acknowledges and agrees as follows:

1. Subscription. The Investor hereby irrevocably subscribes for and agrees to purchase from SPAC, and SPAC agrees to issue and sell to the Investor, the number of Shares set forth on the signature page of this Subscription Agreement on the terms and subject to the conditions provided for herein. The Investor acknowledges and agrees that SPAC reserves the right to accept or reject the Investor's subscription for the Shares for any reason or for no reason, in whole or in part, at any time prior to its acceptance, and the same shall be deemed to be accepted by SPAC only when this Subscription Agreement is signed by a duly authorized person by or on behalf of SPAC; SPAC may do so in counterpart form.

2. Closing. The closing of the sale of the Shares contemplated hereby (the "Closing") will occur on the date of, and immediately prior to, the consummation of the Merger. Upon delivery of written notice from (or on behalf of) SPAC to the Investor (the "Closing Notice"), that SPAC reasonably expects all conditions to the closing of the Transactions to be satisfied or waived on a date that is not less than five (5) business days from the date on which the Closing Notice is delivered to the Investor, the Investor shall deliver to SPAC, three (3) business days prior to the closing date specified in the Closing Notice (the "Closing Date"), (i) the Subscription Amount by wire transfer of United States dollars in immediately available funds to the account(s) specified by SPAC in the Closing Notice and (ii) any other information that is reasonably requested in the Closing Notice in order for the Shares to be issued to the Investor, including, without limitation, the legal name of the person in whose name such Shares are to be issued and a duly executed Internal Revenue Service Form W-9 or W-8, as applicable. On the Closing Date, a number of Shares shall be issued to the Investor set forth on the signature page to this Subscription Agreement and subsequently such

Shares shall be registered in book entry form in the name of the Investor on SPAC's share register; provided, however, that the obligation to issue the Shares to the Investor is contingent upon SPAC having received the Subscription Amount in full in accordance with this Section 2. If the Closing does not occur within ten (10) business days following the Closing Date specified in the Closing Notice, SPAC shall promptly (but not later than three (3) business days thereafter) return the Subscription Amount in full to the Investor; provided that, unless this Subscription Agreement has been terminated pursuant to Section 7 hereof, such return of funds shall not terminate this Subscription Agreement or relieve the Investor of its obligation to purchase the Shares at the Closing upon the delivery by SPAC of a subsequent Closing Notice in accordance with this Section 2. If the closing of the Merger does not occur within ten (10) business days following the Closing, Investor shall forfeit the Shares to the SPAC, and SPAC shall promptly (but not later than three (3) business days thereafter) return the Subscription Amount in full to the Investor; provided that, unless this Subscription Agreement has been terminated pursuant to Section 7 hereof, such return of funds shall not terminate this Subscription Agreement or relieve the Investor of its, his or her obligation to purchase the Shares at a subsequent Closing upon the delivery by SPAC of a subsequent Closing Notice in accordance with this Section 2. For purposes of this Subscription Agreement, "business day" shall mean a day other than a Saturday, Sunday or other day on which commercial banks in New York, New York are authorized or required by law to close.

3. Closing Conditions.

a. The obligation of the parties hereto to consummate the purchase and sale of the Shares pursuant to this Subscription Agreement is subject to the satisfaction or valid waiver by SPAC, on the one hand, or the Investor on the other hand, of the following conditions:

(i) no applicable governmental authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation (whether temporary, preliminary or permanent) which is then in effect and has the effect of making the consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby; and

(ii) (A) all conditions precedent to the closing of the Transactions contained in the Business Combination Agreement shall have been satisfied (as determined by the parties to the Business Combination Agreement and other than those conditions under the Business Combination Agreement which, by their nature, are to be fulfilled at the closing of the Transactions, including to the extent that any such condition is dependent upon the consummation of the purchase and sale of the Shares pursuant to this Subscription Agreement) or waived according to the terms of the Business Combination Agreement and (B) the closing of the Transactions shall be scheduled to occur immediately following and on the same date as the Closing.

b. The obligation of SPAC to consummate the issuance and sale of the Shares pursuant to this Subscription Agreement shall be subject to the satisfaction of the following conditions (which may be waived by SPAC):

(i) all representations and warranties of the Investor contained in this Subscription Agreement are true and correct in all material respects at and as of the Closing (except for representations and warranties qualified by materiality, which shall be true and correct in all respects and those representations and warranties that speak as of a specified earlier date, which shall be so true and correct in all material respects (or, if qualified by materiality, in all respects) as of such earlier date), and consummation of the Closing shall constitute a reaffirmation by the Investor of each of the representations and warranties of the Investor contained in this Subscription Agreement as of the Closing; and

(ii) all obligations, covenants and agreements of the Investor required to be performed by it at or prior to the Closing under this Subscription Agreement shall have been performed in all material respects.

c. The obligation of the Investor to consummate the purchase of the Shares pursuant to this Subscription Agreement shall be subject to the satisfaction of the following conditions (which may be waived by the Investor):

(i) the consummation of the Hunch PIPE Investment, including, without limitation, the receipt of the proceeds of the Hunch PIPE Investment by PubCo;

(ii) the consummation of additional investments in an aggregate investment amount of \$12,000,000 ("Minimum Additional Investment"), for Shares, shares of SPAC's Class A common stock, par value of \$0.0001 per share (the "DSAQ Class A Shares"), PubCo Preferred Shares or PubCo's ordinary shares, par value of \$0.0001 per share, issued to investors (the "Additional Investors"), on terms and conditions that are not materially more advantageous to any such Additional Investors than Investor hereunder, unless such terms and conditions are consented to by Investor. For avoidance of doubt, the Minimum Additional Investment shall not include any investments pursuant to this Subscription Agreement, the acquisition of the Retained Shares or the Hunch PIPE Investment;

(iii) all representations and warranties of SPAC contained in this Subscription Agreement shall be true and correct in all material respects at and as of the Closing (other than representations and warranties that are qualified as to materiality or Material Adverse Effect (as defined below), which representations and warranties shall be true in all respects and those representations and warranties that speak as of a specified earlier date, which shall be so true and correct in all material respects (or, if qualified by materiality, in all respects) as of such earlier date), and consummation of the Closing shall constitute a reaffirmation by SPAC of each of the representations and warranties of SPAC contained in this Subscription Agreement as of the Closing; and

(iv) all obligations, covenants and agreements of SPAC required by this Subscription Agreement to be performed by it at or prior to the Closing shall have been performed in all material respects.

4. Further Assurances. At or prior to the Closing, the parties hereto shall execute and deliver, or cause to be executed and delivered, such additional documents and take such additional actions as the parties reasonably may deem to be practical and necessary in order to consummate the subscription as contemplated by this Subscription Agreement.

5. SPAC Representations and Warranties. SPAC represents and warrants to the Investor that provided that no representation or warranty by SPAC shall apply to any statement or information in the SEC Reports (as defined below) that relates to topics referenced in the Statement (as defined below) or any other accounting matters with respect to SPAC's securities or expenses or other initial public offering related matters, nor shall any correction, amendment or restatement of SPAC's filings or financial statements arising from or relating to the Statement or any other accounting matters, nor any other effects that relate to or arise out of, or are in connection with or in response to, any of the foregoing or any changes in accounting or disclosure related thereto, be deemed to be material for purposes of this Subscription Agreement or be deemed to be a breach of any representation or warranty by SPAC or a Material Adverse Effect (as defined below)):

a. As of the date hereof, SPAC is a company duly incorporated, validly existing as a corporation and in good standing under the laws of the State of Delaware and will remain as such through the Closing Date. SPAC has all power (corporate or otherwise) and authority to own, lease and operate its properties and conduct its business as presently conducted and to enter into, deliver and perform its obligations under this Subscription Agreement.

b. As of the Closing, the Shares will be duly authorized and, when issued and delivered to the Investor against full payment therefor in accordance with the terms of this Subscription Agreement, the Shares will be validly issued, fully paid and non-assessable and will not have been issued in violation of or subject to any preemptive or similar rights created under SPAC's amended and restated certificate of incorporation (as it may be further amended through the Closing).

c. This Subscription Agreement has been duly authorized, executed and delivered by SPAC and, assuming that this Subscription Agreement constitutes the valid and binding agreement of the Investor, this Subscription Agreement is enforceable against SPAC in accordance with its terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally, or (ii) principles of equity, whether considered at law or equity.

d. The issuance and sale of the Shares and the compliance by SPAC with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of SPAC pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which SPAC is a party or by which SPAC is bound or to which any of the property or assets of SPAC is subject that would reasonably be expected to materially affect the validity of the Shares or the legal authority of SPAC to timely comply in all material respects with the terms of this Subscription Agreement or have a material adverse effect on the business, financial condition or results of operations of SPAC (a "Material Adverse Effect"); (ii) result in any violation of the provisions of the organizational documents of SPAC; or (iii) result in any violation of any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over SPAC or any of its properties that would reasonably be expected to have a Material Adverse Effect.

e. As of their respective dates, all reports (the "SEC Reports"), required to be filed by SPAC with the U.S. Securities and Exchange Commission (the "SEC"), complied in all material respects with the applicable requirements of the Securities Act of 1933, as amended (the "Securities Act"), and the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the SEC promulgated thereunder, and none of the SEC Reports, when filed, or, if amended, as of the date of such amendment, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the

statements therein, in the light of the circumstances under which they were made, not misleading. The Investor acknowledges that (i) the Staff of the SEC issued the Staff Statement on Accounting and Reporting Considerations for Warrants Issued by Special Purpose Acquisition Companies on April 12, 2021 (together with any subsequent guidance, statements or interpretations issued by the SEC or the Staff relating thereto or to other accounting matters related to SPAC's securities or expenses or other initial public offering related matters, the "Statement"), (ii) SPAC continues to review the Statement and its implications, including on the financial statements and other information included in the SEC Reports and (iii) any restatement, revision or other modification of the SEC Reports, including, without limitation, any changes to historical accounting policies of SPAC in connection with any order, directive, guideline, comment or recommendation from the SEC that is applicable to SPAC, including, without limitation, arising from or relating to SPAC's review of the Statement, shall be deemed not material for purposes of this Subscription Agreement.

f. Assuming the accuracy of the Investor's representations and warranties set forth in Section 6 of this Subscription Agreement, no registration under the Securities Act is required for the offer and sale of the Shares by SPAC to the Investor hereunder. The Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

g. Neither the SPAC nor any person acting on its behalf has, directly or indirectly, engaged or will engage prior to the Closing in any form of general solicitation or general advertising (within the meaning of Regulation D of the Securities Act) in connection with any offer or sale of the Shares, and the Shares are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act or any state securities laws.

6. Investor Representations and Warranties. The Investor represents and warrants to SPAC that:

a. The Investor (i) is a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act) or an "accredited investor" (within the meaning of Rule 501(a) of Regulation D under the Securities Act), in each case, satisfying the applicable requirements set forth on Schedule A hereto, (ii) is acquiring the Shares only for its own account and not for the account of others and (iii) is not acquiring the Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act or any securities laws of the United States or any other jurisdiction. The Investor has completed Schedule A following the signature page hereto and the information contained therein is accurate and complete. The Investor is not an entity formed for the specific purpose of acquiring the Shares, unless such newly formed entity is an entity in which all of the investors are institutional accredited investors. The Investor further acknowledges that it is aware that the sale to it is being made in reliance on a private placement exempt from registration under the Securities Act and is acquiring the Shares for its, his or her own account.

b. The Investor acknowledges and agrees that the Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the offer and sale of the Shares have not been registered under the Securities Act or any other applicable securities laws. The Investor acknowledges and agrees that the Shares may not be offered, resold, transferred, pledged or otherwise disposed of by the Investor absent an effective registration statement under the Securities Act except in compliance with any exemption therefrom and that any book entries representing the Shares shall contain a restrictive legend to such effect, which legend shall be subject to removal as set forth herein, subject to applicable law. The Investor acknowledges and agrees that the Shares will be subject to transfer restrictions and, as a result of these transfer restrictions, the Investor may not be able to readily offer, resell, transfer, pledge or otherwise dispose of the Shares and may be required to bear the financial risk of an investment in the Shares for an indefinite period of time. The Investor acknowledges and agrees that the Shares will not be eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144 promulgated under the Securities Act until at least one year from the date that PubCo files a Form 20-F following the Closing that includes the "Form 10" information required under applicable SEC rules and regulations. The Investor acknowledges and agrees that it has been advised to consult legal counsel and tax and accounting advisors prior to making any offer, resale, transfer, pledge or disposition of any of the Shares.

c. The Investor's acquisition and holding of the Shares will not constitute or result in a non-exempt prohibited transaction under Section 406 of the Employee Retirement Income Security Act of 1974, as amended, Section 4975 of the Internal Revenue Code of 1986, as amended, or any applicable similar law.

d. The Investor acknowledges and agrees that the Investor has received such information as the Investor deems necessary in order to make an investment decision with respect to the Shares, including, with respect to SPAC, the Transactions and the business of PubCo and its direct and indirect subsidiaries. Without limiting the generality of the foregoing, the Investor acknowledges that it has reviewed the SEC Reports and other information as the Investor has deemed necessary to make an investment decision with respect to the Shares. The Investor acknowledges and agrees that the Investor and the Investor's professional advisor(s), if any, have had the full opportunity to ask such questions, including from PubCo directly, receive such answers and obtain such information as the Investor and its professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Shares, including but not limited to access to marketing materials and a virtual data room containing information about PubCo and its financial condition, results of operations, business, properties, management and prospects sufficient, in the Investor's judgment, to enable the Investor to evaluate its investment. The Investor acknowledges that certain information provided by PubCo was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections. The Investor further acknowledges that it has reviewed or had the full opportunity to review all disclosure documents provided to such Investor in the offering of the Shares and no statement or printed material which is contrary to such disclosure documents has been made or given to the Investor by or on behalf of the SPAC or PubCo. Except for the representations, warranties and agreements of SPAC expressly set forth in this Subscription Agreement, the Investor is relying exclusively on its, his or her own sources of information, investment analysis and due diligence (including professional advice it deemed appropriate) with respect to the Transactions, the transactions contemplated hereby, the Shares and the business, condition (financial and otherwise), management, operations, properties and prospects of SPAC and PubCo, including but not limited to all business, legal, regulatory, accounting, credit and tax matters.

e. The Investor became aware of this offering of the Shares solely by means of direct contact between the Investor and SPAC, PubCo or a representative of SPAC or PubCo, and the Shares were offered to the Investor solely by direct contact between the Investor and SPAC, PubCo or a representative of SPAC or PubCo. The Investor did not become aware of this offering of the Shares, nor were the Shares offered to the Investor, by any other means and none of the SPAC, PubCo, their respective representatives or any person acting on behalf of any of them acted as investment advisor, broker or dealer to the Investor. The Investor acknowledges that the Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws. The Investor acknowledges that it is not relying upon, and has not relied upon, any statement, representation or warranty made by any person, firm or corporation (including, without limitation, SPAC, PubCo, any of their respective affiliates or any control persons, direct or indirect equity holders, officers, managers, directors, employees, consultants, partners, agents or representatives of any of the foregoing), other than the representations and warranties of SPAC contained in Section 5 of this Subscription Agreement, in making its investment or decision to invest in SPAC.

f. The Investor acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Shares, including but not limited to those set forth in the SEC Reports. The Investor has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Shares, and the Investor has sought such accounting, legal and tax advice as the Investor has considered necessary to make an informed investment decision and the Investor has made its own assessment and has satisfied itself concerning relevant tax and other economic considerations relative to its purchase of the Shares. The Investor is able to sustain a complete loss on its investment in the Shares, has no need for liquidity with respect to its investment in the Shares and has no reason to anticipate any change in circumstances, financial or otherwise, which may cause or require any sale or distribution of all or any part of the Shares.

g. Alone, or together with any professional advisor(s), the Investor has adequately analyzed and fully considered the risks of an investment in the Shares and determined that the Shares are a suitable investment for the Investor and that the Investor is able at this time and in the foreseeable future to bear the economic risk of a total loss of the Investor's investment in SPAC. The Investor has determined based on its, his or her own independent

review and such professional advice as the Investor deemed appropriate that its, his or her purchase of the Shares and participation in the Transactions are fully consistent with its, his or her financial needs, objectives and condition and is a suitable investment for the Investor, notwithstanding the risks inherent in investing in or holding the subscribed Shares. The Investor acknowledges specifically that a possibility of total loss exists.

h. In making its decision to purchase the Shares, the Investor has relied solely upon independent investigation made by the Investor.

i. The Investor acknowledges and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Shares or made any findings or determination as to the fairness of this investment.

j. The Investor has been duly formed or incorporated, is validly existing and is in good standing under the laws of its jurisdiction of formation or incorporation, and has full power, right and legal capacity to execute and deliver this Subscription Agreement and to perform its obligations hereunder.

k. The execution, delivery and performance by the Investor of this Subscription Agreement and the transactions contemplated herein are within the powers of the Investor, have been duly authorized and will not constitute or result in a breach or default under or conflict with any order, ruling or regulation of any court or other tribunal or of any governmental commission or agency, or any agreement or other undertaking, to which the Investor is a party or by which the Investor is bound, and, if the Investor is not an individual, will not violate any provisions of the Investor's organizational documents, including, without limitation, its incorporation or formation papers, bylaws, indenture of trust or partnership or operating agreement, as may be applicable. The signature on this Subscription Agreement is genuine, and the signatory, if the Investor is an individual, has legal competence and capacity to execute the same or, if the Investor is not an individual, the signatory has been duly authorized to execute the same, and, assuming that this Subscription Agreement constitutes the valid and binding obligation of SPAC, this Subscription Agreement constitutes a legal, valid and binding obligation of the Investor, enforceable against the Investor in accordance with its terms except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally, and (ii) principles of equity, whether considered at law or equity.

l. The Investor is not (i) a person or entity named on the List of Specially Designated Nationals and Blocked Persons, the Executive Order 13599 List, the Foreign Sanctions Evaders List, or the Sectoral Sanctions Identification List, each of which is administered by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC") (collectively, "OFAC Lists"), (ii) owned, directly or indirectly, or controlled by, or acting on behalf of, one or more persons that are named on the OFAC Lists; (iii) organized, incorporated, established, located, resident or born in, or a citizen, national or the government, including any political subdivision, agency or instrumentality thereof, of, Cuba, Iran, North Korea, Syria, the Crimea region of Ukraine, the so-called Donetsk People's Republic, the so-called Luhansk People's Republic and any other Covered Region of Ukraine identified pursuant to Executive Order 14065, and non-government controlled areas of the Kherson and Zaporizhzhia region of Ukraine or any other country or territory embargoed or subject to substantial trade restrictions by the United States, (iv) a Designated National as defined in the Cuban Assets Control Regulations, 31 C.F.R. Part 515, or (v) a non-U.S. shell bank or providing banking services indirectly to a non-U.S. shell bank (each, a "Prohibited Investor"). The Investor agrees to provide law enforcement agencies, if requested thereby, such records as required by applicable law, provided that the Investor is permitted to do so under applicable law. Investor represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.) (the "BSA"), as amended by the USA PATRIOT Act of 2001 (the "PATRIOT Act"), and its implementing regulations (collectively, the "BSA/PATRIOT Act"), the Investor maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. The Investor also represents that, to the extent required, it maintains policies and procedures reasonably designed to ensure compliance with OFAC-administered sanctions programs, including for the screening of its investors against the OFAC sanctions programs, including the OFAC Lists. The Investor further represents and warrants that, to the extent required by applicable law, the Investor maintains policies and procedures reasonably designed to ensure that the funds held by the Investor and used to purchase the Shares were legally derived and were not obtained, directly or indirectly, from a Prohibited Investor.

m. The Investor has or has commitments to have and, when required to deliver payment to SPAC pursuant to Section 2 above, will have, sufficient funds to pay the Subscription Amount and consummate the purchase and sale of the Shares pursuant to this Subscription Agreement.

n. As of the date hereof, the Investor does not have, and during the thirty (30) day period immediately prior to the date hereof the Investor has not entered into, and the Investor will not enter into at any point prior to the earlier to occur of the Closing and the termination of this Subscription Agreement according to its terms, any "put equivalent position" as such term is defined in Rule 16a-1 under the Exchange Act or short sale positions with respect to the securities of the SPAC.

o. As of the date hereof, the Investor is the beneficial owner of the Retained Shares, and owns the Retained Shares free from any lien or encumbrance.

p. To the knowledge of the Investor, no prior approval is required to be procured from the relevant government authority pursuant to Press Note 3 of 2020 dated 17 April 2020 issued by the Department for Promotion of Industry and Internal Trade read with Rule 6(a) of the Foreign Exchange Management (Non-debt Instruments) Rules 2019 issued by the Government of India in order for the Investor to consummate the Transactions.

7. Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earliest to occur of (a) such date and time as the Business Combination Agreement is terminated in accordance with its terms without being consummated, (b) upon the mutual written agreement of each of the parties hereto to terminate this Subscription Agreement, or (c) 30 days after the Termination Date (as defined in the Business Combination Agreement as in effect on the date hereof), if the Closing has not occurred by such date (provided, that the right to terminate this Subscription Agreement pursuant to this clause (c) shall not be available to the Investor if the Investor's breach of any of its covenants or obligations under this Subscription Agreement shall have proximately caused the failure of the consummation of the Transactions on or before the Termination Date) (the termination events described in clauses (a)–(c) above, collectively, the "Termination Events"); provided that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from any such willful breach; and provided further, that no termination pursuant to clause (b) above shall be effective without the written consent of PubCo. SPAC shall notify the Investor in writing of the termination of the Business Combination Agreement promptly after the termination of such agreement. Upon the occurrence of any Termination Event, this Subscription Agreement shall be void and of no further effect and any monies paid by the Investor to SPAC in connection herewith shall promptly (and in any event within three (3) business day) following the Termination Event be returned to the Investor.

8. Trust Account Waiver. The Investor acknowledges that SPAC is a blank check company with the powers and privileges to effect a merger, asset acquisition, reorganization or similar business combination involving SPAC and one or more businesses or assets. The Investor further acknowledges that, as described in the SPAC's prospectus relating to its initial public offering dated September 23, 2021 (the "Prospectus"), substantially all of SPAC's assets consist of the cash proceeds of SPAC's initial public offering and private placement of its securities, and substantially all of those proceeds have been deposited in a trust account (the "Trust Account") for the benefit of SPAC, its public stockholders and the underwriters of SPAC's initial public offering. The cash in the Trust Account may be disbursed only for the purposes set forth in the Prospectus. For and in consideration of SPAC entering into this Subscription Agreement, the receipt and sufficiency of which are hereby acknowledged, the Investor, on behalf of itself and its representatives hereby irrevocably waives any and all right, title and interest, or any claim of any kind it has or may have in the future, in or to any monies held in the Trust Account (or distributions therefrom to SPAC's public stockholders or to the underwriters of SPAC's initial public offering in respect of their deferred underwriting commissions held in the Trust Account), and agrees not to seek recourse against the Trust Account; provided, however, that nothing in this Section 8 shall be deemed to limit the Investor's right, title, interest or claim to any monies held in the Trust Account by virtue of its record or beneficial ownership of DSAQ Class A Shares currently outstanding on the date hereof, pursuant to a validly exercised redemption right with respect to any such shares, except to the extent that the Investor has otherwise agreed with SPAC to not exercise such redemption right.

9. Miscellaneous.

a. Neither this Subscription Agreement nor any rights that may accrue to the parties hereunder (other than the Shares acquired hereunder, if any) may be transferred or assigned without the prior written consent of SPAC; provided that this Subscription Agreement and any of the Investor's rights and obligations hereunder may be assigned to any of its affiliates without the prior consent of SPAC; provided further that prior to such assignment any such assignee shall agree in writing to be bound by the terms hereof. No assignment pursuant to this Section 9(a) shall relieve the Investor of its obligations hereunder unless otherwise agreed to in writing by the SPAC.

b. SPAC may request from the Investor such additional information as SPAC may deem necessary to register the resale of the Shares and evaluate the eligibility of the Investor to acquire the Shares, and the Investor shall promptly provide such information as may reasonably be requested to the extent readily available. The Investor acknowledges that SPAC and/or PubCo may file a copy of this Subscription Agreement (or a form of this Subscription Agreement) with the SEC as an exhibit to a periodic report or a registration statement of SPAC or PubCo.

c. The Investor acknowledges that SPAC, PubCo and others will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement, including Schedule A hereto, and PubCo is an express intended third-party beneficiary thereof. Prior to the Closing, the Investor agrees to promptly notify SPAC and PubCo in writing (including, for the avoidance of doubt, by email) if any of the acknowledgments, understandings, agreements, representations and warranties made by the Investor as set forth in Section 6 above are no longer accurate in any material respect (other than those acknowledgments, understandings, agreements, representations and warranties qualified by materiality, in which case the Investor shall notify SPAC if they are no longer accurate in any respect). The Investor acknowledges and agrees that each purchase by the Investor of Shares from SPAC will constitute a reaffirmation of the acknowledgments, understandings, agreements, representations and warranties herein (as modified by any such notice) by the Investor as of the time of such purchase.

d. SPAC and PubCo are each entitled to rely upon this Subscription Agreement and each is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby; provided, however, that the foregoing clause of this Section 9(d) shall not give PubCo any rights other than those expressly set forth herein and, without limiting the generality of the foregoing and for the avoidance of doubt, in no event shall PubCo be entitled to rely on any of the representations and warranties of SPAC set forth in this Subscription Agreement.

e. This Subscription Agreement may not be amended, modified, waived or terminated (other than pursuant to the terms of Section 7 above) except by an instrument in writing, signed by each of the parties hereto. No failure or delay of any party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties and third-party beneficiaries hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have hereunder.

f. This Subscription Agreement (including the schedule hereto) constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties hereto, with respect to the subject matter hereof. Except as set forth in Section 9(c), Section 9(d), this Section 9(f) and Section 10 with respect to the persons specifically referenced therein, this Subscription Agreement shall not confer any rights or remedies upon any person other than the parties hereto, and their respective successors and assigns, and the parties hereto acknowledge that such persons so referenced are third party beneficiaries of this Subscription Agreement with right of enforcement for the purposes of, and to the extent of, the rights granted to them, if any, pursuant to the applicable provisions.

g. Except as otherwise provided herein, this Subscription Agreement shall be binding upon, and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns, and the agreements, representations, warranties, covenants and acknowledgments contained herein shall be deemed to be made by, and be binding upon, such heirs, executors, administrators, successors, legal representatives and permitted assigns.

h. If any provision of this Subscription Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

i. This Subscription Agreement may be executed and delivered in one (1) or more counterparts (including by electronic means, such as facsimile, in .pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

j. At any time, the SPAC may (a) extend the time for the performance of any obligation or other act of the Investor, (b) waive any inaccuracy in the representations and warranties of the Investor contained herein or in any document delivered by the Investor pursuant hereto and (c) waive compliance with any agreement of the Investor or any condition to its own obligations contained herein. At any time, the Investor may (a) extend the time for the performance of any obligation or other act of the SPAC, (b) waive any inaccuracy in the representations and warranties of the SPAC contained herein or in any document delivered by the SPAC pursuant hereto and (c) waive compliance with any agreement of the SPAC or any condition to its own obligations contained herein. Any such extension or waiver shall only be valid if set forth in an instrument in writing signed by the party or parties to be bound thereby.

k. The parties hereto acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Subscription Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties hereto shall be entitled to an injunction or injunctions to prevent breaches of this Subscription Agreement, without posting a bond or undertaking and without proof of damages, to enforce specifically the terms and provisions of this Subscription Agreement, this being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise.

l. This Subscription Agreement shall be governed by and construed in accordance with the laws of the State of Delaware (regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof) as to all matters (including any action, suit, litigation, arbitration, mediation, claim, charge, complaint, inquiry, proceeding, hearing, audit, investigation or reviews by or before any governmental entity related hereto), including matters of validity, construction, effect, performance and remedies.

m. Each party hereto hereby, and any person asserting rights as a third party beneficiary may do so only if it, irrevocably agrees that any action, suit or proceeding between or among the parties hereto, whether arising in contract, tort or otherwise, arising in connection with any disagreement, dispute, controversy or claim arising out of or relating to this Subscription Agreement or any related document or any of the transactions contemplated hereby or thereby ("Legal Dispute") shall be brought only to the exclusive jurisdiction of the courts of the State of Delaware or the federal courts located in the State of Delaware, and each party hereto hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it, he or she may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding that is brought in any such court has been brought in an inconvenient forum. During the period a Legal Dispute that is filed in accordance with this Section 9(m) is pending before a court, all actions, suits or proceedings with respect to such Legal Dispute or any other Legal Dispute, including any counterclaim, cross-claim or interpleader, shall be subject to the exclusive jurisdiction of such court. Each party hereto and any person asserting rights as a third party beneficiary may do so only if it hereby waives, and shall not assert as a defense in any Legal Dispute, that (a) such party is not personally subject to the jurisdiction of the above named courts for any reason, (b) such action, suit or proceeding may not be brought or is not maintainable in such court, (c) such party's property is exempt or immune from execution, (d) such action, suit or proceeding is brought in an inconvenient forum, or (e) the venue of such action, suit or proceeding is improper. A final judgment in any action, suit or proceeding described in this Section 9(m) following the expiration of any period permitted for appeal and subject to any stay during appeal shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable laws. EACH OF THE PARTIES HERETO AND ANY PERSON ASSERTING RIGHTS AS A THIRD PARTY BENEFICIARY MAY DO SO ONLY IF IT IRREVOCABLY AND UNCONDITIONALLY WAIVES

ANY RIGHT TO TRIAL BY JURY ON ANY CLAIMS OR COUNTERCLAIMS ASSERTED IN ANY LEGAL DISPUTE RELATING TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY AND FOR ANY COUNTERCLAIM RELATING THERETO. IF THE SUBJECT MATTER OF ANY SUCH LEGAL DISPUTE IS ONE IN WHICH THE WAIVER OF JURY TRIAL IS PROHIBITED, NO PARTY HERETO NOR ANY PERSON ASSERTING RIGHTS AS A THIRD PARTY BENEFICIARY SHALL ASSERT IN SUCH LEGAL DISPUTE A NONCOMPULSORY COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. FURTHERMORE, NO PARTY HERETO NOR ANY PERSON ASSERTING RIGHTS AS A THIRD PARTY BENEFICIARY SHALL SEEK TO CONSOLIDATE ANY SUCH LEGAL DISPUTE WITH A SEPARATE ACTION OR OTHER LEGAL PROCEEDING IN WHICH A JURY TRIAL CANNOT BE WAIVED.

n. SPAC agrees that Investor will be entitled to customary registration rights with respect to the Converted PubCo Ordinary Shares, and that such shares will be included as “registrable securities” in a registration rights agreement to be entered into among Investor, PubCo and certain other parties in connection with the closing of the Transactions.

o. The Investor agrees that, in connection with any vote to approve the Transactions or any vote to approve an extension of SPAC’s business combination deadline, it shall not exercise any right to redeem the Retained Shares and, the Investor also agrees that it shall not sell or transfer any Retained Shares prior to the consummation of the Transactions. Notwithstanding the foregoing, this Section 9(o) shall not prohibit the Investor’s transfer of Retained Shares to an affiliate, and the Investor shall obtain from such affiliate a written agreement that such affiliate will similarly not exercise any such redemption right.

Hunch Technologies Limited
Convertible Preferred Equity Term Sheet
Summary of Terms and Conditions

This term sheet (the "Term Sheet"), dated as of January 17, 2024, outlines certain indicative terms and conditions of a Preferred Equity purchase.

This term sheet is for discussion purposes only and is not (and shall not be construed as) an offer or acceptance with respect to any potential transaction. This Term Sheet does not purport to summarize all conditions, representations, warranties and other provisions with respect to the transactions referred to herein. Any final agreement, if reached between the parties, is subject to, among other things, full prior approval of the investment committees of the prospective investors, satisfactory business, technical, legal and financial due diligence and satisfactory legal documentation. The information contained herein is made available on a confidential basis and may not be provided to any third party without the prior written consent of the prospective investors.

- Issuer:** **Hunch Technologies Limited**, a private limited company incorporated in Ireland with registered number 607449 (to be re-registered as a public company limited by shares).
- IndiaCo:** **Aeroflow Urban Air Mobility Private Limited**, a private limited company incorporated under the laws of India ("IndiaCo").
- Purchaser:** **Antara Capital Master Fund LP**, a Cayman Islands exempted limited partnership.
- Investment:** The Purchaser will subscribe for, and Direct Selling Acquisition Corp. (the "SPAC"), will allot and issue, an aggregate of USD\$7.0 million of newly issued convertible preferred equity shares (the "DSAQ Preferred Equity"), prior to the closing of the proposed business combination (the "Business Combination") between SPAC and IndiaCo, and subject to the terms and conditions set forth herein. On the closing date of the Business Combination, each share of DSAQ Preferred Equity will be converted into the right to receive one convertible preferred share of Issuer (the "Preferred Equity").
- Dividend Rate:** Dividends on the Preferred Equity ("Preferred Dividends") shall accumulate daily (prior to any conversion into Common Shares) from closing on a cumulative basis and shall be payable quarterly in cash in arrears, in an amount equal to 10.00% per annum. Notwithstanding the foregoing, Issuer may make distributions on the Preferred Equity by delivery of additional Preferred Equity in lieu of cash distributions as provided above (such distributions, "PIK Distributions") and the par value per additional Preferred Equity shall be discharged by the Issuer or an affiliate of the Issuer that is permitted to do so under, or otherwise in accordance with, Irish law and other applicable laws.
- The Preferred Equity will participate, on an as-converted basis, in any dividends paid to the holders of the Issuer's ordinary shares ("Common Shares") (whether in the form of cash, stock, property, debt or other assets, including any spin-off or similar transaction).
- Optional Conversion:** The Preferred Equity shall be convertible into Common Shares, at any time, at the option of the holder of such Preferred Equity, at a fixed conversion price of \$12.00 per share ("Conversion Price"). In connection with any optional conversion of Preferred Equity, the Conversion Price shall be adjusted for accrued but unpaid dividends to the conversion date.

Conversion at Option of Issuer:	Beginning on the third anniversary of the Closing Date, the Issuer will have the option to require all (but not less than all) outstanding issued shares of Preferred Equity to automatically convert (unless previously converted at the option of the holder of such Preferred Equity) into a number of Common Shares at the Conversion Price if the volume weighted average price of the Common Shares exceeds 150% of the Conversion Price for any twenty (20) trading days during a thirty (30) trading day period. Any conversion by the Issuer prior to the 3rd anniversary of the Closing Date shall otherwise comply with this provision and include all unpaid Preferred Dividends that would have accrued up to and including the 3rd anniversary of the Closing Date.
Issuance Limits:	Without restricting the Issuer's ability to satisfy dividend payment obligations through PIK Distributions or other issuances in lieu of cash, in the Issuer's discretion, none of the terms or rights of the Preferred Equity shall cause the Issuer to be required to issue or re-designate (upon conversion or otherwise) such number of shares as would exceed 19.99% of total outstanding shares or voting power of the Issuer, and provided further, that all issuances hereunder shall be subject to volume restrictions and applicable Nasdaq listing requirements.
Closing Date:	Immediately prior to the closing of the Business Combination.
Required Redemption:	TBD in a manner that complies with SEC's recent position relative to put features.
Liquidation Preference:	<p>"Liquidation Preference" means the Investment plus all accrued and unpaid dividends.</p> <p>In the event of a liquidation or winding up prior to the 3rd anniversary of the Closing Date, the holders of the Preferred Equity will be entitled to receive the greater of the proceeds from liquidity event (as per their shareholding in the Issuer on an as-converted basis) and the Liquidation Preference, with the Liquidation Preference being deemed to include all unpaid dividends that would have accrued up to and including the 3rd anniversary of the Closing Date.</p>
Conversion Upon Change of Control:	Upon a change of control (prior to the third anniversary of the Closing Date), Preferred Equity shall convert to Common Shares.
Voting Rights:	The Preferred Equity will confer on the holders thereof the right to receive notice of, attend and vote at general meetings of the Issuer. The Preferred Equity will vote with the Common Shares as a single class on an as-converted basis (giving effect to any accrued but unpaid dividends) on all matters submitted to a vote of the holders of Common Shares. The Preferred Equity will be entitled to vote on certain matters as required by law as a separate class and the affirmative vote of a majority of the outstanding Preferred Equity will be required to approve such matters.
Ranking:	The Preferred Equity will rank senior to all Common Shares and any other existing or future class or series of equity securities of Issuer at the closing of and following the Business Combination with respect to distribution and liquidation rights.
Transfer Restrictions:	The Preferred Equity (and underlying Common Shares) shall be freely transferrable, subject to a mutually agreed disqualified transferee list and applicable securities laws.
DTC:	One year after closing of the Business Combination, at the request of the Purchaser, Issuer will cause the Preferred Equity to be eligible for settlement through the facilities of DTC, and also will cooperate with the holders of the Preferred Equity to cause the removal of all

restrictive legends being properly solder under an effective registration statement or pursuant to Rule 144 under the Securities Act of 1933, as amended, within two business days of a holder's request and cause its legal counsel to deliver the necessary legal opinions, if any, to Issuer's transfer agent in connection with the instruction to remove the restrictive legends upon the receipt of such supporting documentation.

Other Terms:

The definitive documentation shall include other terms and provisions customary to an investment of this nature, including, without limitation, customary and appropriate (i) representations and warranties, (ii) covenants, (iii) limited indemnification provisions and (iv) equity considerations, in each case, on terms and conditions to be agreed.

Expenses:

Each party shall be responsible for its own expenses.

Ladies and Gentlemen:

This Subscription Agreement (this "Subscription Agreement") is being entered into as of the date set forth on the signature page hereto, by and between Hunch Technologies Limited, a private limited company incorporated in Ireland with registered number 607449 ("PubCo"), and the undersigned investor (the "Investor"), in connection with the Business Combination Agreement, dated as of the date hereof (as may be amended, supplemented or otherwise modified from time to time, the "Business Combination Agreement"), by and among Direct Selling Acquisition Corp., a Delaware corporation ("SPAC"), Aeroflow Urban Air Mobility Private Limited, a private limited company incorporated under the laws of India and a direct wholly owned subsidiary of PubCo, PubCo, FlyBlade (India) Private Limited, a private limited company incorporated under the laws of India, and HTL Merger Sub LLC, a Delaware limited liability company and a direct wholly owned Subsidiary of PubCo ("Merger Sub"), pursuant to which, among other things, on the Closing Date (as defined below), Merger Sub shall merge with and into SPAC (the "Merger"), with SPAC surviving the Merger as the surviving company in the Merger and a wholly owned subsidiary of PubCo (the transactions contemplated by the Business Combination Agreement, including the Merger, the "Transactions"). In connection with the Transactions, PubCo is seeking commitments from interested investors to purchase, immediately prior to the closing of the Merger, preferred shares of PubCo (the "Shares"), which class of Shares will be created by PubCo subsequent to its re-registration as a public limited company under Irish law and the adoption of a revised memorandum and articles of association in accordance with the terms of the Business Combination Agreement (the "Re-Registration") and which Shares shall be convertible into PubCo's ordinary shares, par value \$0.0001 per share (the "Converted PubCo Ordinary Shares"), in a private placement for a purchase price of \$10.00 per share. The Shares will be issued pursuant to the memorandum and articles of association that will be adopted by PubCo in accordance with the terms of the Business Combination Agreement, with identical terms and conditions as the SPAC Preferred Shares (as defined below), and as set forth in Exhibit A. The aggregate purchase price to be paid by the Investor for the Shares (as set forth on the signature page hereto) is referred to herein as the "Subscription Amount."

Concurrently with the execution of the Business Combination Agreement and this Subscription Agreement, Antara Capital Master Fund LP ("Antara") is entering into a subscription agreement with SPAC (the "Antara Subscription Agreement"), pursuant to which, among other things, Antara is agreeing to subscribe for SPAC's preferred stock, par value \$0.0001 per share ("SPAC Preferred Shares"), in a private placement for a purchase price of \$10.00 per share, for an aggregate investment amount of \$7,000,000 (the "Antara PIPE Investment"), on the terms and subject to the conditions set forth in the Antara Subscription Agreement. The Shares issued pursuant to this Subscription Agreement will be issued concurrently with the issuance of SPAC Preferred Shares pursuant to the Antara Subscription Agreement.

In connection therewith, and in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, set forth herein, and intending to be legally bound hereby, each of the Investor and PubCo acknowledges and agrees as follows:

1. Subscription. The Investor hereby irrevocably subscribes for and agrees to subscribe for, and PubCo agrees to issue and allot to the Investor, the number of Shares set forth on the signature page of this Subscription Agreement on the terms and subject to the conditions provided for herein and subsequent to the completion of the Re-Registration. The Investor acknowledges and agrees that PubCo reserves the right to accept or reject the Investor's subscription for the Shares for any reason or for no reason, in whole or in part, at any time prior to its acceptance, and the same shall be deemed to be accepted by PubCo only when this Subscription Agreement is signed by a duly authorized person by or on behalf of PubCo; PubCo may do so in counterpart form.

2. Closing. The closing of the subscription for and allotment of Shares contemplated hereby (the “Closing”) will occur on the date of, and immediately prior to, the consummation of the Merger. Upon delivery of written notice from (or on behalf of) PubCo to the Investor (the “Closing Notice”), that PubCo reasonably expects all conditions to the closing of the Transactions to be satisfied or waived on a date that is not less than five (5) business days from the date on which the Closing Notice is delivered to the Investor, the Investor shall deliver to PubCo, three (3) business days prior to the closing date specified in the Closing Notice (the “Closing Date”), (i) the Subscription Amount by wire transfer of United States dollars in immediately available funds to the account(s) specified by PubCo in the Closing Notice and (ii) any other information that is reasonably requested in the Closing Notice in order for the Shares to be issued to the Investor, including, without limitation, the legal name of the person in whose name such Shares are to be issued, such information as may be required under Irish law in order to ensure that the Shares can be duly issued to the Investor and a duly executed Internal Revenue Service Form W-9 or W-8, as applicable. On the Closing Date, a number of Shares shall be issued to the Investor set forth on the signature page to this Subscription Agreement and subsequently such Shares shall be registered in book entry form in the name of the Investor on PubCo’s register of members; provided, however, that the obligation to issue the Shares to the Investor is contingent upon PubCo having received the Subscription Amount in full in accordance with this Section 2. If the Closing does not occur within ten (10) business days following the Closing Date specified in the Closing Notice, PubCo shall promptly (but not later than three (3) business days thereafter) return the Subscription Amount in full to the Investor; provided that, unless this Subscription Agreement has been terminated pursuant to Section 7 hereof, such return of funds shall not terminate this Subscription Agreement or relieve the Investor of its obligation to purchase the Shares at the Closing upon the delivery by PubCo of a subsequent Closing Notice in accordance with this Section 2. If the closing of the Merger does not occur within ten (10) business days following the Closing, Investor shall forfeit the Shares to the PubCo, and PubCo shall promptly (but not later than three (3) business days thereafter) return the Subscription Amount in full to the Investor; provided that, unless this Subscription Agreement has been terminated pursuant to Section 7 hereof, such return of funds shall not terminate this Subscription Agreement or relieve the Investor of its, his or her obligation to purchase the Shares at a subsequent Closing upon the delivery by PubCo of a subsequent Closing Notice in accordance with this Section 2. For purposes of this Subscription Agreement, “business day” shall mean a day other than a Saturday, Sunday or other day on which commercial banks in New York, New York are authorized or required by law to close.

3. Closing Conditions.

a. The obligation of the parties hereto to consummate the subscription for and allotment of the Shares pursuant to this Subscription Agreement is subject to the satisfaction or valid waiver by PubCo, on the one hand, or the Investor on the other hand, of the following conditions:

(i) no applicable governmental authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation (whether temporary, preliminary or permanent) which is then in effect and has the effect of making the consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby; and

(ii) (A) all conditions precedent to the closing of the Transactions contained in the Business Combination Agreement shall have been satisfied (as determined by the parties to the Business Combination Agreement and other than those conditions under the Business Combination Agreement which, by their nature, are to be fulfilled at the closing of the Transactions, including to the extent that any such condition is dependent upon the consummation of the subscription for and allotment of the Shares pursuant to this Subscription Agreement) or waived according to the terms of the Business Combination Agreement and (B) the closing of the Transactions shall be scheduled to occur immediately following and on the same date as the Closing.

b. The obligation of PubCo to consummate the allotment of the Shares pursuant to this Subscription Agreement shall be subject to the satisfaction of the following conditions (which may be waived by PubCo):

(i) all representations and warranties of the Investor contained in this Subscription Agreement are true and correct in all material respects at and as of the Closing (except for representations and warranties qualified by materiality, which shall be true and correct in all respects and those representations and warranties that speak as of a specified earlier date, which shall be so true and correct in all material respects (or, if qualified by materiality, in all respects) as of such earlier date), and consummation of the Closing shall constitute a reaffirmation by the Investor of each of the representations and warranties of the Investor contained in this Subscription Agreement as of the Closing; and

(ii) all obligations, covenants and agreements of the Investor required to be performed by it at or prior to the Closing under this Subscription Agreement shall have been performed in all material respects.

c. The obligation of the Investor to consummate the purchase of the Shares pursuant to this Subscription Agreement shall be subject to the satisfaction of the conditions (which may be waived by the Investor):

(i) the consummation of the Antara PIPE Investment, including, without limitation, the receipt of the proceeds of the Antara PIPE Investment by SPAC;

(ii) all representations and warranties of PubCo contained in this Subscription Agreement shall be true and correct in all material respects at and as of the Closing (other than representations and warranties that are qualified as to materiality or Material Adverse Effect (as defined below), which representations and warranties shall be true in all respects and those representations and warranties that speak as of a specified earlier date, which shall be so true and correct in all material respects (or, if qualified by materiality, in all respects) as of such earlier date), and consummation of the Closing shall constitute a reaffirmation by PubCo of each of the representations and warranties of PubCo contained in this Subscription Agreement as of the Closing; and

(iii) all obligations, covenants and agreements of PubCo required by this Subscription Agreement to be performed by it at or prior to the Closing shall have been performed in all material respects.

4. Further Assurances. At or prior to the Closing, the parties hereto shall execute and deliver, or cause to be executed and delivered, such additional documents and take such additional actions as the parties reasonably may deem to be practical and necessary in order to consummate the subscription as contemplated by this Subscription Agreement.

5. PubCo Representations and Warranties. PubCo represents and warrants to the Investor that:

a. As of the date hereof, PubCo is a company duly incorporated, validly existing as a private company limited by shares under the laws of Ireland and will remain as such through the Closing Date, save that PubCo will prior the Closing Date re-register as a public limited company under the laws of Ireland in order to give effect to the terms of this Subscription Agreement. PubCo has all power (corporate or otherwise) and authority to own, lease and operate its properties and conduct its business as presently conducted and to enter into, deliver and perform its obligations under this Subscription Agreement.

b. As of the Closing, the Shares will be duly authorized and, when issued and delivered to the Investor against full payment therefor in accordance with the terms of this Subscription Agreement, the Shares will be validly issued, fully paid and non-assessable and will not have been issued in violation of or subject to any preemptive or similar rights created under the memorandum and articles of association to be adopted by PubCo pursuant to the Re-Registration (as it may be further amended through the Closing).

c. This Subscription Agreement has been duly authorized, executed and delivered by PubCo and, assuming that this Subscription Agreement constitutes the valid and binding agreement of the Investor, this Subscription Agreement is enforceable against PubCo in accordance with its terms, except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally, or (ii) principles of equity, whether considered at law or equity.

d. The allotment of the Shares and the compliance by PubCo with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of PubCo pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which PubCo is a party or by which PubCo is bound or to which any of the property or assets of PubCo is subject that would reasonably be expected to materially affect the validity of the Shares or the legal authority of PubCo to timely comply in all material respects with the terms of this Subscription Agreement or have a material adverse effect on the business, financial condition or results of operations of PubCo (a "Material Adverse Effect"); (ii) result in any violation of the provisions of the organizational documents of PubCo; or (iii) result in any violation of any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over PubCo or any of its properties that would reasonably be expected to have a Material Adverse Effect.

e. Reserved.

f. Assuming the accuracy of the Investor's representations and warranties set forth in Section 6 of this Subscription Agreement, no registration under the Securities Act of 1933, as amended (the "Securities Act") is required for the allotment of the Shares by PubCo to the Investor hereunder. The Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

g. Neither the PubCo nor any person acting on its behalf has, directly or indirectly, engaged or will engage prior to the Closing in any form of general solicitation or general advertising (within the meaning of Regulation D of the Securities Act) in connection with any offer or sale of the Shares, and the Shares are not being offering in a manner involving a public offering under, or in a distribution in violation of, the Securities Act or any state securities laws.

6. Investor Representations and Warranties. The Investor represents and warrants to PubCo that:

a. The Investor (i) understands that the sale of the Shares is made pursuant to and in reliance upon Regulation S promulgated under the Securities Act ("Regulation S") and represents that it is not a U.S. Person (as defined in Regulation S), it is acquiring the Shares in an offshore transaction in reliance on Regulation S, and it has received all the information relevant to its acquisition of the Shares hereunder outside of the United States, (ii) is subscribing for the Shares only for its own account and not for the account of others and (iii) is not subscribing for the Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act or any securities laws of the United States or any other jurisdiction. The Investor is not an entity formed for the specific purpose of subscribing for the Shares, unless such newly formed entity is an entity in which all of the investors are institutional accredited investors. The Investor further acknowledges that it is aware that the sale to it is being made in reliance on a private placement exempt from registration under the Securities Act and is subscribing for the Shares for its, his or her own account. In addition, the Investor further acknowledges and agrees that it did not receive in the United States any document related to the offer or sale of the Shares, and did not send any such document into the United States; it has not used, directly or indirectly, the mails, or a means of communication or other means or instrumentality of commerce or the facilities of a United States securities exchange in relation to the offer or sale of the Shares; prior to the entry into this Agreement it has received a notice to substantially the following effect:

The securities covered hereby have not been registered under the Securities Act, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until 40 days after the later of the commencement of the offering of the securities and the date of original issuance of the securities, except in accordance with Regulation S or any other available exemption from registration under the Securities Act. Terms used above have the meanings given to them by Regulation S.

b. The Investor acknowledges and agrees that the Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the offer and sale of the Shares have not been registered under the Securities Act or any other applicable securities laws. The Investor acknowledges and agrees that the Shares may not be offered, resold, transferred, pledged or otherwise disposed of by the Investor

absent an effective registration statement under the Securities Act except in compliance with any exemption therefrom and that any book entries representing the Shares shall contain a restrictive legend to such effect, which legend shall be subject to removal as set forth herein, subject to applicable law. The Investor acknowledges and agrees that the Shares will be subject to transfer restrictions and, as a result of these transfer restrictions, the Investor may not be able to readily offer, resell, transfer, pledge or otherwise dispose of the Shares and may be required to bear the financial risk of an investment in the Shares for an indefinite period of time. The Investor acknowledges and agrees that the Shares will not be eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144 promulgated under the Securities Act until at least one year from the date that PubCo files a Form 20-F following the Closing that includes the "Form 10" information required under applicable SEC rules and regulations. The Investor acknowledges and agrees that it has been advised to consult legal counsel and tax and accounting advisors prior to making any offer, resale, transfer, pledge or disposition of any of the Shares.

c. The Investor's subscription for and holding of the Shares will not constitute or result in a non-exempt prohibited transaction under Section 406 of the Employee Retirement Income Security Act of 1974, as amended, Section 4975 of the Internal Revenue Code of 1986, as amended, or any applicable similar law.

d. The Investor acknowledges and agrees that the Investor has received such information as the Investor deems necessary in order to make an investment decision with respect to the Shares, including, with respect to PubCo, the Transactions and the business of PubCo and its direct and indirect subsidiaries. The Investor acknowledges and agrees that the Investor and the Investor's professional advisor(s), if any, have had the full opportunity to ask such questions, including from PubCo directly, receive such answers and obtain such information as the Investor and its professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Shares, including but not limited to access to marketing materials and a virtual data room containing information about PubCo and its financial condition, results of operations, business, properties, management and prospects sufficient, in the Investor's judgment, to enable the Investor to evaluate its investment. The Investor acknowledges that certain information provided by PubCo was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections. The Investor further acknowledges that it has reviewed or had the full opportunity to review all disclosure documents provided to such Investor in the offering of the Shares and no statement or printed material which is contrary to such disclosure documents has been made or given to the Investor by or on behalf of the SPAC or PubCo. Except for the representations, warranties and agreements of PubCo expressly set forth in this Subscription Agreement, the Investor is relying exclusively on its, his or her own sources of information, investment analysis and due diligence (including professional advice it deemed appropriate) with respect to the Transactions, the transactions contemplated hereby, the Shares and the business, condition (financial and otherwise), management, operations, properties and prospects of SPAC and PubCo, including but not limited to all business, legal, regulatory, accounting, credit and tax matters.

e. The Investor became aware of this offering of the Shares solely by means of direct contact between the Investor and SPAC, PubCo or a representative of SPAC or PubCo, and the Shares were offered to the Investor solely by direct contact between the Investor and SPAC, PubCo or a representative of SPAC or PubCo. The Investor did not become aware of this offering of the Shares, nor were the Shares offered to the Investor, by any other means and none of the SPAC, PubCo, their respective representatives or any person acting on behalf of any of them acted as investment advisor, broker or dealer to the Investor. The Investor acknowledges that the Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws. The Investor acknowledges that it is not relying upon, and has not relied upon, any statement, representation or warranty made by any person, firm or corporation (including, without limitation, SPAC, PubCo, any of their respective affiliates or any control persons, direct or indirect equity holders, officers, managers, directors, employees, consultants, partners, agents or representatives of any of the foregoing), other than the representations and warranties of PubCo contained in Section 5 of this Subscription Agreement, in making its investment or decision to invest in PubCo.

f. The Investor acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Shares. The Investor has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Shares, and the Investor has sought such accounting, legal and tax advice as the Investor has considered necessary to make an informed investment

decision and the Investor has made its own assessment and has satisfied itself concerning relevant tax and other economic considerations relative to its purchase of the Shares. The Investor is able to sustain a complete loss on its investment in the Shares, has no need for liquidity with respect to its investment in the Shares and has no reason to anticipate any change in circumstances, financial or otherwise, which may cause or require any sale or distribution of all or any part of the Shares.

g. Alone, or together with any professional advisor(s), the Investor has adequately analyzed and fully considered the risks of an investment in the Shares and determined that the Shares are a suitable investment for the Investor and that the Investor is able at this time and in the foreseeable future to bear the economic risk of a total loss of the Investor's investment in PubCo. The Investor has determined based on its, his or her own independent review and such professional advice as the Investor deemed appropriate that its, his or her purchase of the Shares and participation in the Transactions are fully consistent with its, his or her financial needs, objectives and condition and is a suitable investment for the Investor, notwithstanding the risks inherent in investing in or holding the subscribed Shares. The Investor acknowledges specifically that a possibility of total loss exists.

h. In making its decision to purchase the Shares, the Investor has relied solely upon independent investigation made by the Investor.

i. The Investor acknowledges and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Shares or made any findings or determination as to the fairness of this investment.

j. The Investor has been duly formed or incorporated, is validly existing and is in good standing under the laws of its jurisdiction of formation or incorporation, and has full power, right and legal capacity to execute and deliver this Subscription Agreement and to perform its obligations hereunder.

k. The execution, delivery and performance by the Investor of this Subscription Agreement and the transactions contemplated herein are within the powers of the Investor, have been duly authorized and will not constitute or result in a breach or default under or conflict with any order, ruling or regulation of any court or other tribunal or of any governmental commission or agency, or any agreement or other undertaking, to which the Investor is a party or by which the Investor is bound, and, if the Investor is not an individual, will not violate any provisions of the Investor's organizational documents, including, without limitation, its incorporation or formation papers, bylaws, indenture of trust or partnership or operating agreement, as may be applicable. The signature on this Subscription Agreement is genuine, and the signatory, if the Investor is an individual, has legal competence and capacity to execute the same or, if the Investor is not an individual, the signatory has been duly authorized to execute the same, and, assuming that this Subscription Agreement constitutes the valid and binding obligation of PubCo, this Subscription Agreement constitutes a legal, valid and binding obligation of the Investor, enforceable against the Investor in accordance with its terms except as may be limited or otherwise affected by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium or other laws relating to or affecting the rights of creditors generally, and (ii) principles of equity, whether considered at law or equity.

l. The Investor is not (i) a person or entity named on the List of Specially Designated Nationals and Blocked Persons, the Executive Order 13599 List, the Foreign Sanctions Evaders List, or the Sectoral Sanctions Identification List, each of which is administered by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC") (collectively, "OFAC Lists"), (ii) owned, directly or indirectly, or controlled by, or acting on behalf of, one or more persons that are named on the OFAC Lists; (iii) organized, incorporated, established, located, resident or born in, or a citizen, national or the government, including any political subdivision, agency or instrumentality thereof, of, Cuba, Iran, North Korea, Syria, the Crimea region of Ukraine, the so-called Donetsk People's Republic, the so-called Luhansk People's Republic and any other Covered Region of Ukraine identified pursuant to Executive Order 14065, and non-government controlled areas of the Kherson and Zaporizhzhia region of Ukraine or any other country or territory embargoed or subject to substantial trade restrictions by the United States, (iv) a Designated National as defined in the Cuban Assets Control Regulations, 31 C.F.R. Part 515, or (v) a non-U.S. shell bank or providing banking services indirectly to a non-U.S. shell bank (each, a "Prohibited Investor"). The Investor agrees to provide law enforcement agencies, if requested thereby, such records as required by applicable law, provided that the Investor is permitted to do so under applicable law. Investor represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.) (the "BSA"), as amended by the USA

PATRIOT Act of 2001 (the “PATRIOT Act”), and its implementing regulations (collectively, the “BSA/PATRIOT Act”), the Investor maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. The Investor also represents that, to the extent required, it maintains policies and procedures reasonably designed to ensure compliance with OFAC-administered sanctions programs, including for the screening of its investors against the OFAC sanctions programs, including the OFAC Lists. The Investor further represents and warrants that, to the extent required by applicable law, the Investor maintains policies and procedures reasonably designed to ensure that the funds held by the Investor and used to purchase the Shares were legally derived and were not obtained, directly or indirectly, from a Prohibited Investor.

m. The Investor has or has commitments to have and, when required to deliver payment to SPAC pursuant to Section 2 above, will have, sufficient funds to pay the Subscription Amount and consummate the subscription for and allotment of the Shares pursuant to this Subscription Agreement.

n. As of the date hereof, the Investor does not have, and during the thirty (30) day period immediately prior to the date hereof the Investor has not entered into, and the Investor will not enter into at any point prior to the earlier to occur of the Closing and the termination of this Subscription Agreement according to its terms, any “put equivalent position” as such term is defined in Rule 16a-1 under the Securities Exchange Act of 1934, as amended, or short sale positions with respect to the securities of the SPAC.

o. To the knowledge of the Investor, no prior approval is required to be procured from the relevant government authority pursuant to Press Note 3 of 2020 dated 17 April 2020 issued by the Department for Promotion of Industry and Internal Trade read with Rule 6(a) of the Foreign Exchange Management (Non-debt Instruments) Rules 2019 issued by the Government of India in order for the Investor to consummate the Transactions.

7. Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earliest to occur of (a) such date and time as the Business Combination Agreement is terminated in accordance with its terms without being consummated, (b) upon the mutual written agreement of each of the parties hereto to terminate this Subscription Agreement, or (c) 30 days after the Termination Date (as defined in the Business Combination Agreement as in effect on the date hereof), if the Closing has not occurred by such date (provided, that the right to terminate this Subscription Agreement pursuant to this clause (c) shall not be available to the Investor if the Investor’s breach of any of its covenants or obligations under this Subscription Agreement shall have proximately caused the failure of the consummation of the Transactions on or before the Termination Date) (the termination events described in clauses (a)–(c) above, collectively, the “Termination Events”); provided that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from any such willful breach; and provided further, that no termination pursuant to clause (b) above shall be effective without the written consent of PubCo. 9. Miscellaneous.

a. Neither this Subscription Agreement nor any rights that may accrue to the parties hereunder (other than the Shares subscribed for hereunder, if any) may be transferred or assigned without the prior written consent of PubCo; provided that this Subscription Agreement and any of the Investor’s rights and obligations hereunder may be assigned to any of its affiliates without the prior consent of PubCo; provided further that prior to such assignment any such assignee shall agree in writing to be bound by the terms hereof. No assignment pursuant to this Section 9(a) shall relieve the Investor of its obligations hereunder unless otherwise agreed to in writing by the PubCo.

b. PubCo may request from the Investor such additional information as PubCo may deem necessary to register the resale of the Shares and evaluate the eligibility of the Investor to subscribe for the Shares, and the Investor shall promptly provide such information as may reasonably be requested to the extent readily available. The Investor acknowledges that SPAC and/or PubCo may file a copy of this Subscription Agreement (or a form of this Subscription Agreement) with the U.S. Securities and Exchange Commission (the "SEC") as an exhibit to a periodic report or a registration statement of SPAC or PubCo.

c. The Investor acknowledges that SPAC, PubCo and others will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement, including Schedule A hereto, and SPAC is an express intended third-party beneficiary thereof. Prior to the Closing, the Investor agrees to promptly notify SPAC and PubCo in writing (including, for the avoidance of doubt, by email) if any of the acknowledgments, understandings, agreements, representations and warranties made by the Investor as set forth in Section 6 above are no longer accurate in any material respect (other than those acknowledgments, understandings, agreements, representations and warranties qualified by materiality, in which case the Investor shall notify PubCo if they are no longer accurate in any respect). The Investor acknowledges and agrees that each purchase by the Investor of Shares from PubCo will constitute a reaffirmation of the acknowledgments, understandings, agreements, representations and warranties herein (as modified by any such notice) by the Investor as of the time of such purchase.

d. SPAC and PubCo are each entitled to rely upon this Subscription Agreement and each is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby; provided, however, that the foregoing clause of this Section 9(d) shall not give SPAC any rights other than those expressly set forth herein and, without limiting the generality of the foregoing and for the avoidance of doubt, in no event shall SPAC be entitled to rely on any of the representations and warranties of PubCo set forth in this Subscription Agreement.

e. This Subscription Agreement may not be amended, modified, waived or terminated (other than pursuant to the terms of Section 7 above) except by an instrument in writing, signed by each of the parties hereto. No failure or delay of any party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties and third-party beneficiaries hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have hereunder.

f. This Subscription Agreement (including the schedule hereto) constitutes the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties hereto, with respect to the subject matter hereof. Except as set forth in Section 9(c), Section 9(d), this Section 9(f) and Section 10 with respect to the persons specifically referenced therein, this Subscription Agreement shall not confer any rights or remedies upon any person other than the parties hereto, and their respective successors and assigns, and the parties hereto acknowledge that such persons so referenced are third party beneficiaries of this Subscription Agreement with right of enforcement for the purposes of, and to the extent of, the rights granted to them, if any, pursuant to the applicable provisions.

g. Except as otherwise provided herein, this Subscription Agreement shall be binding upon, and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns, and the agreements, representations, warranties, covenants and acknowledgments contained herein shall be deemed to be made by, and be binding upon, such heirs, executors, administrators, successors, legal representatives and permitted assigns.

h. If any provision of this Subscription Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

i. This Subscription Agreement may be executed and delivered in one (1) or more counterparts (including by electronic means, such as facsimile, in .pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

j. At any time, the PubCo may (a) extend the time for the performance of any obligation or other act of the Investor, (b) waive any inaccuracy in the representations and warranties of the Investor contained herein or in any document delivered by the Investor pursuant hereto and (c) waive compliance with any agreement of the Investor or any condition to its own obligations contained herein. At any time, the Investor may (a) extend the time for the performance of any obligation or other act of the PubCo, (b) waive any inaccuracy in the representations and warranties of the PubCo contained herein or in any document delivered by the PubCo pursuant hereto and (c) waive compliance with any agreement of the PubCo or any condition to its own obligations contained herein. Any such extension or waiver shall only be valid if set forth in an instrument in writing signed by the party or parties to be bound thereby.

k. The parties hereto acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Subscription Agreement were not performed in accordance with their specific terms or were otherwise breached. l. This Subscription Agreement shall be governed by and construed in accordance with the laws of the State of Delaware (regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof) as to all matters (including any action, suit, litigation, arbitration, mediation, claim, charge, complaint, inquiry, proceeding, hearing, audit, investigation or reviews by or before any governmental entity related hereto), including matters of validity, construction, effect, performance and remedies.

m. Each party hereto hereby, and any person asserting rights as a third party beneficiary may do so only if it, irrevocably agrees that any action, suit or proceeding between or among the parties hereto, whether arising in contract, tort or otherwise, arising in connection with any disagreement, dispute, controversy or claim arising out of or relating to this Subscription Agreement or any related document or any of the transactions contemplated hereby or thereby ("Legal Dispute") shall be brought only to the exclusive jurisdiction of the courts of the State of Delaware or the federal courts located in the State of Delaware, and each party hereto hereby consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it, he or she may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding that is brought in any such court has been brought in an inconvenient forum. EACH OF THE PARTIES HERETO AND ANY PERSON ASSERTING RIGHTS AS A THIRD PARTY BENEFICIARY MAY DO SO ONLY IF IT IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT TO TRIAL BY JURY ON ANY CLAIMS OR COUNTERCLAIMS ASSERTED IN ANY LEGAL DISPUTE RELATING TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY AND FOR ANY COUNTERCLAIM RELATING THERETO. IF THE SUBJECT MATTER OF ANY SUCH LEGAL DISPUTE IS ONE IN WHICH THE WAIVER OF JURY TRIAL IS PROHIBITED, NO PARTY HERETO NOR ANY PERSON ASSERTING RIGHTS AS A THIRD PARTY BENEFICIARY SHALL ASSERT IN SUCH LEGAL DISPUTE A NONCOMPULSORY COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. Summary of Terms and Conditions

This term sheet (the "Term Sheet"), dated as of January 17, 2024, outlines certain indicative terms and conditions of a Preferred Equity purchase.

This term sheet is for discussion purposes only and is not (and shall not be construed as) an offer or acceptance with respect to any potential transaction. This Term Sheet does not purport to summarize all conditions, representations, warranties and other provisions with respect to the transactions referred to herein. Any final agreement, if reached between the parties, is subject to, among other things, full prior approval of the investment committees of the prospective investors, satisfactory business, technical, legal and financial due diligence and satisfactory legal documentation. The information contained herein is made available on a confidential basis and may not be provided to any third party without the prior written consent of the prospective investors.

- Issuer:** **Hunch Technologies Limited**, a private limited company incorporated in Ireland with registered number 607449 (to be re-registered as a public company limited by shares).
- IndiaCo:** **Aeroflow Urban Air Mobility Private Limited**, a private limited company incorporated under the laws of India ("IndiaCo").
- Purchaser:** **Quick Response Services Provider**, a limited liability partnership formed under the laws of India.
- Investment:** The Purchaser will subscribe for, and Issuer, will allot and issue, an aggregate of USD\$3.0 million of newly issued convertible preferred equity shares (the "**Preferred Equity**"), prior to the closing of the proposed business combination (the "**Business Combination**") between Direct Selling Acquisition Corp. ("**SPAC**") and IndiaCo, and subject to the terms and conditions set forth herein.
- Dividend Rate:** Dividends on the Preferred Equity ("**Preferred Dividends**") shall accumulate daily (prior to any conversion into Common Shares) from closing on a cumulative basis and shall be payable quarterly in cash in arrears, in an amount equal to 10.00% per annum. Notwithstanding the foregoing, Issuer may make distributions on the Preferred Equity by delivery of additional Preferred Equity in lieu of cash distributions as provided above (such distributions, "**PIK Distributions**") and the par value per additional Preferred Equity shall be discharged by the Issuer or an affiliate of the Issuer that is permitted to do so under, or otherwise in accordance with, Irish law and other applicable laws.
- The Preferred Equity will participate, on an as-converted basis, in any dividends paid to the holders of the Issuer's ordinary shares ("**Common Shares**") (whether in the form of cash, stock, property, debt or other assets, including any spin-off or similar transaction).
- Optional Conversion:** The Preferred Equity shall be convertible into Common Shares, at any time, at the option of the holder of such Preferred Equity, at a fixed conversion price of \$12.00 per share ("**Conversion Price**"). In connection with any optional conversion of Preferred Equity, the Conversion Price shall be adjusted for accrued but unpaid dividends to the conversion date.

Conversion at Option of Issuer:	Beginning on the third anniversary of the Closing Date, the Issuer will have the option to require all (but not less than all) outstanding issued shares of Preferred Equity to automatically convert (unless previously converted at the option of the holder of such Preferred Equity) into a number of Common Shares at the Conversion Price if the volume weighted average price of the Common Shares exceeds 150% of the Conversion Price for any twenty (20) trading days during a thirty (30) trading day period. Any conversion by the Issuer prior to the 3 rd anniversary of the Closing Date shall otherwise comply with this provision and include all unpaid Preferred Dividends that would have accrued up to and including the 3 rd anniversary of the Closing Date.
Issuance Limits:	Without restricting the Issuer's ability to satisfy dividend payment obligations through PIK Distributions or other issuances in lieu of cash, in the Issuer's discretion, none of the terms or rights of the Preferred Equity shall cause the Issuer to be required to issue or re-designate (upon conversion or otherwise) such number of shares as would exceed 19.99% of total outstanding shares or voting power of the Issuer, and provided further, that all issuances hereunder shall be subject to volume restrictions and applicable Nasdaq listing requirements.
Closing Date:	Immediately prior to the closing of the Business Combination.
Required Redemption:	TBD in a manner that complies with SEC's recent position relative to put features.
Liquidation Preference:	<p>“Liquidation Preference” means the Investment plus all accrued and unpaid dividends.</p> <p>In the event of a liquidation or winding up prior to the 3rd anniversary of the Closing Date, the holders of the Preferred Equity will be entitled to receive the greater of the proceeds from liquidity event (as per their shareholding in the Issuer on an as-converted basis) and the Liquidation Preference, with the Liquidation Preference being deemed to include all unpaid dividends that would have accrued up to and including the 3rd anniversary of the Closing Date.</p>
Conversion Upon Change of Control:	Upon a change of control (prior to the third anniversary of the Closing Date), Preferred Equity shall convert to Common Shares.
Voting Rights:	The Preferred Equity will confer on the holders thereof the right to receive notice of, attend and vote at general meetings of the Issuer. The Preferred Equity will vote with the Common Shares as a single class on an as- converted basis (giving effect to any accrued but unpaid dividends) on all matters submitted to a vote of the holders of Common Shares. The Preferred Equity will be entitled to vote on certain matters as required by law as a separate class and the affirmative vote of a majority of the outstanding Preferred Equity will be required to approve such matters.
Ranking:	The Preferred Equity will rank senior to all Common Shares and any other existing or future class or series of equity securities of Issuer at the closing of and following the Business Combination with respect to distribution and liquidation rights.
Transfer Restrictions:	The Preferred Equity (and underlying Common Shares) shall be freely transferrable, subject to a mutually agreed disqualified transferee list and applicable securities laws.
DTC:	One year after closing of the Business Combination, at the request of the Purchaser, Issuer will cause the Preferred Equity to be eligible for settlement through the facilities of DTC, and also will cooperate with the holders of the Preferred Equity to cause the removal of all restrictive legends being properly solder under an effective registration statement or pursuant to Rule 144 under the Securities Act of 1933, as amended, within two business days of a holder's request and cause its legal counsel to deliver the necessary legal opinions, if any, to Issuer's transfer agent in connection with the instruction to remove the restrictive legends upon the receipt of such supporting documentation.

(a) Each Principal Shareholder agrees that, during the period from the date hereof through the Termination Date, except as contemplated by this Agreement and the Business Combination Agreement, it shall not, and shall cause its Affiliates not to, without the prior written consent of PubCo (which consent may be given or withheld by PubCo, in its sole discretion), directly or indirectly: (i) offer for sale, sell (including short sales), transfer, tender, hypothecate, pledge, convert, encumber, assign or otherwise dispose of, directly or indirectly (including by gift, merger, tendering into any tender offer or exchange offer or otherwise), or enter into any contract, option, derivative, swap, hedging or other agreement or arrangement or understanding (including any profit sharing arrangement) with respect to, or consent to, a transfer to another, in whole or in part, any of the economic consequences of ownership (collectively, a "Transfer"), any or all of its Covered Shares, (ii) grant any proxies or powers of attorney with respect to any or all of its Covered Shares held by it (except in connection with voting by proxy at a meeting of shareholders of PubCo in accordance with Section 1), or (iii) permit to exist any Lien with respect to any or all of its Covered Shares other than those created by this Agreement; provided, that any Lien with respect to Covered Shares that would not prevent, impair or delay its ability to comply with the terms and conditions of this Agreement shall be permitted and shall not be deemed to violate the restrictions contained above. Notwithstanding the foregoing, this Section 2(a) shall not prohibit a Transfer by a Principal Shareholder of any of its Covered Shares, to PubCo's officers or directors, any Affiliate or family member of any of PubCo's officers or directors, any Affiliate of such Principal Shareholder or to any members or partners of such Principal Shareholder or any of their Affiliates; provided, that, in each case, such Transfer shall be permitted only if, prior to or in connection with such Transfer, the transferee agrees in writing to assume all of the obligations of such Principal Shareholder hereunder and to be bound by the terms of this Agreement.

(b) Any Transfer in violation of this Section 2 shall be null and void *ab initio*.

(c) Each Principal Shareholder irrevocably and unconditionally agrees that, from the date hereof and until the termination of this Agreement, such Principal Shareholder shall not elect to cause PubCo to redeem any Covered Shares now or at any time legally or beneficially owned by such Principal Shareholder, or submit or surrender any of its Covered Shares for redemption, in connection with the transactions contemplated by the Business Combination Agreement or otherwise.

Section 3. Other Covenants.

(a) Each Principal Shareholder hereby agrees to be bound by and subject to (and the following sections are hereby incorporated herein, *mutatis mutandis*) Section 2.05 (PubCo Class B Ordinary Share Consideration and Redesignation to PubCo Class A Ordinary Shares), Section 7.05(b) (Exclusive Dealing), Sections 7.07(a), (d) and (e) (Confidentiality; Access to Information; Publicity; Notification of Certain Matters) of the Business Combination Agreement (and any relevant definitions contained in any such sections) as if such Principal Shareholder was an original signatory to the Business Combination Agreement with respect to such provisions.

(b) Hunch hereby agrees to be bound by and subject to (and the following sections are hereby incorporated herein, *mutatis mutandis*) Section 5.07 (Pre-Closing Reorganization) and Section 5.10 (Hunch Reorganization) of the Business Combination Agreement (and any relevant definitions contained in any such sections) as if Hunch were an original signatory to the Business Combination Agreement with respect to such provisions; provided, that Hunch shall have no Liability with respect to this Section 3(b) unless such Liability has been caused by a Willful Breach by Hunch of this Section 3(b).

(c) To the knowledge of Hunch, the representations and warranties applicable to the Blade Group contained in Article III of the Business Combination Agreement are true and correct as of the date hereof (except to the extent that any such representation and warranty is expressly made as of an earlier date, in which case such representation and warranty shall be true and correct as of such earlier date). Hunch shall have no Liability with respect to this Section 3(c) unless such Liability has been caused by a Willful Breach by Hunch of this Section 3(c).

Section 4. Termination. This Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the Parties hereunder shall terminate without any further liability on the part of any Party in respect thereof, upon the earlier to occur of (the "Termination Date") (a) the Closing, (b) such date and time as the Business Combination Agreement is validly terminated in accordance with its terms and (c) the mutual written agreement of the Parties hereto; provided, that Blade US in its sole discretion may terminate this Agreement solely with respect to its rights and obligations, following any material modification or amendment to, or the waiver of any provision of, the Business Combination Agreement, as in effect on the date hereof, that (A) reduces the aggregate amount or form of consideration, as Pre-Closing Reorganization Consideration or otherwise, payable to Blade US in respect of its Covered Shares in a manner that is materially adverse to Blade US, or (B) modifies the conditions of the obligations of the parties to the Business Combination Agreement to consummate the Transactions in a manner that adversely affects in any material respect Blade US; and provided further, that, subject to Section 3(b) and Section 3(c), nothing herein shall relieve any Party from liability for any breach of this Agreement prior to the Termination Date, and each Party shall be entitled to any remedies at law or in equity to recover Liabilities arising from any such breach. DSAQ shall notify the Principal Shareholders of the termination of the Business Combination Agreement promptly after the termination thereof. Notwithstanding the foregoing or anything to the contrary in this Agreement, Section 8 through Section 12 shall survive the termination of this Agreement.

Section 5. No Recourse. Subject in all respects to the last sentence of this Section 5, this Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or relating to, this Agreement may only be brought against, the entities that are expressly named as Parties and then only with respect to the specific obligations set forth herein with respect to such Party. Notwithstanding the foregoing, nothing in this Section 5 shall limit, amend or waive any rights or obligations of any party to any other Transaction Document with respect to the other parties thereto.

Section 6. Fiduciary Duties. Notwithstanding anything in this Agreement to the contrary, (a) no Principal Shareholder makes any agreement or understanding herein in any capacity other than in such Principal Shareholder's capacity as a record holder and beneficial owner of the Covered Shares; and (b) nothing herein shall be construed to limit or affect any action or inaction by any representative of any Principal Shareholder serving as a member of the board of directors (or other similar governing body) of PubCo or as an officer, employee or fiduciary of PubCo, in each case, acting in such person's capacity as a director, officer, employee or fiduciary of PubCo.

The Equity Securities set forth on Schedule 7(b)(ii) are the only Equity Securities in PubCo owned of record or beneficially by the Principal Shareholders on the date of this Agreement, and none of such Equity Securities are subject to any proxy, voting trust or other agreement or arrangement with respect to the voting of such Equity Securities, except as provided hereunder or under the Principal Shareholders' Governing Documents.

Sponsor, DSAQ and PubCo shall be referred to herein from time to time collectively as the "Parties" and each individually as a "Party". Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Business Combination Agreement (as defined below).

WHEREAS, concurrently with the execution of this Agreement, DSAQ, PubCo and certain other parties are entering into that certain Business Combination Agreement, dated as of the date hereof (as it may be amended, restated or otherwise modified from time to time in accordance with its terms, the "Business Combination Agreement"), pursuant to which the parties thereto will consummate the Transactions on the terms and subject to the conditions set forth therein;

WHEREAS, Sponsor understands and acknowledges that DSAQ and PubCo are entering into the Business Combination Agreement in reliance upon the Sponsor's execution and delivery of this Agreement. Sponsor has received a copy of the Business Combination Agreement and is familiar with the provisions of the Business Combination Agreement; and

WHEREAS, the Business Combination Agreement contemplates that the Parties will enter into this Agreement concurrently with the entry into the Business Combination Agreement by the parties thereto, pursuant to which, among other things, Sponsor is agreeing to (a) support and vote in favor of all of the Transaction Proposals, (b) waive all adjustments to the conversion ratio set forth in DSAQ's Governing Documents with respect to its DSAQ Class B Shares, (c) be bound by certain transfer restrictions with respect to its DSAQ Shares and DSAQ Warrants, as applicable, prior to Closing, and (d) the forfeiture, transfer or conversion into DSAQ Class A Shares, as applicable, of up to 9,950,000 DSAQ Warrants under the circumstances specified herein.

NOW, THEREFORE, in consideration of the premises and the mutual promises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, each intending to be legally bound, hereby agree as follows:

Section 1. Agreement to Vote; Agreement to Consent. Prior to the Termination Date (as defined herein), Sponsor, in its capacity as a stockholder of DSAQ, irrevocably and unconditionally agrees that: at the meeting of DSAQ's stockholders to be convened for the purpose of obtaining the requisite stockholder approval of the Transaction Proposals in connection with the Transactions or any other meeting of DSAQ's stockholders (whether annual or special and whether or not an adjourned or postponed meeting, however called and including any adjournment or postponement thereof), Sponsor shall (a) if and when such meeting is held, appear at such meeting or otherwise cause all Covered Shares (as defined herein) owned by Sponsor as of the record date of such meeting to be counted as present thereat for the purpose of establishing a quorum; (b) vote, or cause to be voted, at such meeting all Covered Shares owned as of the record

date for such meeting in favor of each of the Transaction Proposals; (c) vote, or cause to be voted, at such meeting all Covered Shares against any DSAQ Alternate Transaction; and (d) vote, or cause to be voted, at such meeting all Covered Shares and against any other action that would reasonably be expected to (i) prevent, impede, interfere with, delay, postpone, nullify, frustrate or adversely affect the Transactions (except for any adjournment of such meeting as permitted under Section 7.04(b) of the Business Combination Agreement), (ii) change in any manner the capitalization (including conversion ratio) of, including the voting rights of any class of Equity Securities of DSAQ other than as contemplated by the Business Combination Agreement or (iii) result in any liquidation, dissolution or other change in DSAQ's corporate structure or business other than as contemplated by the Business Combination Agreement.

For purposes of this Agreement, "Covered Shares" means all DSAQ Class B Shares held by Sponsor as of the date hereof together with any DSAQ Shares acquired by Sponsor after the date hereof and any new Equity Securities of DSAQ issued to the Sponsor pursuant to any stock dividends and distributions and any Equity Securities of DSAQ into which or for which any or all of the Covered Shares may be changed or exchanged.

Section 2. Waiver of Anti-dilution Protection. With respect to its Covered Shares, Sponsor hereby waives and shall refrain from asserting or perfecting, subject to, conditioned upon and effective as of immediately prior to the occurrence of the Closing (for itself and for its successors and assigns), to the fullest extent permitted by Law and the Governing Documents of DSAQ, any rights to adjustment of the conversion ratio with respect to the Covered Shares owned by Sponsor set forth in the Governing Documents of DSAQ or otherwise (including the rights set forth in Section 4.3(b) of the Certificate of Incorporation of DSAQ, dated as of September 16, 2021). Notwithstanding anything to the contrary contained herein, Sponsor shall not be prohibited from waiving, asserting or perfecting any of the foregoing rights in the event the Business Combination Agreement is validly terminated in accordance with its terms. If the Business Combination Agreement is so terminated, then this Section 2 shall be deemed null and void *ab initio*.

Section 3. Transfer of Shares.

(a) Sponsor agrees that, during the period from the date hereof through the Termination Date, except as contemplated by this Agreement and the Business Combination Agreement, it shall not, and shall cause its Affiliates not to, without the prior written consent of DSAQ (which consent may be given or withheld by DSAQ in its sole discretion), directly or indirectly: (i) offer for sale, sell (including short sales), transfer, tender, hypothecate, pledge, convert, encumber, assign or otherwise dispose of, directly or indirectly (including by gift, merger, tendering into any tender offer or exchange offer or otherwise, for avoidance of doubt, including by any other Transfer, as defined in that certain Letter Agreement, dated as of September 23, 2021, by and among DSAQ, Sponsor and members of the board of directors and/or management team of DSAQ (the "Letter Agreement")), or enter into any contract, option, derivative, swap, hedging or other agreement or arrangement or understanding (including any profit sharing arrangement) with respect to, or consent to, a transfer to another, in whole or in part, any of the economic consequences of ownership (collectively, a "Transfer"), any or all of its Covered Shares and DSAQ Warrants, or (ii) grant any proxies or powers of attorney with respect to any or all of its Covered Shares and DSAQ Warrants held by it (except in connection with voting by proxy at a

meeting of stockholders of DSAQ as contemplated in Section 1), or (iii) permit to exist any Lien with respect to any or all of its Covered Shares and DSAQ Warrants other than those created by this Agreement or the Letter Agreement; provided, that any Lien with respect to Covered Shares and DSAQ Warrants that would not prevent, impair or delay its ability to comply with the terms and conditions of this Agreement shall be permitted and shall not be deemed to violate the restrictions contained above. Notwithstanding the foregoing, this Section 3(a) shall not prohibit a Transfer by Sponsor of any of its Covered Shares, (A) to DSAQ's officers or directors, any Affiliate or family member of any of DSAQ's officers or directors, any Affiliate of Sponsor or to any members or partners of Sponsor or any of their Affiliates; (B) in the case of an individual, by gift to a member of such individual's immediate family or to a trust, the beneficiary of which is a member of such individual's immediate family, an affiliate of such individual or to a charitable organization; (C) in the case of an individual, by virtue of laws of descent and distribution upon death of such individual; (D) in the case of an individual, pursuant to a qualified domestic relations order; or (E) by private sales or transfers made in connection with any forward purchase agreement, subscription agreement or similar arrangement or in connection with the consummation of an initial business combination at prices no greater than the price at which the securities were originally purchased; provided, that, in each case, such Transfer shall be permitted only if, prior to or in connection with such Transfer, the transferee agrees in writing to assume all of the obligations of Sponsor hereunder and to be bound by the terms of this Agreement.

(b) Any Transfer in violation of this Section 3 shall be null and void *ab initio*.

(c) Sponsor irrevocably and unconditionally agrees that, from the date hereof and until the termination of this Agreement, Sponsor shall not elect to cause DSAQ to redeem any Covered Shares now or at any time legally or beneficially owned by Sponsor, or submit or surrender any of its Covered Shares for redemption, in connection with the transactions contemplated by the Business Combination Agreement or otherwise.

Section 4. Exclusive Dealing; Other Covenants.

(a) Sponsor hereby agrees to be bound by and subject to (and the following sections are hereby incorporated herein, *mutatis mutandis*) (i) Section 7.05(b) (Exclusive Dealing) of the Business Combination Agreement to the same extent as such provision applies to DSAQ and (ii) Sections 7.07(a), (d) and (e) (Confidentiality; Access to Information; Publicity) of the Business Combination Agreement, to the same extent as such provisions apply to the parties to the Business Combination Agreement.

(b) Each of DSAQ and Sponsor agrees that during the period from the date hereof through the Termination Date, it shall not further modify, amend or waive the performance of any provision under the Letter Agreement.

Section 5. Amendment to the Letter Agreement

(a) Each of DSAQ, the Sponsor and the Insiders hereby agrees that (i) effective as of the Closing Date (and not before) any provisions related to the Private Placement Warrants (as defined therein) or Class A Common Stock (as defined therein) underlying the Private Placement Warrants shall refer to the PubCo Common Shares or PubCo Warrants, as applicable, outstanding as of the Closing and held by the holders of Private Placement Warrants following the assumption thereof by PubCo as contemplated by the Business Combination Agreement, and (ii) effective as of the date hereof, John Addison shall not be considered an Insider under the Letter Agreement and his consent shall not be required to further amend the Letter Agreement.

(b) For the avoidance of doubt, the amendment set forth in Section 5(a)(i) shall be void and of no force and effect with respect to the Letter Agreement if the Business Combination Agreement shall be terminated for any reason in accordance with its terms. Except as set forth in this Section 5, during the period beginning on the date of this Agreement and ending on the earlier of (x) the Effective Time and (y) the date on which the Business Combination Agreement is validly terminated in accordance with its terms, for the benefit of PubCo, (a) Sponsor agrees that it will comply with, and perform all of its obligations, covenants and agreements set forth in, the Letter Agreement in all material respects, including voting in favor of the Transactions and not redeeming its DSAQ Shares in connection with the Transactions, (b) DSAQ agrees to enforce the Letter Agreement in accordance with its terms, and (c) each of Sponsor and DSAQ agree not to amend, modify or waive any provisions of the Letter Agreement without the prior written consent of PubCo (not to be unreasonably withheld, delayed or conditioned).

Section 6. Private Placement Warrants

(a) Sponsor has agreed to make available to existing stockholders of DSAQ up to 9,950,000 of the 11,700,000 Private Placement Warrants held by Sponsor as of the date hereof (the "At-Risk Warrants") and the remaining 1,750,000 Private Placement Warrants held by Sponsor, the "Sponsor Warrants") in exchange for such stockholders agreeing not to effect a DSAQ Stockholder Redemption with respect to the DSAQ Class A Shares held by such stockholders (the "Non-Redeemed Shares"). Subject to agreement upon definitive documentation with such stockholders, Sponsor shall transfer up to all of such At-Risk Warrants (or, if the DSAQ Warrant Amendment Proposal is approved, the PubCo Class A Ordinary Shares corresponding thereto) to such stockholders immediately following the consummation of the Transactions if such stockholders continue to hold such Non-Redeemed Shares through the conclusion of the Special Meeting. If less than all of such At-Risk Warrants (or, if the DSAQ Warrant Amendment Proposal is approved, the PubCo Class A Ordinary Shares corresponding thereto) are transferred (or contemplated to be transferred pursuant to definitive documentation) to existing stockholders of DSAQ in accordance with the foregoing (the number of such At-Risk Warrants not so transferred, the "Retained At-Risk Warrants"), then such Retained At-Risk Warrants shall be treated in accordance with Section 6(b) or Section 6(c), as applicable.

(b) If the DSAQ Warrant Amendment Proposal is approved, then Sponsor will (i) forfeit and surrender for no consideration 50% of the Retained At-Risk Warrants immediately prior to the Closing, and DSAQ shall cancel such Retained At-Risk Warrants, and (ii) retain 50% of the Retained At-Risk Warrants and 100% of the Sponsor Warrants (the Private Placement Warrants set forth in clause (ii), each, an "Exchanged Warrant" and collectively, the "Exchanged Warrants"). In such event, effective immediately prior to the Effective Time, each Exchanged Warrant shall be automatically converted into one-fifth (1/5) of one DSAQ Class A Share (with no fractional shares being issued if less than five (5) Private Placement Warrants are held).

(c) If the DSAQ Warrant Amendment Proposal is not approved, then Sponsor will (i) forfeit and surrender for no consideration 50% of the Retained At-Risk Warrants immediately prior to the Closing, and DSAQ shall cancel such Retained At-Risk Warrants, (ii) retain 50% of the Retained At-Risk Warrants, which Retained At-Risk Warrants subject to clause (ii) shall (A) be assumed by PubCo pursuant to the terms of the Business Combination Agreement or (B) at Sponsor's election, be surrendered by Sponsor to DSAQ prior to the Closing in exchange for the issuance by DSAQ to Sponsor of 1 DSAQ Class A Share for every 5 Retained At-Risk Warrants so surrendered and (iii) retain 100% of the Sponsor Warrants, which Sponsor Warrants shall be assumed by PubCo pursuant to the terms of the Business Combination Agreement.

Section 7. Termination. This Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the Parties hereunder shall terminate without any further liability on the part of any Party in respect thereof, upon the earlier to occur of (the "Termination Date") (a) the Closing, (b) such date and time as the Business Combination Agreement is validly terminated in accordance with its terms and (c) the mutual written agreement of the Parties hereto; provided, that nothing herein shall relieve any Party from liability for any breach of this Agreement prior to the Termination Date, and each Party shall be entitled to any remedies at law or in equity to recover Liabilities arising from any such breach. DSAQ shall notify Sponsor of the termination of the Business Combination Agreement promptly after the termination thereof. Notwithstanding the foregoing or anything to the contrary in this Agreement, Sections 11 through 15, shall survive the termination of this Agreement.

Section 8. No Recourse. Subject in all respects to the last sentence of this Section 8, this Agreement may only be enforced against, and any claim or cause of action based upon, arising out of, or relating to, this Agreement may only be brought against, the entities that are expressly named as Parties and then only with respect to the specific obligations set forth herein with respect to such Party. Except to the extent a Party (and then only to the extent of the specific obligations undertaken by such Party in this Agreement), (a) no past, present or future director, officer, employee, incorporator, member, partner, shareholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any Party and (b) no past, present or future director, officer, employee, incorporator, member, partner, shareholder, Affiliate, agent, attorney, advisor or representative or Affiliate of any of the foregoing shall have any Liability (whether in contract, tort, equity or otherwise) for any one or more of the representations, warranties, covenants, agreements or other obligations or liabilities of any one or more of Sponsor, DSAQ or PubCo under this Agreement or for any claim based upon, arising out of, or relating to, this Agreement. Notwithstanding the foregoing, nothing in this Section 8 shall limit, amend or waive any rights or obligations of any party to any other Transaction Document with respect to the other parties thereto.

Section 9. Fiduciary Duties. Notwithstanding anything in this Agreement to the contrary, (a) Sponsor makes no agreement or understanding herein in any capacity other than in Sponsor's capacity as a record holder and beneficial owner of DSAQ Class B Shares and DSAQ Warrants; and (b) nothing herein shall be construed to limit or affect any action or inaction by any representative of Sponsor serving as a member of the board of directors (or other similar governing body) of DSAQ or as an officer, employee or fiduciary of DSAQ, in each case, acting in such person's capacity as a director, officer, employee or fiduciary of DSAQ.

Section 10. Representations and Warranties.

(a) Each of the Parties represents and warrants that (i) it has the power and authority, or capacity, as the case may be, to enter into this Agreement and to carry out its obligations hereunder, (ii) the execution and delivery of this Agreement and the performance of its obligations hereunder have been, as applicable, duly and validly authorized by all corporate or similar action on its part and (iii) this Agreement has been duly and validly executed and delivered by each of the Parties and constitutes, a legal, valid and binding obligation of each such Party enforceable in accordance with its terms subject to the Enforceability Exceptions.

(b) Sponsor hereby represents and warrants as of the date hereof to DSAQ and PubCo (solely with respect to itself and not with respect to any other Party):

(i) The execution and delivery of this Agreement by Sponsor does not, and the performance by Sponsor of its, his or her obligations hereunder shall not, (A) result in any breach of any provision of the Governing Documents of Sponsor or (B) require any consent, approval or authorization of, or designation, declaration or filing with, any Governmental Authority that has not been given, except for (1) compliance with Foreign Antitrust Laws, (2) the filing with the SEC of (i) the Registration Statement/Proxy Statement and the declaration of the effectiveness thereof by the SEC and (ii) such reports under Section 13(a) or 15(d) of the Exchange Act as may be required in connection with this Agreement or the Business Combination Agreement or the transactions contemplated hereby or thereby, (C) such filings with and approvals of the applicable Stock Exchange to permit PubCo Ordinary Shares and PubCo Warrants to be issued in accordance with the Business Combination Agreement to be listed on such Stock Exchange, (D) the filing of the Certificate of Merger with the Secretary of State of the State of Delaware in accordance with the DGCL or (E) any consents, approvals, authorizations, designations, declarations, waivers or filings, the absence of which would not reasonably be expected to prevent, materially delay or materially impair the performance by Sponsor of its obligations under this Agreement.

(ii) Sponsor is the record and beneficial owner (within the meaning of Rule 13d-3 under the Exchange Act) of, and has good title to, all of the DSAQ Class B Shares and/or the DSAQ Warrants as set forth in its beneficial ownership reports filed with the SEC, and there exist no Liens or any other limitation or restriction (other than transfer restrictions under the Securities Act, DSAQ's or Sponsor's Governing Documents, Permitted Liens, this Agreement, the Business Combination Agreement, the Letter Agreement or any other applicable securities Laws), in each case, that could reasonably be expected to (A) impair the ability of Sponsor to perform its obligations under this Agreement or (B) prevent, impede or delay the consummation of any of the transactions contemplated by this Agreement. The Equity Securities set forth in such beneficial ownership reports filed with the SEC are the only Equity Securities in DSAQ owned of record or beneficially by Sponsor on the date of this Agreement, and none of such Equity Securities are subject to any proxy, voting trust or other agreement or arrangement with respect to the voting of such Equity Securities, except as provided hereunder, under Sponsor's Governing Documents and under the Letter Agreement.

(iii) As of the date hereof, there are no Proceedings pending against Sponsor, or to the knowledge of Sponsor threatened against it, before (or, in the case of threatened Proceedings, that would be before) any Governmental Authority, which in any manner challenges or seeks to prevent, enjoin or materially delay the performance by Sponsor of its obligations under this Agreement or the Letter Agreement.

(iv) No broker, finder, financial advisor, investment banker or other Person is entitled to any brokerage fee, finders' fee or other commission in connection with the transactions contemplated by the Business Combination Agreement, other than as disclosed in the DSAQ Disclosure Schedules, based upon arrangements made by Sponsor and for which DSAQ or any of its Affiliates may become liable.

(v) Sponsor understands and acknowledges that each of DSAQ and PubCo is entering into the Business Combination Agreement in reliance upon Sponsor's execution and delivery of this Agreement.

Section 11. Rights of Third Parties. This Agreement shall be binding upon and inure solely to the benefit of each Party and its successors and permitted assigns and, except as set forth in Section 8, nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement.

Section 12. Further Assurances. Each of the Parties hereto is entitled to rely upon this Agreement and is irrevocably authorized to produce this Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby. Each of the Parties hereto shall pay all of their respective expenses in connection with this Agreement and the transactions contemplated herein. Each of the Parties hereto shall take, or cause to be taken, all actions and do, or cause to be done, all things necessary, proper or advisable to consummate the transactions contemplated by this Agreement on the terms and conditions described therein no later than immediately prior to the consummation of the Transactions.

All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given (and shall be deemed to have been duly given) by delivery in person, by email (having obtained electronic delivery confirmation thereof (i.e., an electronic record of the sender that the email was sent to the intended recipient thereof without an "error" or similar message that such email was not received by such intended recipient)), or by registered or certified mail (postage prepaid, return receipt requested) (upon receipt thereof) to the other Parties as follows:

New York, New York – January 18, 2024 – FlyBlade (India) Private Limited (“Hunch Mobility” or the “Company”), a leading provider of urban air mobility in the Indian subcontinent, has entered into a definitive business combination agreement with Direct Selling Acquisition Corp. (“DSAQ”) (NYSE: DSAQ), a special purpose acquisition company, and certain other parties thereto. Upon the closing of the transaction, the newly combined company (“Combined Company” or “PubCo”) is expected to be called Hunch Technologies Limited, and its common shares are expected to be listed on the New York Stock Exchange under the symbol “HNCH.”

Hunch Mobility: Revolutionizing Urban Air Mobility

Hunch Mobility is an urban air mobility (“UAM”) platform dedicated to providing “by-the-seat” short distance air mobility services in India. The Company has operated more than 1,626 flights with an approximately 43% repeat flying rate and has launched its services in two states in India: Maharashtra and Karnataka.

The Company aspires to lead the transition to electric vertical take-off and landing vehicles in the Indian subcontinent in the near future, benefiting from strong support from India’s Ministry of Civil Aviation in liberalizing UAM and paving the roadmap for the introduction of electric vertical aircraft (“EVAs”).

Hunch Mobility Investment Highlights

- **Significant Opportunity for Disruptive Transportation Service in India:** Urban congestion costs in India are approximately USD \$22 billion per year, and continuous congestion issues present a growing addressable and serviceable market. The International Monetary Fund predicts that India will become the third largest economy as measured by GDP by 2027-2028, and Hunch Mobility expects to tap into the country's growing middle-class demographic. Hunch Mobility believes there will be an addressable market of at least 20 million flyers in 2027 based on current ticket fares and demographic trends.
- **Expanding Global UAM Market:** UAM is anticipated to expand at a CAGR of approximately 25% between 2018 and 2025 and continue to grow to an anticipated market size of USD \$74 billion by 2035. Countries around the world, including Germany and France, are working in collaboration with airline manufacturers such as Boeing and Airbus to invest heavily in the development and procurement of advanced EVA systems.
- **Differentiated, Asset-Light and Low-Capital Operations Model:** Hunch Mobility leverages the scalable technology platform of Blade Urban Air Mobility, Inc. ("Blade US") through a licensing agreement and strategic partnerships with transportation service providers to provide efficient booking and concierge services to the Indian market. The firm's captive strategic infrastructure and sophisticated technology platform are designed to be customized and deployed for Indian operations.
- **Tenured Management Team and Early Market Entrants:** Hunch Mobility's management team has over 100 combined years of experience across companies in the mobility, aviation and lifestyle verticals. Hunch Mobility's leadership believes that its early entry into the market provides a meaningful first-mover advantage while the barriers to entry remain high for potential competitors.
- **Robust Future Growth Plans:** Hunch Mobility is seeking to generate revenue through a diverse set of complementary business segments, including a UAM platform for business, leisure, religious and air ambulance needs and a lifestyle concierge platform that includes a rewards and privileges platform designed to drive customer retention and monetization.
- **Strategic Partnerships in EVA Market Expected To Propel Growth:** Hunch Mobility has signed a memorandum of understanding with Eve Air Mobility, Beta Technologies, Skyports and Jaunt Air Mobility to develop the Company's EVA capabilities. Hunch Mobility believes that these partnerships are poised to unlock growth opportunities in existing and new markets. Hunch Mobility expects the launch of EVAs with lower costs to drive market penetration to 5% of the addressable market of 50 million flyers.

Management Commentary

Amit Dutta, Managing Director of Hunch Mobility, said: "India's rapid economic growth is shackled by severe road congestion, a crippling bottleneck requiring innovative solutions. To address this opportunity, Hunch Mobility is pioneering a short-haul air mobility platform with helicopters today and a transition to EVAs in the near future. We expect that this business combination will enable us to fully leverage the gains of our first-mover advantage and aggressively expand our footprint in the Indian subcontinent."

“We are excited to partner with Hunch Mobility on this business combination,” said Dave Wentz, Chairman and Chief Executive Officer of DSAQ. “Hunch is providing a solution for a serious problem in India, which is one of the most congested traffic markets in the world. The Company’s ability to provide consumers with the option of avoiding this congestion, at a reasonable price point, has the potential to move by-the-seat helicopter transportation out of the luxury category and into a ubiquitous part of everyday life. We believe that Hunch has the team in place to execute on this tremendous opportunity and we are pleased to play a role in bringing the Company to the public markets.”

Transaction Terms

The Combined Company is expected to have an estimated post-transaction enterprise value of \$223 million, assuming no redemptions by DSAQ’s public stockholders. Proceeds from the transaction, before the payment of certain transaction expenses, will comprise up to \$63 million of cash held in DSAQ’s trust account before redemptions, with approximately \$48 million in net cash on the balance sheet to fund growth, assuming no redemptions by DSAQ’s public stockholders. The transaction does not include a minimum cash condition, but does include capital commitments of \$20 million from Investor. Investor’s \$20 million investment includes \$10 million of equity purchases in DSAQ previously made in the open market subject to non-redemption, \$3 million in the form of promissory notes convertible into convertible preferred shares to be funded in three equal monthly installments, with the first \$1 million promissory note being issued at signing, and \$7 million of convertible preferred shares that will be funded at the closing of the transaction. Hunch Ventures has committed to investing \$3 million in the form of convertible preferred shares of PubCo. Hunch Ventures’ investment and Investor’s investments other than convertible notes are subject to certain waivable conditions.

DSAQ and Hunch Mobility’s respective boards of directors have unanimously approved the transaction, which is expected to close in 2024, subject to regulatory and stockholder approvals. In connection with the transaction, Hunch Mobility’s shareholders are rolling 100% of their existing equity in Hunch Mobility into the Combined Company and are expected to own approximately 52.0% of the Combined Company on a non-fully diluted basis immediately following the closing of the transaction, assuming no redemptions by DSAQ’s public stockholders.

All references to cash on the balance sheet, available cash from the trust account and retained transaction proceeds are subject to any redemptions by DSAQ’s public stockholders and current estimates of transaction expenses.

For additional information regarding the terms of the transaction, as well as an investor presentation, please see the Current Report on Form 8-K, which will be filed today with the Securities and Exchange Commission (“SEC”) by DSAQ. Additional information about the transaction will be provided in the registration statement on Form F-4 (the “[Registration Statement](#)”) relating to the transaction to be filed with the SEC by PubCo.

Forward Looking Statements

The financial projections and other estimates contained in this Presentation, as well as certain other statements in this Presentation may be considered "forward-looking statements", as defined in the Private Securities Litigation Reform Act of 1995. Forward-looking statements generally relate to future events or Hunch Mobility's or the SPAC's future financial or operating performance, including possible or assumed future results of operations, business strategies, debt levels, competitive position, industry environment, potential growth opportunities and the effects of regulation, including whether the Business Combination will generate returns for stockholders. For example, statements regarding anticipated growth in the industry in which Hunch Mobility operates and anticipated growth in demand for Hunch Mobility's products, projections of Hunch Mobility's future financial results, including future possible growth opportunities for Hunch Mobility and other metrics are forward-looking statements. Forward-looking statements include all statements that are not historical facts and can be identified by terms such as "anticipate," "believe," "envision," "estimate," "expect," "intend," "may," "plan," "predict," "project," "target," "potential," "will," "would," "could," "should," "continue," "contemplate" or the negative or plural of these words, or other similar expressions that are predictions or indicate future events or prospects, although not all forward-looking statements contain these words. Any statements that refer to expectations, projections or other characterizations of future events or circumstances, including strategies or plans as they relate to the proposed transaction, are also forward-looking statements. Such forward-looking statements, including the financial projections and estimates, are subject to risks, uncertainties and other factors, many of which are outside of Hunch Mobility's or the SPAC's control, which could cause actual results to differ materially from those expressed or implied by such forward-looking statements.

These forward-looking statements are based upon estimates and assumptions that, while considered reasonable by the SPAC and its management, and Hunch Mobility and its management, as the case may be, are inherently uncertain and are inherently subject to risks variability and contingencies, many of which are beyond Hunch Mobility's control. Factors that may cause actual results to differ materially from current expectations include, but are not limited to: (i) the occurrence of any event, change or other circumstances that could give rise to the termination of negotiations and any subsequent definitive agreements with respect to the Business Combination; (ii) the outcome of any legal proceedings that may be instituted against the SPAC, the combined company or others following the announcement of the Business Combination and any definitive agreements with respect thereto; (iii) the inability to complete the Business Combination due to the failure to obtain approval of the stockholders of the SPAC, to obtain financing to complete the Business Combination, or to satisfy other conditions to closing; (iv) changes to the proposed structure of the Business Combination that may be required or appropriate as a result of applicable laws or regulations or as a condition to obtaining regulatory approval of the Business Combination; (v) the ability to meet stock exchange listing standards following the consummation of the Business Combination; (vi) the risk that the Business Combination disrupts current plans and operations of Hunch Mobility as a result of the announcement and consummation of the Business Combination; (vii) the ability to recognize the anticipated benefits of the Business Combination, which may be affected by, among other things, competition, the ability of the combined company to grow and manage growth profitably, maintain key relationships and retain its management and key employees; (viii) costs related to the Business Combination; (ix) changes in applicable laws or regulations; (x) the possibility that Hunch Mobility or the combined company may be adversely affected by other economic, business, and/or competitive factors; (xi) Hunch Mobility's estimates of expenses and profitability; and (xii) other risks and uncertainties set forth in the section entitled "Risk Factors" and "Cautionary Note Regarding Forward-Looking Statements" in the SPAC's final prospectus relating to its initial public offering, dated September 23, 2021, or in other documents filed by the SPAC with the U.S. Securities and Exchange Commission (the "SEC") and the "Risk Factors" section included in the Appendix to this Presentation. There may be additional risks that neither Hunch Mobility nor the SPAC presently know or that Hunch Mobility and the SPAC currently believe are immaterial that could also cause actual results to differ from those contained in the forward-looking statements.

Nothing in this Presentation should be regarded as a representation by any person that the forward-looking statements set forth herein will be achieved or that any of the contemplated results of such forward-looking statements will be achieved. You should not place undue reliance on forward-looking statements, which speak only as of the date they are made. Neither Hunch Mobility nor the SPAC undertakes any duty to update or revise these forward-looking statements or to inform the recipient of any matters of which any of them becomes aware of which may affect any matter referred to in this Presentation. However, while Hunch Mobility or the SPAC may elect to update these forward-looking statements at some point in the future, there is no current intention to do so, except to the extent required by applicable law. If Hunch Mobility or the SPAC do update one or more forward looking statements, no inference should be drawn that Hunch Mobility or the SPAC will make additional updates thereto or with respect to other forward-looking statements. You are cautioned not to place undue reliance upon any forward looking statements, which speak only as of the date made.

In addition, such financial projections and estimates were not prepared with a view to public disclosure or compliance with published guidelines of the U.S. Securities and Exchange Commission, the guidelines established by the American Institute of Certified Public Accountants or U.S. generally accepted accounting principles ("GAAP"). Accordingly, although Hunch Mobility's management believes the financial projections and estimates contained herein represent a reasonable estimate of Hunch Mobility's projected financial condition and results of operations based on assumptions that Hunch Mobility's management believes to be reasonable at the time such estimates are made and at the time the related financial projections and estimates are delivered, there can be no assurance as to the reliability or correctness of such financial projections and estimates, nor should any assurances be inferred, and actual results may vary materially from those projected.

This presentation includes certain financial measures not presented in accordance with GAAP, including, but not limited to EBITDA. These non-GAAP financial measures are not measures of financial performance in accordance with GAAP and may exclude items that are significant in understanding and assessing Hunch Mobility's financial results. Therefore, these measures should not be considered in isolation or as an alternative to net income, cash flows from operations or other measures of profitability, liquidity or performance under GAAP.

EVA is Expected to Alter the Urban Air Mobility Landscape

Electric Vertical Aircrafts (EVAs) are...

- Poised to unlock growth opportunities in existing and new markets¹
- Carbon-neutral and support a transition to a greener future¹
- Quiet, a differentiator compared to helicopters that opens a path into new markets¹
- Demonstrated as an emerging, cost-effective alternative air transport method through Blade US's deal with Wisk and Beta Technologies to operate up to 30 Autonomous and up to 20 piloted EVAs respectively, for Blade's US network²

Hunch Mobility's EVA Initiatives

- HUM has signed MoUs with Skyports, Eve, Beta and Jaunt
- Currently in conversations with Boeing, Skyroads, FlyNow, ePlane to sign MoU for partnership

1. BLADE USA – Electric Vertical Aircraft (EVA)
2. Avionics International

Launch of EVAs with lower costs expected to achieve market penetration for Hunch Mobility to 5% of addressable market of 50M Flyers

- 1 The expected commercial introduction of EVAs over the next 3-5 years is projected to make ticket fares much less expensive while also providing quieter, zero carbon footprint transportation¹
- 2 While EVAs technology is evolving at a fast pace leading to unmanned craft in future, our internal analysis estimates ticket prices in India to be 40% of current ticket prices (helicopters) even with piloted EVAs²
- 3 Cost savings – lower cost of helicopters, lower cost of maintenance and battery as energy source, expected fiscal incentives from Indian Government for electric helicopters. At a later stage with unmanned helicopters, cost savings would be more significant³

Year 5 projected revenue scenario with EVAs introductions (Figures in USD)

The risks listed below are certain of the general risks related to the business of the Company, DSAQ and the proposed business combination between them, and this list is not exhaustive. The list below has been prepared solely for the purpose of inclusion in this presentation and not for any other purpose. These risks are based on certain assumptions made by the Company and DSAQ which may later prove to be incorrect or incomplete. Risks relating to the business of the Company, the proposed business combination and DSAQ will be disclosed in future documents filed or furnished by the Company or DSAQ with the United States Securities and Exchange Commission (the “SEC”), including documents filed or furnished in connection with the proposed transactions between the Company and DSAQ. The risks presented in such filings will be consistent with those that would be required for a public company in their SEC filings, including with respect to the business and securities of the Company and DSAQ and the proposed transactions between them, and may differ significantly from, and be more extensive than, those presented below.

Risks Related to Our Business and Growth Strategy

- We have incurred significant losses since inception as we have been investing in the growth and development of our business lines. Our business lines are nascent, unproven and subject to material legal, regulatory, operational, reputational, tax and other risks and are not assured to be profitable.
- Our business’ limited operating history and financial results make our future results, prospects and the risks we may encounter difficult to predict.
- The long-term impact of the COVID-19 pandemic, and other similar public health threats that we may face in the future, could result in additional adverse effects on our business operations and our financial results.
- The markets for our customer offerings are still in relatively early stages of growth, and if such markets do not continue to grow, grow more slowly than we expect, or fail to grow as large as we expect, our business, financial condition, and results of operations could be adversely affected.
- The success of our business will be highly dependent on our ability to effectively market and sell air transportation as a substitute for conventional methods of transportation to both current and new customers.
- Our prospects and operations may be adversely affected by changes in consumer preferences, discretionary spending and spending capacity, and other economic conditions that affect demand for our services.
- We are reliant on Hunch Mobility, Inc. for access to resources for the operation of our business, including our core technology platform, key services, the “Hunch Mobility” brand, and other trademarks, domain names and intellectual property. Under the license agreement which gives us access to these resources, Hunch Mobility, Inc. retains broad based rights to terminate or suspend our access. Any such action could impact our ability to carry out our business, and have an adverse effect on our reputation, financial condition and operations.
- If we are not able to successfully enter into new markets and geographic locations and offer new routes and services to enhance our existing offerings, our business, financial condition, and results of operations could be adversely affected.
- Our third-party aircraft operations involve a degree of inherent risk, including mechanical failures, spare parts damage, human error, and crashes and collisions, any of which may result in personal injury, loss of life, damage to property and equipment, suspension or reduction of operations, reduced number of flight hours, the grounding of the aircraft involved in the incident or of an entire fleet of the same aircraft model and type, insufficient spare parts to support operations or damage to our reputation. Any of these factors could adversely affect our business and operations.
- We expect to face intense competition in the urban air mobility industry, which may lead to adverse effects like downward pricing or an inability to increase or maintain prices or increase or maintain our market share.
- If our efforts to continue to build a strong brand identity and loyalty are not successful, we may not be able to attract or retain customers, and we could be adversely affected. Further, if our efforts to prevent competitors from using brand names and domains which are identical or confusingly similar to ours, are not successful, this could lead to confusion amongst customers and could adversely affect our business, reputation and financial condition.
- Any failure to offer high-quality customer support may harm our relationships with customers and could adversely affect our reputation, brand, business, financial condition, and results of operations.
- We are especially vulnerable to delays, cancellations, or flight rescheduling, as we rely on maintaining a high daily aircraft usage rate, and need to aggregate fliers on our by-the-seat flights.
- Our operations are concentrated in a small number of geographic regions which makes our business particularly susceptible to natural disasters, outbreaks and pandemics, economic, social, weather, growth constraints, and regulatory conditions or other circumstances affecting these metropolitan areas.
- We are subject to risks associated with climate change, including the potential increased impacts of severe weather events on its operations and infrastructure and any adverse regulation and negative perceptions of the private aviation industry relating to carbon emissions. Our efforts to reduce the environmental impact of our operations and market our sustainable operations, including through the use of electric vertical aircraft (“EVAs”), may not be successful or achieve our goals.
- Our business is seasonal and the disruption of flight activity during peak periods could materially adversely affect our business, financial condition and results of operations.
- Since we do not yet utilize EVAs, our third-party operators are dependent on the availability of aircraft fuel. Continued periods of significant disruption in the supply of aircraft fuel, including through sanctions, political disruptions or wars involving oil-producing countries (for example, the war in Ukraine), and resultant increases in fuel prices could have a significant negative impact on consumer demand and our operating results.
- System failures, defects, errors, or vulnerabilities in our website, applications, backend systems, or other technology systems or those of third-party technology providers, or our failure to successfully implement new technology effectively, could harm our reputation and brand and adversely impact our business, financial condition, and results of operations.
- Cyber security threats continue to increase in frequency and sophistication and a cyber-based attack of these systems could disrupt our ability to deliver services to our customers and could lead to increased overhead costs, decreased sales, and harm to our reputation. Further, our business requires us to collect, process, store, use and transmit personal information of our users, and there remains a risk that such data could be lost and/or misused and any wrongful loss or wrongful gain arising from any breach or cyber security incident could lead to both civil and criminal liability, and adversely impact our reputation and results of operations.
- We rely on mobile operating systems and application marketplaces to make our applications available to users of our platform. If we do not effectively operate with or receive favorable placements within such application marketplaces and maintain high user reviews, our usage or brand recognition could decline and our business, financial results, and results of operations could be adversely affected.
- The successful operation of our business depends upon the performance and reliability of internet, mobile, and other infrastructures that are not under our control.

Risk Factors

- We may in the future be subject to claims that we or others violated certain third-party intellectual property rights, which, even where meritless, can be costly to defend and could materially adversely affect our business, results of operations, and financial condition.
- We will require substantial additional funding to finance our operations, but adequate additional financing may not be available when we need it, on acceptable terms, or at all.
- We may not be able to manage our growth effectively, and we may engage in future acquisitions that could disrupt our business and have an adverse impact on our financial condition.
- Our insurance may become too difficult or expensive for us to obtain or may not be sufficient to cover our losses. Increases in insurance costs or reductions in insurance coverage may materially and adversely impact our results of operations and financial position.
- We are highly dependent on our senior management team and other highly skilled personnel. If we are not successful in attracting or retaining highly qualified personnel, we may not be able to successfully implement our business strategy.
- Our company culture has contributed to our success, and if we cannot maintain this culture as we grow and enter the public markets, our business could be harmed.
- If we are unable to purchase an adequate supply of competitively priced new or pre-owned aircraft to meet client demand, or if the cost of aircraft(s) increases unduly due to disruptions in supply for any reason (including the war in Ukraine), our plans to create an aircraft leasing business could be adversely affected.
- If either our or our third-party operators' aircraft become obsolete or no longer in demand from our customers, including due to an industry adoption of EVAs, our business, financial condition, and results of operations could be adversely affected.
- We rely on our third-party operators to provide and operate aircraft. If such third-party operators do not perform adequately or terminate their relationships with us, our costs may increase and our business, financial condition, and results of operations could be adversely affected.
- If we encounter problems with any of our third-party aircraft operators or third-party service providers, such as workforce disruptions, our operations could be adversely affected by a resulting decline in revenue or negative public perception about our services.
- We may incur substantial maintenance costs as part of our leased aircraft return obligations.
- If we are unable to accurately estimate future levels of demand, or our third-party aircraft operators are unable to match our growth in demand or we are unable to add additional third-party aircraft operators to our platform to meet demand, our costs may increase and our business, financial condition, and results of operations could be adversely affected.
- Delays in the hiring and training of a sufficient number of qualified pilots by our third-party operators could disrupt our operations and have a materially adverse impact on our business.
- Our third-party aircraft operators' insurance may become too difficult or expensive for them to obtain. If our third-party aircraft operators are unable to maintain sufficient insurance coverage, it may materially and adversely impact our results of operations and financial position.
- Our reliance on contractual relationships with air ambulance organizations could adversely affect our business.
- We rely on brand partners to promote our business and no assurance can be provided that such partnerships will not be terminated. If such partnerships are terminated, our usage or brand recognition could decline leading to competitive disadvantages and our business may be adversely affected by a decline in revenue or negative public perception about our services. We rely on arrangements (including on a pay-and-use basis) with third-parties to provide us access to helpads for parking, take-off and landing of aircrafts. If such third-parties terminate their arrangements with us or deny access to the helpads, our business and results of operations could be adversely affected.

Legal and Regulatory Risks

- If DSAQ waives the requirement that the necessary governmental and regulatory consents in connection with the transfer of our GIFT City subsidiary be obtained prior to the closing of proposed Business Combination, and such consents are not later obtained after the closing, certain incentives currently available to us on account of operating within the Special Economic Zone at GIFT City, Gujarat could be lost, and our business, profitability, and growth prospects may be materially and adversely affected.
- If we fail to maintain an effective system of disclosure controls and internal control over financial reporting, our ability to produce timely and accurate financial statements or comply with applicable regulations could be impaired.
- Our business is subject to a wide variety of extensive and evolving laws, regulations, rules, guidelines, advisories and protocols, which may result in increases in our costs, disruptions to our operations, limits on our operating flexibility, reductions in the demand for air travel, and competitive disadvantages.
- We are subject to extensive and evolving data privacy laws and regulations, and compliance with these laws and regulations could impose significant compliance burdens and costs and could materially and adversely affect our business, profitability, and growth prospects.
- We may be blocked from or limited in providing or offering our services in certain jurisdictions based on the applicable laws, regulations, rules, guidelines, advisories and protocols, and may be required to modify our business model in those jurisdictions as a result.
- No assurance can be provided that licenses and permits that we depend on for the operation of our business will not be revoked.
- Political changes in the Government of India could delay or affect the further liberalization of the Indian economy and materially and adversely affect economic conditions in India, generally, and our business, in particular.
- The regulatory and policy environment in which the Company operates is evolving and subject to change and its business and financial performance could be adversely affected by any unfavorable interpretations of or changes in existing laws, or implementation of new laws by the Government of India, including the Ministry of Civil Aviation (MoCA), the Directorate General of Civil Aviation (DGCA), the Bureau of Civil Aviation Security, Government of India and the Airports Authority of India. There can be no assurance that the Government in India will not implement new regulations and policies which will require the Company to obtain additional approvals and licenses from regulatory bodies or impose onerous requirements and conditions on their operations, which could result in increased compliance costs as well as divert significant management time and other resources, or disrupt our ability to deliver services in India.
- Changing laws, rules, regulations, guidelines, advisories and protocols, unfavorable interpretations of existing laws, rules, regulations, guidelines, advisories and protocols and other legal uncertainties in India, including adverse application of corporate and tax laws, may adversely affect our business and financial performance.

Risk Factors

- Our business depends on our aircraft service provider partner's compliance with applicable laws including the (Indian) Aircraft Act 1934 and the guidelines, circulars and notifications issued by the DGCA. Any non-compliance of such laws, guidelines, circulars and notifications by the aircraft service provider partner or us, including for having directly or indirectly abetted the non-compliances of the aircraft service provider partner, may have adverse impact on our business, revenues and prospects.
- Restrictions on foreign investment in India, including with respect to categories of investors permitted to invest, may prevent us from raising capital or making future acquisitions or investments in India and may require us to make changes to our business, which may adversely affect our results of operations, financial condition and financial performance.
- A slowdown in economic growth in India could cause our business to suffer.
- Financial instability in other countries may cause increased volatility in Indian financial markets.
- A downgrade in ratings of India may affect the trading price of our securities.
- If inflation were to rise in India, we might not be able to increase the prices of our products at a proportional rate in order to pass costs on to our customers thereby reducing our margins.
- Fluctuation in the exchange rate between the Indian Rupee and foreign currencies may have an adverse effect on the value of our securities, independent of our operating results.

Risks Related to DSAQ and the Business Combination

- An active trading market for DSAQ's Class A common stock, \$0.0001 par value per share (the "Common Stock"), may not be available on a consistent basis to provide stockholders with adequate liquidity. The price of the Common Stock may be extremely volatile, and stockholders could lose a significant part of their investment.
- The New York Stock Exchange ("NYSE") may delist the Common Stock and DSAQ units from trading on its exchange, which could limit investors' ability to make transactions in the Common Stock and units, and subject DSAQ to additional trading restrictions. Additional securities may also not be approved for listing on NYSE.
- The Business Combination may not be completed by DSAQ's business combination deadline and DSAQ may fail to obtain an extension of the business combination deadline.
- If DSAQ seeks stockholder approval of the business combination, DSAQ's initial stockholders, including DSAQ Partners LLC (the "Sponsor") and each of DSAQ's officers and directors agreed to vote in favor of the Business Combination, regardless of how DSAQ's public stockholders vote.
- Since the Sponsor and DSAQ's directors and executive officers have interests that are different or in addition to (and which may conflict with), the interests of the DSAQ's other stockholders, a conflict of interest may exist in determining whether the business combination with Hunch Mobility is appropriate as DSAQ's business combination. Such interests include that the Sponsor and DSAQ's directors and executive officers may lose their entire investment if the business combination is not completed, and that the Sponsor will benefit from the completion of the business combination and may be incentivized to complete the business combination, even if it is with a less favorable target company or on less favorable terms to stockholders, rather than liquidate DSAQ.
- We and DSAQ expect to incur significant transaction costs in connection with the business combination, and whether or not the business combination is completed, the incurrence of these costs will reduce the amount of cash available to be used for corporate purposes if the business combination is not completed.
- The ability of DSAQ's stockholders to exercise redemption rights with respect to a large number of outstanding Common Stock could increase the probability that the business combination will be unsuccessful.
- The business combination is subject to conditions, including certain conditions that may not be satisfied on a timely basis, if at all, which may adversely affect the price of the Common Stock.
- Past performance by DSAQ, including its management team and affiliates, may not be indicative of future performance of an investment in DSAQ or the post-combination business.
- If DSAQ is unable to complete the proposed Business Combination or another initial business combination by the date by which it is required to consummate a business combination pursuant to the DSAQ's amended and restated memorandum and articles of association, DSAQ will cease all operations except for the purpose of winding up, redeeming 100% of the outstanding Common Stock and, subject to the approval of its remaining stockholders and DSAQ's board of directors, dissolving and liquidating. In such event, third parties may bring claims against DSAQ and, as a result, the proceeds held in DSAQ's trust account could be reduced and the per-share liquidation price received by stockholders could be less than \$10.00 per share.
- If additional equity financing of \$12 million is not identified by PubCo or, if identified, is consummated on more favorable terms to the counterparty(ies) than the terms of Antara's \$7 million convertible preferred share investment, or fails to close, Antara's \$7 million convertible preferred share investment and Hunch Venture's \$3 million convertible preferred share investment may both fail to close, and PubCo may lack sufficient funds to consummate the Business Combination.

Risk Relating to the Post-Business Combination Company and its Ordinary Shares

- We will incur increased costs as a result of operating as a public company, and our management will be required to devote substantial time to ensure compliance with public company responsibilities and corporate governance practices.
- Hunch Mobility's financial forecasts may not prove accurate.
- If the business combination's benefits do not meet the expectations of investors, stockholders or financial analysts, the market price of our securities may decline.
- Our quarterly operating results may fluctuate significantly following the business combination.
- The price of our ordinary shares may be volatile and may decline. Unlike DSAQ, we will have no trust account to provide downside protection to its investors.

Risk Factors

- There is no guarantee that an active and liquid public market for our ordinary shares will develop following the consummation of the business combination.
- If, following the business combination, securities or industry analysts do not publish or cease publishing research or reports about us, our business, or our market, or if they change their recommendations regarding our ordinary shares adversely, then the price and trading volume of our ordinary shares could decline.
- Future resales of our outstanding shares may cause the market price of our securities to drop significantly, even if our business is doing well.
- A significant portion of our ordinary shares following the business combination will be restricted from immediate resale, but may be sold into the market in the future. This could cause the market price of our ordinary shares to drop significantly, even if our business is doing well.
- We may issue additional ordinary shares or other equity securities without your approval, which would dilute your ownership interests and may depress the market price of your shares.
- Our Memorandum and Articles of Association that will be effective following the completion of the business combination will designate specific courts as the exclusive forum for certain litigation that may be initiated by our shareholders, which could limit the ability of our shareholders to obtain a favorable judicial forum for disputes with us or with our directors, officers or employees and may discourage shareholders from bringing such claims.
- If we fail to comply with the listing requirements of NYSE, we would face possible delisting, which would result in a limited public market for our securities and make obtaining future debt or equity financing more difficult for us.
- Because we will become a publicly traded company by means other than a traditional underwritten initial public offering, our shareholders may face additional risks and uncertainties.
- We will be an "emerging growth company" and a "smaller reporting company," and if we take advantage of certain exemptions from disclosure requirements available to emerging growth companies, this could make our securities less attractive to investors and may make it more difficult to compare our performance with other public companies.
- As a "foreign private issuer" under the rules and regulations of the SEC, we are permitted to, and will, file less or different information with the SEC than a company incorporated in the United States or otherwise subject to these rules, and may follow certain home country corporate governance practices in lieu of certain NYSE requirements applicable to U.S. issuers. These practices may afford less protection to shareholders than they would enjoy if we complied fully with NYSE corporate governance listing standards applicable to U.S. domestic issuers.
- The right of shareholders of the combined company to receive any future payment on or derive any value from the CVRs will be contingent solely upon the non-occurrence of Triggering Events specified in the CVR Agreement and the BCA. There is no guarantee that such non-occurrence of Triggering Events will happen. In the event that Triggering Events occur within as detailed in the BCA and the CVR Agreement, no payments will be made under the CVR Agreement, and the CVRs will expire valueless. Furthermore, the CVRs will be unsecured obligations of the combined company and all payments under the CVRs, all other obligations under the CVR Agreement and the CVRs and any rights or claims relating thereto may be subordinated in right of payment to the prior payment in full of all current or future senior obligations of the combined company.

Risks Related to Our Incorporation in Ireland Following the Business Combination

- We do not intend to pay dividends for the foreseeable future, but if we pay dividends, such dividends may be subject to Irish dividend withholding tax. Dividends received by Irish residents and certain other shareholders may be subject to Irish income tax.
- Irish law differs from the laws in effect in the United States, and there will be differences between your current rights as a holder of DSAQ securities and the rights one can expect as a holder of our securities, some of which may adversely affect you.
- Provisions in our Memorandum and Articles of Association and under Irish law could make an acquisition of us more difficult, may limit attempts by our shareholders to replace or remove our management, may limit shareholders' ability to obtain a favorable judicial forum for disputes with our directors, officers, or employees, and may limit the market price of our ordinary shares and public warrants.
- As an Irish public limited company, certain capital structure decisions will require the approval of our shareholders, which may limit our flexibility to manage our capital structure. Irish law only permits directors to allot and issue certain "relevant securities," once specifically authorized to do so by its constitution or by a resolution approved by a simple majority of the shareholders.
- We will be required to have available "distributable profits" to pay dividends to shareholders and generally to make share repurchases and redemptions as an Irish company.
- We will be subject to the provisions of the Irish Takeover Rules regulating corporate takeovers and certain other relevant transactions affecting Irish public limited companies listed on certain stock exchanges, including NYSE, and will be subject to the supervisory jurisdiction of the Irish Takeover Panel.
- Following the consummation of the business combination, a transfer of our ordinary shares, our preferred shares or our warrants, other than one effected by means of the transfer of book-entry interests in the Depository Trust Company, may be subject to Irish stamp duty.
- Our ordinary shares, our preferred shares or our warrants received by means of a gift transfer or inheritance could be subject to Irish capital acquisitions tax.
